

WILL SMOKE PIPE OF PEACE WITH INDIAN WARRIORS

Big Time Promised at the Celebration of the Two Hundred and Fiftieth Anniversary of the Founding of the Hudson Bay Company—Pageant on Red River to be a Counterpart of Old Time Fur Brigade.

Winnipeg, April 20th, 1920—Sir Robert Kindersley, governor of the Hudson's Bay Company, will smoke the pipe with Indians of a dozen tribes at impressive ceremonies at Lower Fort Garry during the celebration of the company's 250th anniversary on May 3.

The pipe of red sandstone has been specially designed for the occasion. Its bowl is carved with pictures symbolic of the friendship that has existed between the Indians and the company for centuries and its stem

bears the totems of all the tribes. It will be presented to Governor Kindersley as a souvenir and will take its place among the company's relics in Hudson's Bay House, No. 1 Lime street, London.

The Indians who will take part in the ceremony will be Crees and Swampy Crees from Hudson Bay and James Bay, Plain Crees from Northern Saskatchewan, Blackfeet, Piegiens and Assiniboines from the prairies and tribesmen from the Athabasca and British Columbia. Many of them

traveled hundreds of miles on snow shoes to reach a railway in coming to Winnipeg to do honor to the old between the company and the Red-most centuries paid allegiance.

The Pageant on the Red River in which the Indians will appear in a counterpart of an old time fur brigade accompanied by Governor Kindersley, will start from the junction of the Red and Assiniboine rivers in Winnipeg and end at Lower Fort Garry. There two ancient brass cannon at the gate will boom a salute. The party will debark from the York boats and canoes and within the walls of the old strong hold where the first peace treaty was signed between Canada and the western Indians in 1871, Governor Kindersley will renew the ancient friendship between the company and the Red-men.

The Indians will pass in line before him and shake his hand and to each brave, Sir Robert will present a medal struck in commemoration of the 250th anniversary. Then one of the chiefs will fill the peace pipe with tobacco, light it with a coal from a camp fire and pass it to the governor. Sir Robert will take a formal puff after which the calumet will be circulated among the tribesmen.

The ceremonies will conclude with an open-air feast at which the Indians will squat on the ground in a semicircle about Sir Robert. Speeches will be made by chosen Indian orators and Sir Robert will reply. Then the Indians will present to the governor a wampum belt, elaborately beaded, as evidence that traditional esteem of the Company still exists.

Never before was such a representative gathering of the tribes as will meet Governor Kindersley at the old Fort that was once the capital of the Hudson's Bay Company in Canada and probably no such council ever will be convoked again.

THE HACKING COUGH STRAINS THE LUNGS

The terrible, hacking, lung-wracking cough that sticks to you in spite of everything you have done to get rid of it is a great source of danger to your health, and the longer it is allowed to stick the more serious the menace becomes.

You can easily get rid of the cough or cold at its inception by using Dr. Wood's Norway Pine Syrup, a remedy that has been universally used throughout Canada for the past 30 years.

Mrs. Samuel Matthews, Portage, P. E. I., writes:—"Last winter I caught a heavy cold, and was laid up for sometime. I had such a hacking cough I could not sleep at night, and did not think I could ever get over it. One day a friend dropped in to see me, and was surprised to see how bad my cough was. She advised me to use Dr. Wood's Norway Pine Syrup, so the next day I sent for a bottle and soon got relief, and by the time I had taken two bottles, my cough was all gone. I doubt there is anything to equal it."

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; 3 pine trees the trade mark; price 25c. and 50c. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
