## ANY WOMAN'S STRUGGLE FOR GOOD HEALTH QUICKLY REWARDED

A Simple Home Treatment Now Advocated That Gives Fine Results.

When a woman's face grows haggard and pale, when she is tired all day and ready to cry when night comes, she ought to know something is wrong.

Putting off only make matters worse. The best advice we can give any sickly woman is to test out the following treatment.

At the close of every meal with a dip or two of water, take two chocolate-coated Ferrozone Tablets. This seems to be the best thing going for folks that are tired out, run-down and in need of a strengthening, building-up medicine.

Ferrozone's action aids the three principle functions of the body—digestion, assimilation, elimination. By strengthening digestion it forms an abundance of rich, red blood—this gives good color.

By perfecting assimilation, Ferrozone supplies nutrition—this gives strength, vim, stability.

Elimination is assured because Ferrozone quickens the action of the liver kidneys and bowels—this guarantees the maintenance of vigorous health. Ferrozone puts you on the right road—the one that leads to health.

Not a man woman or child needing blood vigor, endurance—not a person who is weak, nervous or sickly, not a person in ill-health who won't receive immediate help from Ferrozone.

As a tonic and restorative, as a health-bringer and body-builder, Ferrozone is unrivalled. It relieves because it feeds and nourishes, because it contains elements that build up and strengthen. Try it yourself—sold everywhere in 50 cent boxes, 6 boxes for \$2.50, or by mail from The C. F. Chestnut Co., Kingston, Ont.
