Mme. Deschanel is kicking about the French government palace already and says that she for one won't live in the hole unless they knock out a few partitions to make room for some bed rooms. Since the Yanks introduced the individual room and twin beds in France, the women have become very fussy. The Eysee Palace only has one bedroom, you know. This is be cause of the French idea of keeping all the friends, in-laws and stragglers BARRISTER, NOTARY, ETC. after the last train has left from spill ing any freak politics at the official hearth.
