CLARENCE WADE TELLS OF H. STEVENSON'S ADMISSION OF SHOOTING ARTHUR L. NOBLE

Most Important Evidence in Preliminary Examination Given Thursday Afternoon---Accused Alleged Breaking Up of His Home as Cause of Shooting---Talked About Matter with Wade and Geo. Allen---Adjournment Until 29th.

The preliminary examination in the case against Herbert L. Stevenson, charged with wounding Arthur L. Noble with intent to commit murder, at Penniac on the night of November 3rd, was continued before Police Magistrate Limerick Thursday afternoon. The examination of W. Harry Allen was completed and Clarence Wade, his nephew, also gave evidence. The testimony of the latter was the most sensational yet given at the examination being to the effect that Stevenson had acknowledged to witness and George Allen that Noble had been wounded intentionally by him. The examination was adjourned to the 29th when Noble will be called.

Wade, who gave what is the most important evidence so far, is well known in various parts of the province as a hockey player being a member of a family which has furnished a number of players for the Marysville hockey team.

W. Harry Allen

When court resumed yesterday at 2.30 the examination of W. Harry Allen by J. B. Dickson for the Crown was continued. Witness stated that Sheriff Hawthorne left his home for the Donald home. The Sheriff returned and told Stevenson that on the information received he could take accused to Fredericton. Accused only remarked "Very well Sheriff, you know your business."

Clarence Wade

Clarence Wade examined by Mr. Dickson said he resided at Penniac. He went to Allen's at eight o'clock on the night of Nov. 3rd. He does not know Arthur Noble personally but knows Herbert L. Stevenson. He saw Noble between nine and ten o'clock on the evening of Nov. 3rd at the residence of W. Harry Allen. His wife, Mrs. Annie Stevenson, wife of the accused was with him. They were at the back of the house near a wood-pile later coming in the porch. They stayed there some time. On learning Noble had been wounded Mr. Allen told him to come in the house. Witness did not see the wound. Dr. Holden arrived at about eleven o'clock Noble went away with him in the car. Mrs. Stevenson remained at the house all night. Witness did not see the accused until about nine o'clock the next morning. Stevenson then came to the Allen home and spoke to Mr. Allen. Stevenson asked to see his wife. Mr. Allen told him first to give up his arms. Stevenson produced a revolver and a large knife. Mrs. Stevenson came out. Witness turned his back. Witness went with the sheriff to the Donald house.

Admitted Shooting

Stevenson asked at the Allen place "Did I get that gink I shot last night, good?" They replied that he was shot through the lung. Stevenson said "That's good." He then wanted to know if he (Noble) was there or had gone to the hospital and was told Noble had gone to the hospital. George Allen, Stevenson and witness

TO BE TROUBLED WITH

CONSTIPATION

THE CAUSE OF MANY ILLS

If you do not feel well and go to your family physician, one of the first things he will do is ask you to hold out your tongue. The reason for this is that the condition of the tongue shows the condition of the stomach and bowels.

If you allow your bowels to become constipated you will have bilious attacks, sick headaches, coated tongue, foul breath, heartburn, water brash, etc., and those troublesome piles, which cause so much annoyance and misery.

Keep your bowels moving regularly and you won't be sick.

In Milburn's Laxa-Liver Pills you will find just the remedy you require for this purpose. They are purely vegetable and do not gripe, weaken or sicken.

Mr. Jas. S. Hargis, Box 934, Halifax N. S., writes: "For two years I suffered with constipation. I could not get anything to cure me, and hardly anything would give me even temporary relief. One day my uncle induced me to try Milburn's Laxa-Liver Pills, and even brought me a vial. I tried them without much faith, but I soon found they were doing me good, and after using the second vial I was relieved of my trouble."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

were present when this discussion took place. Witness said Mr. Stevenson would not stay in the house but wandered around.

George Allen remarked that it was a bad mix up and it was too bad for him (Stevenson). Accused said that it was not too bad. "He got what he deserved. I've killed forty or fifty men in France because I was told they were enemies to my country. This man has tried to break up my home and now that I've shot him I suppose there will be hell to pay. It's a queer old world isn't it."

Was Willing to Go

This was said while in the yard in front of W. H. Allen's home. When witness and the sheriff returned from the Donald house they found Stevenson in the kitchen. The sheriff said to Stevenson, "On the information give by your wife you will have to accompany me down. Will you go?" Accused said "You know your business Sheriff, I'll go."

Mr. Allen gave revolver and knife to sheriff in the presence of Stevenson

To F. H. Peters

Examined by F. H. Peters, Clerk of the Peace, Wade said he was 24 years of age. Lived in this province all his life excepting four years spent overseas. He was not related to any of the principals of the case. Witness was two miles away at the house of Charles Bubar when he heard of the shooting. He came to Allen's in his car. Saw a big roadster with top up and side curtains, near there.

Cross examined by J. J. F. Winslow

To J. J. F. Winslow for the defence. Said he never met Stevenson overseas. On the morning after the affair they talked some of their overseas life and the accused showed a military medal. Mr. Peters strongly objected to this examination stating it was wasting time. Continuing witness said that Stevenson asserted that he had got his medal for blowing up a German strong-point. Witness was also the winner of a Military Medal.

Witness said he did not see "Dick" Richardson that evening but had seen him in that district before.

Mr. Dickson asked for an adjournment to allow Mr. Noble to appear.

Richard Donald was present but was not called as a witness.

Adjournment was made until the 29th November, 10 a. m.
