The Bell Piano

There are some things you can buy by the maker's name alone, and a good piano is one of them. Style and features vary, yet all pianos look much alike on the outside. Unless you are a craftsman enough to judge the merit and structural refinement of a piano; unless your ear is trained to detect the beauties and shades of its tone, there is but one safe and sound basis for preference—the intention, ability and reputation of the maker.

You can be sure of a good piano when you purchase a BELL. Call and see our COTTAGE STYLE.

RARE OFFER TO PUT F. McLEAN IN BIG LEAGUE

Former Fredericton Player will be Tried Out by Quebec Bulldogs—Buckley Pays Bill.

Quebec Telegraph An affair that has rarely if ever been done before has been wired to Manager Quinn of the Bulldogs yesterday. The wire was from D. J. Buckley, who managed the Sydney Millionaires, who challenged Quebec for the Stanley Cup some years ago, and he states that he has a defence-man that has been cutting up capers in the Maritime League and considered a wizard at the game.

Mr. Buckley states that he is willing to personally staid the expense of sending this man on to Quebec providing Mr. Quinn will give him a try out with the Quebec Club. As this is a most generous offer, and one that could not very well be refused under the circumstances, the man will get a try out with the "Bulldogs."

The player on whose behalf this offer is made is Fred McLean of Fredericton who has been residing at Glace Bay in recent years, where he has played both baseball and hockey. Prior to going to Cape Breton he played with Fredericton and with the University of New Brunswick.

CLASSIC RACE IS RENEWED

Oxford and Cambridge renew their varsity boat races on March 27. This rivalry was inaugurated in 1829 and until the war broke out, there was not a break in the succession of these races from 1857 to 1914 inclusive.

DALHOUSIE LOOKS GOOD

Halifax Chronicle: The Dalhousie hockey players seem to have sprung a complete surprise on the fans throughout the Province by their coming off with the honors in the recent trip to Cape Breton. So well pleased are some of the supporters of the collegians that they want to see the collegians tour the main portion of this Province, and, according to report are willing to take the Tigers with them as guests in appreciation of their ability.

CLOSE GAMES SATURDAY

Two more games were played Saturday afternoon at the Fredericton Curling Rink in the Saturday afternoon series. Both were close and interesting. The results were: R. Fitz-Randolph 10, F. A. McAndrews 8; C. W. Hall 13, D. W. Burpee 12.

The following would almost indicate that the International Sporting Club was a trifle hasty in cancelling Wilde's contract:

St. Louis, Jan. 8.—Jimmy Wilde, English flyweight champion, easily defeated Johnny "Babe" Asher, bantam-weight champion of the A. E. F. in an eight-round, no decision bout tonight, according to newspapers.

AN IDEAL TONIC FOR WEAK PEOPLE

**Dr. Williams' Pink Pills Act
Directly on the Blood and Nerves.**

Food is as important to the sick person as medicine, more so in most cases. A badly chosen diet may retard recovery. In health the natural appetite is the best guide to follow; in sickness the appetite is often fickle and depraved.

Proper food and a good tonic will keep most people in good health. Dr. Williams' Pink Pills are the most popular tonic medicine in the world, harmless and certain in their action, which is to build up the blood and restore the vitality to the run-down system. For growing girls who become thin and pale, for pale, tired women, and for old people who fail in strength Dr. Williams' Pink Pills are an ideal tonic. Thousands of people have testified to the health-giving qualities of Dr. Williams' Pink Pills, and in many homes are the only medicine used. Among the homes in which the benefit of this medicine has been proved is that of Mr. E. A. Underwood, Kingston, Ont., who says:—"I have used Dr. Williams' Pink Pills with the most beneficial results. As the result of hard work I was very much run down and my appetite was very poor. I got a supply of the pills which I used regularly for some weeks with the result that they restored me to my old time strength. They also proved a blessing to my daughter, who was in a very anaemic condition, and who seemed not to get more than temporary relief from any medicine until she took Dr. Williams' Pink Pills. She took the pills for about three months, and is now enjoying the best of health. For these reasons I can strongly recommend Dr. Williams' Pink Pills."

At the first sign that the blood is out of order take Dr. Williams' Pink Pills, and note the speedy improvement they make in the appetite, health and spirits. You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

INTERNATIONAL SPORTING CLUB TRIFLE HASTY

Cancels Jimmy Wilde's Contract for Opening—Little English Boxer Now Looking Beter.

New York, Jan. 11.—The opening of the International Sporting Club has been postponed until the completion of its clubhouse, which is expected to be late in the summer or in the fall. In making this announcement Secretary Emple also stated that Jimmy Wilde's contract with the club has been cancelled, and the little Englishman will not have the honor of opening the most important club in the history of the American ring.

Wilde's contract was cancelled because of his poor showing against Jack Sharkey who recently defeated the little Englishman in a bout at Milwaukee. Wilde was a disappointment and the officers of the International Sporting Club decided that he would not do for the opening attraction. A clause in the contract permits the club to cancel the match if Wilde's drawing power becomes affected.

It was originally planned to open the club in temporary quarters in the Lexington Opera House with Wilde and Joe Lynch as the headliners. Now that the match has been called off, there will be no further attempt to head bouts until the club is located in its own clubhouse. This will not be finished until late in the summer.

DESTRUCTION BY VOLCANO IN MEXICO

Mexico City, Jan. 10.—Flames are still being emitted by the new volcano at San Migue, in the western part of the state of Vera Cruz, according to advices received here last night.

It is said volcanic dust has floated as far as Coscomatepec, about 20 miles east of the new crater. Every village in that vicinity has been destroyed.

To Meet on Monday

The newly organized Commercial Club will meet on Monday evening at 8 o'clock in the K. of P. Hall, Queen Street. As important business will be transacted a full attendance is requested.

Hon. W. L. Mackenzie King, the gifted young leader of the Liberal party, will address a public meeting in St. John on the 16th inst. and arrangements are being made to give him a very hearty welcome. Liberals from all parts of the province will gather at St. John to meet the chieftain, and some organization work will be done for the next general election. The people of New Brunswick are heartily sick of the combination now ruling at Ottawa, and will declare for a change at the first opportunity. There should be a good sized delegation from York and Sunbury at St. John on Friday next to welcome Hon. Mr. King and listen to the important message which he will deliver.

Some brides object to the inclusion of the word "obey" in the marriage service and some do not. Others ratify its retention with mental reservations. The results are the same.
