OFFICIAL COUNT IN KINGS HAS NOT BEEN COMPLETED

Declaration Proceedings at Hampton Yesterday—Colonel Wetmore, Government Candidate, Led the Poll — George B. Jones Third on the List—Declaration Proceedings Also in Queens and Victoria Counties.

St. John, Oct. 15—Declaration proceedings were held yesterday in several counties, including York, Queen's, Sunbury, Victoria and King's, but in King's only was the election a close one, and the official count was not completed in the latter constituency, so that there was little change anywhere in the situation. The official count in King's will be resumed tomorrow. The postponement of declaration proceedings at Hampton was made necessary by the failure of the deputy returning officers in two polls in Havelock and one poll in Sussex town to send the results of the balloting so that they could be accessible to the county returning officer, Samuel McLeod, the sheriff. The three deputy returning officers are expected to be at the court house tomorrow. The official figures for these polls recorded yesterday, together with the unofficial figures for the entire parish of Havelock and the town of Sussex give the total for the county as follows.

Wetmore (government), 2,753; Dickson (opposition), 2,657; Jones (opposition), 2,700; Keith (government), 2,678; Murray (opposition), 257; Huggard (farmer), 2,547; Flewelling (farmer), 1,510; Roach (farmer), 1,497.

It is not expected that the totals to be announced tomorrow will be materially different from these, and it is probable that a recount will be petitioned for.

When Sheriff McLeod opened his court there were present: Colonel O. W. Wetmore Hon. James A. Murray, George B. Jones, Hedley V. Dickson, W. H. Huggard, H. N. Flewelling and J. F. Roach. J. I. McFadden and A. E. Pearson, of Sussex, appeared as agents for the government candidates, and Councillor Harry Gilbert, of Rothesay, kept tally for the government side. Ralph St. John Freeze, of Sussex, appeared as agent for the opposition candidates and Mr. Huggard represented the United Farmers' party in the opening of the ballot boxes. There were about a dozen spectators in the court room. The proceedings began at 10.30 a.m. and continued until nearly 1 o'clock, when an adjournment was taken until tomorrow morning to await the arrival of the Sussex and Havelock deputy returning officers who overlooked making a return to Sheriff McLeod. One of the Norton deputy returning officers made the same mistake, but the sheriff sent for him and, after two trips by motor car to the court house, a statement of the missing Norton poll was handed to the returning officer and accepted.

It is thought that the missing sheets with the returns from the three polls in Havelock and Sussex town were placed in the large ballot box envelopes along with the ballots. As the returning officer for the county is not permitted to break the seal of the envelopes containing the ballots it was impossible to finish the court yesterday.

The official returns from Studholm parish No. 15 gave Mr. Jones 288 votes instead of 268, as one set of unofficial figures had it on Monday. This correction put Mr. Keith behind the Apohaqui man. During the checking yesterday 291 rejected ballots were reported by the deputy returning officers. Of these, twenty-four were in the parish of Hampton; twelve in Upham, thirteen in Rothesay, sixteen in Norton, twenty in Greenwich, twenty-three in Westfield, nineteen in Studholm, thirty in Kingston, at least thirty-three in Sussex town, thirteen in Sussex corner, six in Apohaqui. Other parishes also had some rejected ballots.

Victoria County
The declaration day result in Victoria county was as follows:
Pickett (Farmer), 1,593; Warnock (Farmer), 1,569; Hon. Mr. Tweeddale (government), 1,409; McCluskey (government), 1,140.

In Queen's County
Gagetown, Oct. 14—The declaration day proceedings passed off very quietly here. The official returns were given as follows:
Dr. J. E. Hetherington (G), 1,995; George H. King (G), 1,971; Alfred West (O), 1,520; William A. Machum (O), 1,488; G. W. Dingee (F), 593; Charles Hughes (F), 565. Sheriff J. Frank Reid therefore declared the two government candidates duly elected. Dr. Hetherington, although laboring under a heavy cold, was in his usual good form when he addressed the gathering, thanking the electors for their fine support on behalf of himself and his colleague, Mr. King. Mr. King

also thanked the electors for the handsome majority given. He spoke at some length regarding an incorrect report referring to his nomination papers published in the St. John Standard of October 13. Addresses were also made by the unsuccessful opposition candidates, Messrs. West and Machum. A former minister of lands and mines of the late Murray government was much in evidence but was not called upon to speak. The defeated U. F. candidates were not present.

The handsome majorities of 475 and 451 rolled up Messrs. Hetherington and King show that Queen's county is out for honest government and appreciated the good roads our representatives have given us.

TAX DODGING IN THE GOOD OLD DAYS

Marietta, O., in 1797 paid \$409.04 for the maintenance of the government, according to a ledger just brought to light from its hiding place of many years.

December 28, 1797, was the date of the first entry in the book. Six years later Ohio became a state.

The county at that time was three times as large as it is today. The tax duplicate showed a total of \$1,310. In the territory allotted to Washington county in 1797 were the towns of Marietta, Gallipolis, Middleton, Adams Waterford, Salem and Bellepree now Belpre.

Six collectors were appointed, with headquarters in Marietta, and these men made their rounds in the "wild land" at the risk of their lives for a wage of \$6.55. Indians surrounded the county, and in some instances the villages, so the tax collector was often lucky to return "body whole."

In 1798, according to the ledger, the district was divided into nine sections instead of six, and nine collectors were chosen. Names of the men are given and their places of residence. The commission chose a board of three members and named a chairman in that year.

Meetings were held at the home of Joseph C. Lincoln, a Revolutionary war hero, and a member of the original Ohio company which settled in Marietta, the first town in Northwest territory.

Judges received 75 cents a day whenever they worked on the bench, the ledger records show. There were quarterly sessions and a judge for each session. Six cents a mile was paid a judge for each mile traveled. The foreman of the grand jury received 60 cents a day and the jurymen 50 cents and 3 cents a mile for travel to and from court.

Disbursements for advertising in Atlantic coast and New England town papers are mentioned in the ledger, showing advertising was a necessity in that day.

So her father, the Count Selim Selim Malagaski, put her in a rubber suit, filled it with air—and lo! she was enormous.

Until she sat on a pin, and—pow! the darn thing blew up. The zippiest of all Mabel's pictures.
