

HIGHER MILK PRICES SAID TO BE UNJUSTIFIED

MILL FEED HAS DROPPED STEADILY IN PRICE

Shorts and Bran \$7 and \$8 per Ton Cheaper—Other Feeds Have Dropped in Proportion.

The meeting of milk producers in this city this afternoon for the purpose of arranging for increased price for milk to be supplied to the dairies and dealers in this city and adjoining towns, comes at a time when the price of mill feeds and other products entering into the feeding of dairy stock is showing a pronounced downward tendency. Any argument that the price of feed for cattle justifies an increased price for milk is said to be without foundation.

Prices on the Toboggan Feed has been dropping steadily in price and is much cheaper than it was a year ago. Shorts, bran and corn meal already are on the toboggan and will drop rapidly according to expectation.

Some Instances

Corn meal is now one dollar per bag cheaper than it was last year. Shorts and bran have declined seven and eight dollars per ton and will go much lower. The price of milk can hardly be boosted because mill-feed is dearer.

Came Three Hundred Miles

Harvey L. Richardson, late of Millville, but at present living at Skowhegan, Maine, made three-hundred-mile trip to cast a ballot for the Foster Government at Millville on Saturday last.

Veteran Passes Away

Fred Lovegrove, an old and highly respected resident of Burt's Corner, died at that place this morning, aged eighty-one years. The deceased was a veteran of the Imperial Army, having been stationed in Fredericton many years ago with the 15th Foot, now the East Yorkshire Regiment. He was a bandsman, playing in the Citizens' Band of Fredericton for some years. The funeral will take place Tuesday at Burt's Corner, the Burt's Corner Band attending.

Died Last Night

The death of Amon W. McFarlane, at the age of eighty-three years, took place Friday night at the home of Mrs. Julia Brewer, 93 York Street. Three sons survive, John McFarlane, of Wisconsin, Randolph McFarlane of Pennsylvania, and Coburn McFarlane, of this city. One daughter also survive, Mrs. George E. Foster, of Manitoba. The service will be held at three o'clock Sunday afternoon at the Baptist Church, Lincoln. Interment will be made at Lincoln.

Numerous Heads Arriving

Numerous heads of game animals are arriving at the establishment of George A. Davis, local taxidermist. Dr. J. W. Bowers and G. W. Bowers, of Fort Wayne, Ind., arrived here today after a successful hunting trip in the vicinity of Chipman. Each got a good moose and will have the head mounted. J. S. Bean, of Argentina, Pa., who was hunting with James Somerville as guide, in the vicinity of Taymouth, got a moose and a deer. Dr. A. W. George of Boston, who was hunting with William Griffin, on the Miramichi, got a deer. The moose heads from Bert Moore's hunting ground on the Tobique, also arrived here.

It Makes a Difference

Correspondence to the St. John Globe from Windsor, N. S., under date of the 12th inst. contains the following: "The freshmen of King's, including the coeds, were out on parade on Saturday afternoon. The boys in their pyjamas and the girls in gay attire with conspicuously large neck bows of yellow and green amused the passengers of the evening express for Halifax as they lined up on the platform." If a incident of the kind mentioned occurred at the University of New Brunswick, and Freshmen of either sex were paraded in a railway station, there would be an immediate outcry and anonymous letter-writers would be sending communications to the press inquiring concerning the punishment which should be meted out to the other students. In a denominational institution, so called, hazing seems to "get by."

With "My Soldier Girl"

If a wonderfully clever little girl, who can sing and dance, is any asset to a musical show, then Maxine Lockwood, playing the soubrette role, "Dixie Harris," in the turrette musical comedy, "My Soldier Girl," coming to the Opera House, Monday, will prove a rare treat to theatre-goers, for she is full of vim and dash. Miss Lockwood is one of the famous Lockwood Sisters, well known vaudeville headliners, who has deserted the two-day houses for the legitimate stage, and theatre-goers will welcome this gifted little artist. Moore and Murphy, who are partners in the theatrical world, and popular favorites with the theatre-going public, are being featured again this season with the new edition of "My Soldier Girl." The "Two Bills," as they are called by those who know them best, are a happy pair ever working on new material to entertain their admirers. Moore as a black-face comedian and Murphy favoring the eccentric type, are portraying characters so entirely different, that their partnership no doubt will gain them more fame, perhaps, than either could attain alone.

TUXIS BOYS' CONFERENCE OPENED LAST EVENING AT THE BRUNSWICK ST. BAPTIST CHURCH

Anglican, Baptist, Methodist and Presbyterian Churches, the Maritime Sunday School Association and the Y. M. C. A. Unite in This—Interesting Addresses and Exercises—Educational Trip to Canoe Factory and Educational Film at Opera House—Conference Will Close Sunday.

One of the four Tuxis Boys' Conferences which are being held in New Brunswick opened at the Brunswick Street Baptist Church Friday night. Some fifty boys from Queen's, Sunbury, York and Southern Carleton Counties are in attendance. The conference will continue all today and will close Sunday night.

Among those who are taking part and directing the proceedings are A. M. Gregg of St. John Y. M. C. A. Boys' Secretary for the Maritime Provinces, Rev. F. M. Milligan of Nova Scotia Presbyterian Sunday School Secretary Rev. J. J. Pinkerton of Marysville and Rev. R. H. H. Bulteel.

The Girls' Work Conference for Fredericton also is being held at St. Paul's Presbyterian Church, Miss Mary Allison of the St. John Y. W. C. A. is in charge.

Officers of the conference elected last night are as follows: Vernon Holyoke, Woodstock, Praetor; William Quinn, Fredericton, Vice-Praetor; Nairn McCaffrey, Fredericton, Secretary.

Friday Evening

A Leadership Supper took place Friday evening at 6.15. Rev. F. M. Milligan delivered an address upon "The Importance of Boys' Work". He pointed out that there was a three-fold challenge to men to display interest in Boys' Work. There was the challenge of the world because the world needs strong men, particularly at the present time. Such institutions as the home, the school and the church also deliver their challenge. Another is from the boy himself who needs help. The Tuxis program was developed to meet that three-fold challenge.

A. M. Gregg speaking on "The Tuxis Program and the Boys' Needs", explained the formation of the word Tuxis. X is the Greek initial for the name of Christ T is for Training and S for Service. U is for You and I is for I. The word in its entirety means "You and I with Christ between us". Mr. Gregg outlining the program for the training of boys of fifteen years and more said that the intellectual side of it was to help in schools, the physical side was for athletics and health the religious side was for church work. Service was to be rendered in the home the community and the church. The aim was to develop the all round boy into the all round man to produce better citizens and better Christians.

Boys' Conference

The Boys' Conference opened at eight o'clock, W. M. Burns on behalf

of the local workers and Leslie Booth on behalf of the elder boys welcomed the visiting delegates. Donald Hall of Woodstock replied on behalf of the visitors. The election of officers followed. After their installation Rev. Mr. Milligan addressed the gathering on the subject "Every Boy in Service Every Day." He pointed out that sixty thousand young men of Canada fell in the war and that an equal number returned from the war greatly impaired physically. The task of the coming men would be the harder on that account. Boys must prepare and the Tuxis program would help them. Service was what was needed. The formation of squares four in number then took place. These will compete with one another.

Saturday Morning

This morning there were two interesting papers. That of Vernon Holyoke was "Is the C. E. S. T. a Boy's Problem?" William Harper of the Normal School, read one on "What a Boy Can Do to Help in C. S. E. T." A discussion led by Rev. Mr. Milligan ensued Mr. Gregg delivered an address upon the subject "What Play Does for the Individual." He emphasized the necessity for the proper spirit in games. An address on "The Tuxis Square in Action" followed. The squares then went into action. A conference photograph then was taken.

Inspected Canoe Factory

This afternoon an educational trip to the Chestnut Canoe Factory was taken by the delegates and proved very interesting. At five o'clock an educational film on Creation will be shown at the Opera House. Rev. J. J. Pinkerton of Marysville and Mr. Gregg also are to speak today. A boys' supper with an address by Rev. Bulteel will be delivered this evening. Sunday the closing exercises will take place.
