MARYSVILLE

HAPPENINGS

Marysville, Sept. 28.—The funeral of the late Alexander Tait took place Sunday afternoon at 2 o'clock from the residence of his son-in-law Hudson Buchanan. Rev. E. W. Lester conducted the funeral service while the choir of the Main Street Baptist Church sang favorite hymns. The mourners were Arthur Tait, William Tait, Hudson Buchanan, Harry Finnamore and the staff of the machine shop. The pall bearers were Harry Osborne, Samuel Hallett, Moses Staples and Elwood Allen. The floral offerings were very beautiful showing in what esteem the deceased was held by his many friends. Interment was at the Baptist Cemetery.

The Big House was the scene Saturday afternoon of a very enjoyable and successful harvest supper and festival held by the congregation of the Olivette Baptist Church. The large and handsome house was tastefully and beautifully decorated for the occasion, while the supper tables were filled to overflowing with all the goodies in season. Johnston's Orchestra played during the progress of the festival and added pleasure to the affair. The various games were provided for the children and suitable prizes awarded for the different events. In the vicinity of two hundred dollars was realized from the affair.

Sunday was rally day in several of our churches and Sunday Schools. All the meetings were well attended and much good accomplished.

The Reformed Baptist Church services Sunday were unusually interesting. In the afternoon Misses Alice and Helen Sterript of Gray's Mills, Kings Co., addressed the large number present. These young ladies are to leave early in the New Year for South Africa where they will engage in missionary work under the auspices of the Reformed Baptist Church of Canada.

Mr. Sewell Richardson one of our most popular citizens for the past 33 years, left last night for his home in Fryeburg Maine to spend his vacation and take in the Fair which is in progress there this week. Mr. Richardson besides being an excellent mechanic is also an enthusiastic musician and has played the trap drum in the Marysville band for years. He is also a firm upholder of the Greater Production Movement and has gone extensively into potato growing this summer with excellent results.

The salmon run this fall is unusually large. It is a very interesting sight to watch these game fish trying to jump over the dam, having not yet discovered the fishway.

At the evening service of the Reformed Baptist Church Sunday, Dr. A. P. Gauthier preached a very able and instructive sermon. Mrs. Gauthier sang a solo, which was much enjoyed.

Mr. Thomas Weaver and son of Chipman, Queens County, were the week end guests of Mr. and Mrs. Nicholas Stewart.

L. S. Elliott has bought a new automobile.

Chester Cochran who has been suffering from LaGrippe is slowly recovering.

John A. Arnold the popular assistant station agent is spending his holidays in Upper Canadian cities. Mr. B. Wallace of Stanley is taking his place while away.

Herbert W. Smith station agent at Centreville is spending a few days in town.

Fred Youmans of the C. N. R. employment at St. John, who has been spending his holidays at his old home here returned home yesterday.

Mrs. A. J. Macpherson who fell a few days ago while hanging out some clothes and was painfully injured, is resting easier, and it is hoped she will soon be as well as ever.

Mrs. J. W. Osborne who has been visiting friends in Woodstock has returned home.

The many friends of Miss Mary Gailley are glad to hear that she is recovering from her recent illness.
