## ALL INDICATIONS POINT TO A SWEEPING VICTORY TOMORROW FOR THE FOSTER GOVERNMENT

### CHEERING REPORTS COMING TO HAND

It is Freely Predicted That the Government Will Take All Six Seats in St. John City and County—Premier Foster Will Have Over 30 Supporters in Next House.

St. John, Oct. 8.—While some uncertain elements have entered into the political contest which closes tomorrow there seems to be nothing uncertain about the return of the Foster Government to power by an increased legislative following. The election of four years ago resulted in the return of twenty seven supporters of the present government and twenty one opposition. The relative standing of the parties practically remained unchanged up to the time of dissolution of the Legislature.

#### A Cheering Outlook

In tomorrow's election it is freely predicted that the government will carry thirty seats, while some political veterans put the number at thirty-five. Of the remaining seats it is expected that several will go to the farmers and labor candidates.

In this city the Government forces are well organized and it is confidently believed by those in close touch with the situation that Premier Foster and his three colleagues will win out by large majorities. It is freely predicted that the county will also go government. Mr. Carson is already eliminated from the contest and the real struggle will be between Baxter, Bentley and Curran with the chances favoring the latter two.

News from the eastern and northern counties is of a most cheering nature for the Government candidates. Premier Foster's visit to Albert County has greatly stimulated the friends of the government and they are confident of electing both of their men.

The polls throughout the province open at eight o'clock a. m. and close at 4 p. m. Should the weather prove favorable there is sure to be a large vote polled.

## OPPOSITION MEETING AT MARYSVILLE

Marysville Oct. 7.—Some of the old time Tory element with quite a few Grits gather at the Knights of Pythias Hall last evening to hear John Young and C. D. Richards of the Opposition ticket try and find fault with the Government. Hon. J. B. M. Baxter of St. John the newly appointed leader of the Opposition party was also present and while he did not say much in favor of the party he represents, he spent much time condemning the good progressive acts of the Government. Mayor Walker an old time Tory was in the chair.

Mrs. Edgar Collings has returned from Stanley where she has been visiting friends the past few days.

Mrs. John H. Flood of St. John is visiting her parents Judge and Mrs. Clayton.

Mr. W. Temple Day left this morning for Sheffield to attend the funeral of his brother John Day of that place.

The Ladies Aid of the Methodist Church and the sewing circle held a joint meeting at the home of Mrs. Geo. Hanson on Wednesday evening. The aid met at seven o'clock and finished their routine business, an hour later the sewing circle arrived a most enjoyable evening was spent at the conclusion light refreshments were enjoyed.

Mr. Joseph Dolphin manager of the Cotton Mill, is away on a big game hunt with Jerry Grant as guide.

G. R. Robinson of the Canadian National Railway at Moncton, is visiting old friends at Marysville.

Little Reginald Clark, son of Mr. and Mrs. Albert Clark is confined to his home with illness.

The home of Mrs. John Stephenson was the scene last Wednesday evening of a very enjoyable affair when the All Together Club of the Olivette Baptist Church met there and had a very delightful time. Refreshments were served.

Mrs. Alex. Gibson of Fredericton spent last evening with friends here. John A. Arnold of the C. N. R. Station staff here left last evening for a

## FLIGHT ACROSS THE CONTINENT WAS RESUMED

Seaplane Carrying Col. Leckie and Major Hobbs Arrived Last Evening—Away Soon Afterward.

The transcontinental flight from Halifax to the Pacific Coast which was interrupted Thursday morning by the crashing of the Fairley seaplane at Whelpley's Point on the lower St. John River, was continued Thursday evening Col. Leckie and Major Hobbs who were in the fallen machine transferring to the hydroplane H. S. 2 L. which came from Halifax in the afternoon. This hydroplane is the same as that which was sent to the assistance of Col. Leckie and Major Hobbs when they were storm-stayed at Kingsclear last week, and followed the Fairley machine to Halifax on Tuesday.

The H. S. 2 L. arrived here shortly before six o'clock and got away again at 7.15 after taking gasoline here. The next leg of the course is to Riviere du Loup, Que. The flight to that place will be a night flight it being dark when the plane took the air here. Rockets and flares are located along the route and will be used to guide the plane. Owing to the accident Thursday the night flying had to be resorted to resorted to sooner than was expected.

#### At Riviere du Loup.

Ottawa, Oct. 7.—Apparently the trans-Canada airplane and seaplane flight is proceeding favorably. Reports received by the Air Board tonight state that the H. S. 2 L. machine, piloted by Colonel Leckie, arrived at Riviere du Loup, the first refueling station at about 10 o'clock A. previous bulletin received here announced that the plane had passed Edmundston, N. B.

## MRS. E. A. SMITH HEARD AT TWO GOVT. MEETINGS

Well Known Lady Made Telling Points Against Opposition—Appealed for Higher Standard.

Mr. E. Atherton Smith of St. Andrew's addressed two meetings in the interest of Government candidates in this vicinity last night and at once won a place for herself in the minds of her hearers as one of the most effective and forceful speakers who has appeared in this section of the province during the campaign. At the Knights of Pythias Hall, Queen Street, she spoke to an audience of women which filled the hall and immediately afterward she was taken to Devon where in the Women's Institute Hall she addressed a general meeting following P. S. Watson one of the candidates and P. J. Hughes.

Mrs. P. S. Watson presided at the meeting at the Knights of Pythias Hall. A most pleasing feature of the gathering was the presentation by Mrs. J. B. Dickson of a beautiful bouquet of roses to Mrs. Smith. Attached to the bouquet was a card expressive of the feeling of gratitude on the part of the Government organization here.

Mrs. Smith's presentation of the case of the Government and her manner of speaking left no doubt concerning the place which women have taken in the politics of today. Her appeal was not only upon the general issues of the day which she dealt with in a clear and forceful manner, but also upon the higher plane of the condition of public life in New Brunswick. She contrasted the position of this province today in the public mind of Canada, with that which it held under the previous administration. Thousands of boys from this province had risked their lives overseas and many had paid the great price in order that right might prevail. The women of New Brunswick would not be doing their duty if they did not vote for better conditions in this province than prevailed under the regime which came to an end in 1917.

At Devon Mrs. Smith spoke along similar lines.

#### Disposing of Vagrants.

A Belgian boy from Minto who was arrested here as a vagrant has been sent back to that place. Leonard Higgs a Nova Scotian also arrested for vagrancy has been remanded in order that disposition of him may be made.

trip to Montreal, Toronto and Winnipeg.

Rev. E. W. Kenyon will hold a evangelistic service at the Main Street Baptist Church next Sunday. There will be special music.

Messrs. Milton Walker and Will Marshall have gone to the Miramichi woods on a big game hunt.

## ALBERT COUNTY WILL BE IN LINE FOR GOOD GOVERNMENT; PREMIER WARMLY GREETED

Held Public Reception at Hillsboro Yesterday Afternoon and Addressed a Great Mass Meeting in the Evening—Rich Mineral Resources of the Province Will be Developed—Oil Possibilities Will Receive Special Attention.

HILLSBORO, N. B., Oct. 7.—Albert county gave an enthusiastic welcome to Hon. W. E. Foster, the popular Premier of the province today, when a public reception was held here in the afternoon and a mass meeting in the evening, the whole making a greeting of which any public man might well be proud. The streets of the village were thronged with visitors during the afternoon and when evening came the large auditorium of the town hall was packed to the doors, crowds being unable to obtain seats.

The Premier and Mrs. Foster arrived at 1 p. m. and were met at the station by Hon. C. J. Osman and Mrs. Osman, by whom they were entertained during their stay in Hillsboro. At 4 o'clock a public reception for the guests was held in the Albert Manufacturing Company's hall, a function which was quite informal and most enjoyable. A large number were presented to Hon. Mr. Foster and Mrs. Foster, and a social hour spent pleasantly. At the close of the gathering refreshments were served by the ladies of Hillsboro. The public meeting in the town hall opened at 8 p. m. When the Premier arrived at the hall with Mrs. Foster and Hon. Mr. and Mrs. Osman, he was greeted with loud and prolonged applause which was renewed with increased volume as the party, with the Government candidates, Arthur A. Stevens and Jacob W. Steeves, took the platform.

Hon. C. J. Osman acted as chairman. Hon. Mr. Osman, in a brief speech, expressed regret that the seating capacity of the large building was not sufficient to accommodate the very large gathering. Mr. Osman also expressed his sincere thanks for the support Albert electors had given the Liberal party in days gone by.

#### Premier Greeted With Applause.

When the Premier was introduced, the big room rang with applause. The Premier first expressed his deep appreciation for the fine reception tendered Mrs. Foster and himself and the very warm hospitality of the good people of Hillsboro. He dealt vigorously with the record of the Flemming and Murray governments, which he said history had shown to be thoroughly bad. He referred to Messrs. Peck and Smith having repudiated Baxter in the potato scandal and now going about the county of Albert endorsing him as their leader. The Premier referred to the farmers and said he had no quarrel with them and was glad there was a farmer on the Government ticket in Albert. His government was entirely in sympathy with everything that aided the productiveness of the country, and strongly criticized statements to the contrary.

The Premier stated that if a resolution asking a referendum on the matter of importation of liquor were introduced he would vote for it.

#### Mineral Resources of N. B.

Dealing with the mineral resources of the Province, the Premier said: "There is reason to believe that the province is possessed of undeveloped mineral resources of great potential value, and the same reasons which have induced the government to proceed actively with developing water powers—a policy which has met with general approval—would seem to justify greater attention being given to ascertaining the extent and value of our mineral resources and taking vigorous steps to ensure their development. In this connection I may say that my attention has been especially directed to the vast deposits of oil bearing shales which, according to geologists, overspread the country for a distance of about 70 miles, extending from Apohaqui in Kings through Elgin and thence through the parish of Hillsboro and on to Memramcook, in the county of Westmorland. In these days of great demand for fuel oil every reasonable effort should be made to extract from the rich oil shales of this district a portion at least of the vast quantities of oil contained in the shale deposits."

## THE CANDIDATES WHO MERIT YOUR SUPPORT TOMORROW

Deliver N. B. from "the old crowd." In the game to win. Canterbury is for the Government. Kingsclear is going to help. South Devon is in the job. Ours will be the victory! Nothing doing, Richards!

We are going to win. Hit 'em hard tomorrow! Rush them to the polls. Imagine how they will feel! Smash the old machine! On the road to Victory North Devon, do your duty.

#### Had No Audience.

James K. Pinder of the Opposition ticket in York and W. S. Tompkins one of the spell-binders were billed to speak at Meductic last night. They cancelled the meeting because there was no audience. Mr. Tompkins is "ex-mayor" of Meductic but seems to be a trifle out of touch with the people of the community.

Carry the whole ticket. Oust the old "back numbers." Be sure and vote early. United we stand! Rah! Rah, for the Ticket! Now all pull together!

Cheer up, boys! Hit 'em hard tomorrow! Rush them to the polls. Imagine how they will feel! See that the vote gets out. Tell them to come early in every polling district! Elect the whole Ticket!

#### Critical Condition.

Mr. H. A. Smith who is ill with pneumonia, remains in a critical condition.

#### Bank Changes

Charlottetown, P. E. I., Guardian: Vernon Fisher, of Fredericton, is transferred to the Canadian Bank of Commerce here.

## HAYWOOD AND NINETY-THREE OTHER I. W. W. MEN LOSE THEIR APPEAL IN CHICAGO COURTS

## ROY VOLO WON 2.12 CLASS AT WOODSTOCK

Straight Heats for Fredericton Horse—College Swift and Zelda the Great Winners Thursday.

Woodstock, N. B., Oct. 7.—Under the finest weather conditions of the season, the first day of the "overcoat" meet was a pronounced success. About 2000 people attended and every event was full of excitement. It was real horse racing and the parlor track was in perfect condition.

It is expected that the races tomorrow will draw an immense throng, as the free-for-all announced will bring together probably the greatest galaxy of horses that has appeared in the east for many years. The following horses will be in this feature: Fern Hal, Zom Q., Lady Grattan, Bill Sharen, Roy Volo, Ben Alt, Blanche H.

## BIG BILL'S SENTENCE HAS BEEN UPHELD

Must Serve Twenty-five Years in State Prison and Pay a Fine of Ten Thousand Dollars—Haywood is Now Reported to be Somewhere in the East.

Chicago Oct. 8.—The sentence imposed on William D. ("Big Bill") Haywood and ninety-three other I. W. W.'s was affirmed yesterday by the Circuit Court of Appeals.

The sentences range from one year to twenty years and the fines from \$1,000 to \$10,000. Haywood, as I. W. W. chieftain, drew the heaviest sentence and fine—twenty years and \$10,000.

Haywood is believed to be in the East. During the time of the New York bomb explosion the Federal authorities immediately began search for him. It was found that he had been delivering lectures in New York, Philadelphia and other Eastern cities.

Twenty-six of the defendants, including "Big Bill," are at liberty on bond. Twelve have completed their sentences and the remainder are still in the penitentiary.

In affirming the lower court's verdict Judges Page, Alschuler and Baker, sitting en banc, struck off the first two counts and only affirmed the sentences of the second two. This, however, will not mean a less sentence in any instance as the entire number were indicted under four counts, and the fines and sentences were to be paid and served concurrently, that is, in paying one fine and serving one sentence the debt with the Government would be squared.

Haywood and the others will now have to serve prison terms for "conspiracy to violate the selective draft" and "conspiracy to violate the Espionage act." These were the last two counts. The first two struck off by the Circuit Court were "direct violation of the Espionage act."

## HOW TO VOTE IN THE ELECTION ON SATURDAY

Polls in both city and county for Saturday's election open at 8 a. m. and close at 4 p. m.

Manner of voting is different from that in Dominion elections. Ballots are provided for candidates of each party. All names of each ticket are on each ballot. If one of them is scratched through and another candidate's name added, that does not spoil the ballot, provided BLACK LEAD PENCIL or BLACK INK is used. All ballots must be on plain (not ruled) WHITE PAPER and written or printed with BLACK INK.

Full name of candidate, as on the ballot may be used, or simply the surname, but if full name is used, be sure and get the initials correct.

Party workers outside the poll can give any elector a ballot. The elector, after giving his or her name to the returning officer is given an envelope to place his or her ballot in, but to do this the elector must go behind a screen. After doing this the elector comes from behind the screen, gives the envelope to the returning officer and waits until he places it in the ballot box before leaving the polling booth.
