Miss Grace Larue Kelley Chandler is Now the Defendant for a Change Old Lady Likes to Play With Dolls.

Miss Grace Larue Kelley Chandler, which is as much of her name as the public knows, has a new role in the stage of life and this time, instead of the poor little wife, abused, mistreated, scorned and not given enough to keep a kitten alive, is actually the defendant in an alienation suit. Mrs. Myrtle Tannehill Hamilton, whose husband may yet rank with Booth, sues Grace for \$100,000, claiming that Grace vamped Hale Hamilton into the paths diverging from rectitude, and caused his feet to stray from Eden. She says Grace has procured the makings of a fine jewelry store from Hale.

Mrs. Hester G. Bartol of New York thinks her poor old mother, aged 80, is crazy because she likes to play with dolls, and has petitioned the courts to name a conservator. The mother, Mrs. Maria Hon, has an income of about \$65,000 a year, and a Bar Harbor so-called cottage. Judge Erlanger will see if any other reason than pafng with dolls makes the old lady incompetent to handle her money.

Mrs. Walter Blair, wife of the hot-tempered New York multi-millionaire, has withdrawn her divorce libel on the advice of Supreme Court Judge DeLahanty, and the couple have kissed and made up and with their children have gone to Florida on a new honeymoon. They had "busted up" twice before. Now Walter has given her a half-million outright so she has her own independent income and there will be no more questions about "What did you do with that dollar and a half I gave you last week?"

Mrs. Elizabeth Anderson got her divorce in New York last night in record time from Hilding Anderson, the musical director. She had a couple of very able women detectives tell what they saw when they entered an apartment last December, and His Honor with "hold, enough," signed the decree.

Mrs. George Burch Walkup Marson, daughter of the Bishop of New York, recently married to an Italian officer, has had a little diversion in the published announcement by her former husband, Thomas Walkup, that he is not dead, as reported, and she was not a widow. She divorced him two years ago, he not contesting.

PRESIDENT BEATTY ON Y. M. C. A. WORK.

In a foreword to an attractive little pamphlet issued by the Railway Y.M.C.A. of Canada, Mr. E. W. Beatty, President of the C.P.R., pays a tribute to the work of this association. "The high value of the work," says Mr. Beatty, "of the Young Men's Christian Association in the interests of men and boys has come to be generally and properly recognized, particularly on account of its efforts and accomplishments on behalf of our soldiers during the recent world war. Among the various spheres of the Association's activities not the least valuable is the work of the Railway Branches which minister to the intellectual, the social, the moral and the physical needs of railway men irrespective of race or creed.

"The inception of this work on the Canadian Pacific Railway dates back to 1906 when the building at Revelstoke, B.C., was erected, and so well satisfied were the Company's officers with the experiment tried there that 9 additional branch associations have since been established. These provide home surroundings and comforts for men in train service which away from home and to many employees located at outlying points they afford the only home facilities that are available to them.

"It is not only that good meals and clean beds and baths are provided, but the educational advantages, the recreational facilities and the opportunities for social intercourse amidst wholesome surroundings must necessarily contribute to the well being of the men and benefit the community in which they live, and the Company with which they are employed.

"The eminently satisfactory results of this work on the Canadian Pacific lines in the past for which I desire to express my admiration and appreciation, have without doubt been achieved through the earnest and cordial co-operation of the Company's officers and staffs, and with the continuance of their united efforts the future success of the work and I feel sure, be confidently expected to them."

The Railway Y.M.C.A. provided 40,000 beds to railway men and served 28,000 meals in 1919. Its buildings are valued at \$350,000.

OLD FOLKS NEED MILD BOWEL TONIC

And Should Avoid the Use of Harsh Pills and Drastic Purgatives.

Old people, no matter how sound and healthy, should avoid cathartic pills, purgative water, salts and all such temporary relief measures. They ease conditions today, but bind you up worse than ever tomorrow.

It is better to get the bowels into the habit of performing their useful function at a certain time each day and this can be done by strengthening the muscles of the stomach and bowels by the tonic action of Dr. Hamilton's Pills, a mild laxative that acts as close to nature's way as possible.

Thousands of people, old and young, prevent and cure habitual constipation by using Dr. Hamilton's Pills, a mild yet active medicine that is noted for its promptness in "curing" headaches, belching gas, sourness in the stomach, fullness after meals, liver soreness and muddy complexion. You'll have the best of health, feel good, eat well, digest and sleep well if you regulate the system by Dr. Hamilton's Pills of Mandrake and Butternut, 25c per box at all dealers. Months past and find it an excellent in yellow boxes, 25c.

KAUFF SAYS HE IS NOT TRADED

New Britain, Conn., March 15—William L. ("Larry") Kopf, shortstop of the World's Champion Reds, left this noon for Miami, Fla., after a visit at his home here. Kopf said that he did not believe the report of a trade which would send him to the New York Giants for Kauff and Zimmerman.

THE LITERARY SET.

The late H. B. Irving tells this:

Two dear old ladies sat at the Lyceum theatre waiting for "Robespierre" to begin.

"By the way, who was Robespierre?" asked one.

"Why don't you know?" said the other. "He's the man who was murdered in his bath by Marie Corelli."

"Oh, no, my dear," said the first. "That can't be right, for Marie Corelli is still alive. I remember who it was not. It was Charlotte Bronte."

Then at the end of the story Mr. Irving added: "I once told this anecdote to a duchess. When I finished the duchess gave a kind of puzzled laugh and said: "Poor Shakespeare!"
