EYE AND EAR ARE SATISFIED, THE NOSE NEXT

(New York Sun.)

The olfactory nerve is the next to be satisfied in the big movie palaces. Eye and ear already get their fill in the movie houses, where films showing the beauty spots of the world in their natural colors are exhibited to the sound of appropriate music.

The scrapping of sand paper imitates the sound of waves. Explosions are reproduced for two of the animal senses. The entrance of the villain is announced with a crash of cymbals. Missionaries and custard pies float to jazzy ripples of what might be called melody.

The senses of touch and taste must remain unsatisfied at public performances, say those who know, but the sense of smell is due to have its fill as do the two senses that have already been catered to so well.

In the near future movie fans can expect to smell bread baking in the bakery scenes, the fresh smell of newly soaked wetted soil in rainy scenes.

MARITIME HARNESS RECORD FOR SEASON OF 1920, PREPARED BY THE ACADIAN RECORDER

(Acadian Recorder, Halifax.)

The 32nd annual review by the Acadian Recorder of the turf season in the Maritime Provinces shows a continuance of the great progress made in the previous year. Several records were lowered; faster time in general was made than ever before; the fields were larger than usual, and trotters were more plentiful. Both the trotting and the pacing records for the Maritime Provinces were lowered; what is believed to be a new trotting record for Canada for a half mile track, and the records for four and five heat races in the Provinces were smashed. Seven track records were lowered as follows:

	Track record.
Chatham, Peter Farren, 2.07 1/4.	2.08 1/2
Fred'ton, Peter Farren, 2.07 1/4.	2.08 3/4
Woodstock, Oro Fino, 2.03 1/4.	2.11
St. John, Peter Farren, 2.07 1/4.	2.15
Truro, Belle McGregor, 2.10 1/4.	2.16 1/4
Montague, Corwin Hal, 2.13 1/4.	2.19
Garfield, Orwell Belle, 2.18 1/2.	
and Hilda S., 2.16.	2.21

794 heats were trotted or paced in 2.30 or better, or 127 more than in the previous year, or 382 more than in 1918. Six heats were trotted or paced from 2.08 1/2 to 2.10; 84 from 2.10 1/4 to 2.15; 261 from 2.15 to 2.20; 281 from 2.20 to 2.25, and 162 from 2.25 to 2.30.

Peter Farren. Peter Farren, 2.07 1/4, the sensation of 1918, owned by D. O'Keefe, St. John, and driven by W. Brickley, was the fastest performer of the year, lowering the Maritime Provinces record to 2.08 1/2 at Chatham, as well as pacing the fastest three heats on a Provincial track—2.10 1/2, 2.08 1/2, 2.09. He won the fastest four heat race ever contested in the Provinces at Fredericton in 2.09 1/4, 2.08 1/4, 2.12 1/4, Fern Hal winning the third heat in 2.12 1/4.

The Exposer.

The Exposer, 2.06, owned and driven by H. C. Jewett, Fredericton, lowered the trotting record also at Chatham to 2.09 1/2, believed to be the fastest mile ever trotted in Canada on a half mile track, and his three heats, 2.09 1/2, 2.10, 2.11, are also looked upon as the three fastest ever trotted on a Canadian half mile ring.

Bill Sharen.

The sensation of the season was Bill Sharen, owned by A. Alcorn, Blackville, N. B., driven by Peter Carroll, and recently purchased by Thos. W. Murphy, the noted reinsman of Poughkeepsie, N. Y., for \$25,000. He was in 12 races in the Provinces and in Maine and was never defeated; in five different heats he trotted in 2.11 1/4 the fastest mile ever trotted by a horse bred in the Maritime Provinces. At Fredericton he won the fastest four-heat race ever trotted in the

Provinces in 2.11 1/4, 2.11 1/4, 2.12 1/4, Brage, driven by Frank Boutillier sharing the honors by winning the first heat in 2.11 1/4.

Fern Hal.

Fern Hal, owned by Dr. D. H. McAlister, Sussex, and driven by Fred Cameron, shared the honors with Zom Q., owned by Nevers and Bishop Houlton, Me., at Fredericton in winning the first two heats of the fastest five-heat race ever in the Provinces, 2.12, 2.11 1/4, 2.11, 2.11 1/4, 2.12 1/4. Zom Q.'s mile in 2.11 was the fastest mile made by a pacing gelding during the season, and Fern Hal's mile at Moncton in 2.10 1/4 was the fastest of the year by a mare.

The Others.

Dick C., owned and driven by D. A. McKinnon, Charlottetown, was the fastest new pacer of the year with 2.14 1/2, at Charlottetown, Togo M., owned by J. W. Gallagher, Woodstock and driven by Hanafin, was the fastest new trotter of the season, 2.14 1/4, at Fredericton, as well as the fastest trotting gelding, Bill Be Sure, owned by W. G. Fenwick and driven by Jimmy Boutillier, was the fastest Provincial bred pacer of the year, 2.13 1/4, at Chatham. Saskia, owned by W. H. Keyes, St. Stephen, was the fastest trotting mare of the year, 2.15 1/4, at Fredericton. Miss Belle Rico, owned and driven by H. McArthur, was the fastest green trotting mare of the year, with 2.16 1/4, at Charlottetown.

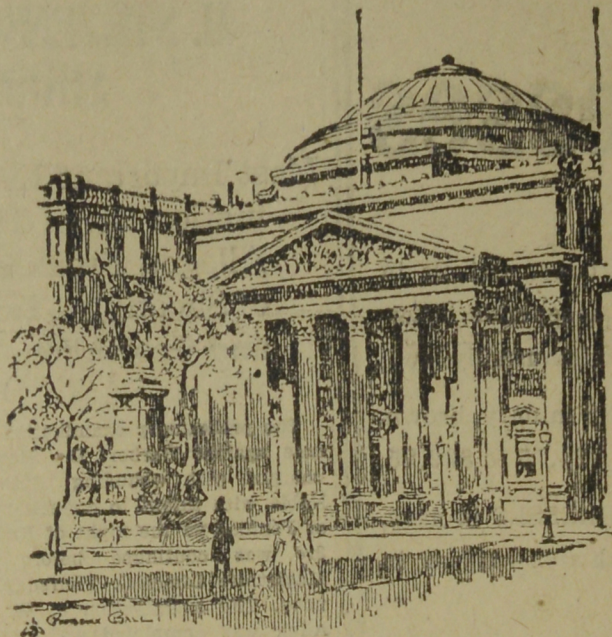

P. K., Jr., owned by Waldo Currie, Truro, was the fastest new pacer of the year bred in the Provinces, with 2.17 1/2, and was really the fastest new performer, as Dick C. previously had a trotting record. Bingen Worthy, 2.17 1/4, owned by L. R. Acker, Halifax and driven by Hood, was the fastest green trotting stallion.

46 new performers entered the list, and 34 others already included therein lowered their records.

Owing to many published summaries not showing color or breeding of a number of the record makers, some of them are missing and we shall be glad to have any of them supplied or corrected.

SYRACUSE, N. Y., PASTOR TELLS HOW HE MADE VISIT TO HEAVEN

Had a Glimpse of the Golden City of God, Heard Song by the Heavenly Chorus, Also Saw St. Peter --- Sensation Came to Him After an Automobile Accident.

Syracuse, Nov. 15.—Dr. Howard G. Case, professor at Syracuse University, and one of this city's most prominent physicians, told a large congregation at the Furman Street M. E. Church last night how he had had a glimpse of heaven and the golden city of God, heard a song by a celestial choir and had a conversation with "an old man with white hair and whiskers," presumably St. Peter. He told this story while describing his sensations during a recent automobile accident, when a car overturned and killed his wife and another woman. Dr. Case was hurt and was in a serious condition for several weeks.

"I did not know anything about the space of time after the car turned over," said Dr. Case, "but I recall hearing a hissing noise. I looked at my wife underneath the wreck and she seemed to be very happy. He face fairly shone with joy. We both turned and then we saw a man with long white hair and whiskers. Then we were amazed to look into the distance and see a golden city.

"The man asked me who was going to rise up and save the world from wickedness. He said it was getting more wicked all the time. I could not give him an answer. There was one spot in the centre of the golden city which seemed to shine brighter than the rest. I asked him why this was, and he said that that was where God had his throne.

"Then he asked me if I wanted to hear some music, and a vast number of voices began to sing. It was certainly the most wonderful thing I ever seen or heard.

"Right after the singing stopped it seemed that the clouds appeared and my wife was separated from me and also from the beautiful surroundings. My wife's loss to me is very great, but I would not want her to leave that beautiful place.

"This look was worth more to me than all the ordeal cost me. It is a comfort and a blessing to know where I left my wife in the vision the man beside me told me that my wife had just been killed in an automobile accident. He said she had been taken

away from me because I had been too extravagant with her. He told me the world was too full of suffering and poverty for a few people to think of nothing but spending money. I had to admit that I thought he was right. My faults have been made more clear to me since that accident."

A. C. FAWCETT WILL LEAD THE U. F. PARTY

Moncton, N. B., Nov. 17.—A. Chas. Fawcett, of Sackville, was chosen leader of the Farmers party in New Brunswick at a caucus held in Moncton this afternoon. Besides the Farmer and Labor candidates in the provincial contest, representatives of the Independent Labor party were present and placed before the meeting proposals for affiliation of the two parties throughout the province. These plans were considered but it is understood that no definite action was taken. The course to be taken in the legislature was said to have been the principal matter dealt with at today's meeting. This evening the following statement was given out for publication.

"A meeting of the Farmer, Labor and Independent candidates at the last provincial elections was held in the Imperial block, Moncton, this afternoon.

"The chief object of the meeting was an interchange of views on questions of provincial policy. The question of cooperating in the house with either the government or opposition parties was discussed, and a unanimous decision was arrived at not to enter into any agreement with either party looking to affiliation.

"On motion of S. D. Guptill, Charlotte, and J. A. Robinson, Westmorland, A. Chas. Fawcett, Westmorland, was unanimously elected as temporary leader of the combined forces.

"Many questions under discussion will be presented to the annual convention of the United Farmers of
