CHILDREN'S COUGHS QUICKLY CURED

It is very hard to keep the children from taking cold. They will run out of doors not properly wrapped—play too hard and become overheated—get their feet wet—kick the bed clothes off at night.

There is nothing so good for children's coughs, croup, whooping cough or bronchitis as Dr. Woods' Norway Pine Syrup. It is so pleasant to the taste the youngsters take it without any fuss, and at the same time its promptness and effectiveness in loosening the phlegm, and healing the lungs and bronchial tubes, and such that the cough is checked before any serious trouble can possibly develop.

Mrs. Harold Acker, Lake Pleasant, N. S., writes: "I have three children, the eldest eight years and the baby ten months old. They all had a bad cough. I knew of quite a few persons who had used Dr. Wood's Norway Pine Syrup with good results so I got three bottles. I am glad I did so as it is a sure cure for coughs and colds. A home where there are children should never be without it. I highly recommend it to those who need a quick cure."

Price, 25c. and 50c. at all dealers. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

A husband who was engaged to half a dozen girls before he finally said "I do," isn't likely ever to forget the fact if his wife doesn't.

PLAY-OFF OF COLLEGE TEAMS AT MONCTON

Wednesday Night Date of the Struggle Between U. N. B. and Acadia—Moncton Here Tonight.

The chief hockey item of interest this week is the playoff at Moncton Wednesday night between the University of New Brunswick and Acadia for the Western Intercollegiate title. The playoff was arranged last evening and the U. N. B. team with a small contingent of rooters got away this morning. The team will have an opportunity of getting accustomed to the rink before Wednesday night's game. It is expected that Jewett and Burgess will form the defence with Shea playing one of the wing positions.

No predictions are made of the outcome of the match but U. N. B. has learned bitter lessons and probably has profited by them. The rearrangement of players is expected to be beneficial.

Eastern Section

According to arrangements the outcome in the Eastern Intercollegiate will be known tonight after St. Francis Xavier and King's meet at Stellarton.

Moncton To Play Here

A Moncton team is slated to meet a combined Fredericton-Marysville outfit at the Arctic Rink tonight. The local team expects to have Titus in goal, Jarvis, Mark Wade and Edgar Wade for defence, Colwell, Hall, Williams, I. Wade, Brewer and C. Wade for forwards. A fast game is expected. Marysville is to be played by Moncton Wednesday night.

JUDGE NEVER HAD HEARD OF BENNY KAUFF

Admission by the judge who presided over the case in New York in which Benny Kauff was the defendant that he never heard of the ball player recalls the story of the famous statistic who passed his summers at a resort on the North Shore where Jake Stahl was a central figure when he was manager of the Red Sox world's champions in 1912. Some one of the statistic's friends asked if he had met Jake Stahl. "Who is Jake Stahl? I never heard of him" was the finance wizard's reply.

BOSTON NATIONALS GET FAHEY

Boston, March 1—Frank Fahey of Milford, a right handed pitcher was signed yesterday by Pres Grant of the Boston Braves and will go South with the Boston club on the training trip. Fahey pitched for Holy Cross and later was with the Catholic University team of Washington, being successful with both. Connie Mack signed him in 1918.

He and Rube Oldring are said to have had some differences and he was let out by Mack. He pitched independent ball last season. Fred Mitchell and Jack Slattery thought well of him and Ford, who played against him in college games also recommended him highly.

BASKETBALL SQUAD OF U.N.B. AWAY ON TOUR

The U. N. B. basketball squad got away last night for Halifax with a game with Dalhousie University scheduled for tonight and one with Halifax Y. M. C. A. for Wednesday night. The Red and Black has what is thought a good team. The squad is made up as follows: Willett and Dummer, forwards; Bridges, (Captain) centre; Burden and McAndrews, defence; McCavour and Seeley, sparemen.

DAYS THAT ARE GONE.

Come back come back you dear deal days,
When Nell and I made fudge together,
And hovered o'er the stove's hot blaze
Without a care for time or weather.
What wild sweet thoughts within me rose
As Nell splashed milk upon my nose.
People who believe in being fashionable have the flu. The others have the grip, or just a bad cold.

PRECAUTIONS AGAINST FLU

Dr. Copeland, Commissioner of Public Health for New York City, has issued the following appeal in connection with the outbreak of influenza:

To Nurses—The city is suffering from lack of nurses. Please volunteer for service at \$6 a day or 75c. a hour. Persons with practical experience in nursing will be paid \$4 a day or 50c. an hour.

To physicians—Whenever it may be done safely, please urge your patients not to demand a trained nurse. Leave every trained nurse possible for work among the poor.

To clergymen—Advise your congregations about dangers from coughing or sneezing without covering the face with a handkerchief. Persons who find it impossible to refrain from coughing or sneezing should remain at home. Tell the congregation to avoid fear and to practice the ordinary rules of the simple life.

To the public—Observe the rules of simple living. If feverish or otherwise ill, go to bed and call a physician, the well.
