Laugh When People Step On Your Feet

Try this yourself then pass it along to others. It works!

Ouch ! ! ! ! This kind of rough callus on your foot is a sure sign that if people troubled with corns will follow the simple advice of this Cincinnati authority, who claims that a few drops of a drug called freezone when applied to a tender, aching corn stops soreness at once, and soon the corn dries up and lifts right out without pain.

He says freezone is an ether compound which dries immediately and never inflames or even irritates the surrounding tissue or skin. A quarter of an ounce of freezone will cost very little at any drug store, but is sufficient to remove every hard or soft corn or callus from one's feet. Millions of American women will welcome this announcement since the inauguration six boxes for \$2.50, direct from the Co. of the high heels.

"Smith is a queer cuss," remarked Brown.

"How's that?" asked Jones.

"Every time he gets into hot water he gets cold feet," replied Brown.

"Alas!" sighed young Callow, "if only Eve hadn't been so fond of apples."

"My dear boy," said Cynicus, "Eve wasn't so very fond of apples, but that was the only forbidden fruit."

A PROBLEM FOR THE EDITOR

It has been asked whether stepping on a man's corns gives provocation for swearing. Answer: Keep the toes clear of corns by using Putnam's Corn Extractor. It's the best, 25c. at all dealers.

Advancing coal costs should move some bright chap to invent a way of feeding hot air furnaces with tals, which is still as cheap as ever.

BILL TO AMEND ELECTION ACT WAS DEALT WITH

Under Its Provisions Copies of the Voters' Lists Must be Forwarded to the Provincial Secretary-Treasurer—An Interesting Discussion in the Local Legislature on Matters Pertaining to Elections in This Province.

A bill to amend the Elections Act was considered by the Legislature in Committee on Thursday.

It provides that in future copies of voters' lists be forwarded to the Provincial Secretary-Treasurer, whereas under the old act they are only forwarded to County Secretaries.

Hon. Mr. Byrne said that copies of the lists were kept on file at Ottawa and he thought it would be in the public interests to have a copy in the hands of the Provincial Secretary-Treasurer. The question of having the lists printed by the Government had not been considered.

Mr. Baxter said he had his own views in regard to the election law, but they had not prevailed with his colleagues when he occupied a seat on the other side of the House. He had proposed that Revisors be named by candidates of each party and a third by the Governor-in-Council.

Mr. Burchill—How would that work out with four parties?

Mr. Baxter said that he thought the difficulty could be got over in some way. He thought it might be a good plan when sending the lists to the Provincial Secretary-Treasurer to also send copies to the candidates who represented each party at the previous election. His idea was that the lists should be available for both parties.

Hon. Mr. Byrne said that the bill had not been introduced with any attention of taking a political advantage. It was deemed advisable to have a complete list on file in the office of the Provincial Secretary.

Hon. Mr. Foster thought two copies might be filed so that one could be available for each political party.

Mr. McGrath—What would become of the independent?

Hon. Mr. Byrne said that copies of the lists could now be obtained upon application to the County Secretary. Candidates of either party or their agents could get them on payment or a fee, so the bill offered no political advantage.

Mr. Baxter said that while the lists could be obtained there was sometimes delay in getting them which might be overcome if an extra copy was in the hands of the Provincial Secretary.

Mr. Michaud thought it might be well to defer action until they found out if provincial lists were to be adopted in the new franchise act at Ottawa. Under the old act printed copies could be obtained from the Federal Government. That privilege might be abolished in which case it might be advisable for the Provincial Secretary to print the lists and supply them to candidates for a small fee.

Hon. Mr. Byrne said he had no objection to the section standing over for further consideration.

Hon. Mr. Foster said he could assure his hon. friend from St. John County that there was no political advantage to be gained from the bill. It might be arranged to have two copies filed with the Provincial Secretary-Treasurer, so that one would be available for the opposition party.

Mr. Tilley said that two sessions ago he had submitted to the hon. premier some proposed amendments to the Election Act, but had since heard nothing from them. One of his suggestions was that the agents of each party should be required to submit

a sworn statement showing the amounts expended on an election.

Hon. Mr. Byrne said that the Election Act was consolidated by his hon. friend opposite in 1916, and the hon. member should then brought forward his amendment. He felt that any effort to eliminate bribery and corruption in elections was deserving of encouragement, and he would be glad to receive any suggestions along that line.

Hon. Mr. Foster said he believed that electrol lists should be printed and made available to candidates, but he had hesitated to adopt that plan on account of the great expense it involved.

Progress was reported on the bill.

SHE SAYS SHE CAN NOW DO HER WORK

MRS. M. MAGNANT GIVES THE CREDIT TO DODD'S KIDNEY PILLS.

Her Back Ached and She Was Always Tired. But She States She Found the Relief She Longed For in Dodd's Kidney Pills.

St. Lina, Alta, April 9th (Special.) "Thanks to Dodd's Kidney Pills I can now do my work." So says Mrs. M. Magnant, a well known and highly respected resident of this place. Mrs. Magnant was a sufferer from that terrible weariness so many women know.

"My back ached," she says, "and I felt so tired all the time." But she used Dodd's Kidney Pills. She persevered with them, taking sixteen boxes in all, with the result given in the glad words of the opening paragraph.

Other women in all parts of Canada make the same statement. They were weighed down with weariness, weakness and pain, and found the relief they longed for in Dodd's Kidney Pills. For sick kidneys are the cause of the great majority of the ills from which women suffer. To treat them the kidneys must be strengthened so they will strain all the impurities out of the blood.

Ask your neighbors if Dodd's Kidney Pills do not help sick kidneys.

REPORTS ARE GROUNDLESS

Paris, April 8—Reports that Great Britain, and the United States had called upon France to withdraw her troops from Frankfort are really without foundation, it was announced in an official note issued today.

INCREASES YOUR WEIGHT, RESTORES LOST STRENGTH PREVENTS ILLNESS

Every day come new converts to that great army of men and women who rejoice in new-found health that came to them through the use of that wonderful blood-renewing preparation called "FERROZONE." Very simple how it acts. All you have to do is take two small chocolate-coated tablets with a sip of water at the close of each meal.

Ferrozone is a marvel. It contains just what thin blood lacks—lots of iron, but mark you, the kind of iron your blood is able to absorb. Ferrozone puts life and vim into the blood. Makes it rich, red and nourishing. Naturally the body is better fed and grows stronger day by day.

Of course digestion must be improved, and probably the stomach will require aid as well. Ferrozone serves the purpose admirably. Those who use it, enjoy appetite and digestive powers far beyond the ordinary.

That tired feeling is replaced by the buoyant, joyous sensation of health and vigor. Day by day as your strength increases, you feel new energy surging through your veins, and know that a great tonic of great merit is at work.

No remedy more nourishing or uplifting, no treatment so sure to bring lasting health, good spirits and contentment. Ferrozone contains just what run-down folks need; it cures because it supplies more nutriment than you can get in any other way. 50c. per box or six for \$2.50 at all dealers, or by mail from The Cattarhozone Co., Kingston, Ont.
