

SIX MONTHS SENTENCE FOR TENTH MAN

**McGOWAN, C. N. R. MAN,
GIVEN SAME AS OTHERS**

**Railway Authorities Now Con-
ducting Investigations in
P. E. Island—Ticket of
Leave Possible.**

Ten prisoners now are serving sentences of six months each in York County jail as the result of prosecutions of C. N. R. employees by the railway authorities in connection with the frequent thefts of freight which were reported from Napudogan. The tenth prisoner to go to jail was Harry McGowan of Moncton who was sentenced by Police Magistrate Limerick here yesterday. An eleventh man who is accused of theft will be tried on the 30th inst. He is James Doreus who defended his case before the police court and was sent up for trial. Doreus is now out on one thousand dollars bail.

Various Articles

The majority of the convicted men stole rye whiskey from a freight car or shared the stolen goods. McGowan who is a driver was convicted of theft of shoes, tobacco and other articles.

Expected to Have Good Effect

The convictions obtained in connection with the Napudogan thefts are expected to have a salutary effect on all parts of the C. N. R. system in the east. Theft of freight have not been peculiar to Napudogan or even to the C. N. R. lines in New Brunswick, but have been quite general. The C. N. R. authorities at the present time are extending their investigations to Prince Edward Island where thefts have been numerous.

Ticket of Leave

There is conjecture as to whether or not application will be made for the release of the prisoners now in jail here on ticket of leave. Practically all are men with families dependent upon them. Their positions with the railway already have been lost.

In New Quarters

Dr. Vernon Coffyn has removed his office and residence to the Seery homestead on Brunswick Street.

Special Services

The special Forward Movement Revival will continue each evening at George St. Baptist Church next week beginning at 8 o'clock except Saturday. Rev. H. H. Ferguson will be special preacher assisting the pastor.

Large Week-end Market

There was a very large week-end market today. The farmers throughout the districts report roads in good condition. Eggs sold at 60 and 65 cents a dozen. Butter at 65 cents a pound, potatoes, \$4 a barrel, carrots, \$2.50 a barrel, turnips, \$1.00 a barrel, wood \$4 to \$12 a load, veal 15 to 22 cents a pound, beef 14 to 17 cents a pound, hay \$30 to \$35 a ton.

Moving Pictures

Dorothy Phillips does some of the best work of her career in "The Road to Happiness", which is the week-end bill at the Opera House. She takes the dual role of two sisters—one a Russian Bolshevik and the other an American society girl. At the Gaiety Theatre the week-end bill is the irresistible Madge Kennedy in the comedy success "Strictly Confidential". A good serial completes the programme.

Black Fox at Centreville

The Centreville correspondent of the Carleton County Observer writes: Considerable excitement prevailed last week, just below town when several got their peepers on a black fox. Forthwith everyone became a Nimrod and went forth to do battle with Black Beauty. Ted Hill succeeded in cajoling Reynard out behind the barn, where he slew him with despatch. A fox had been lost from the farm at Bridgewater and the proprietors hearing of the episode, came over and confiscated the pelt.

Pythian Activities

There was a special meeting of Fredericton Lodge No. 6 Knights of Pythias, held at Castle Hall, Friday evening when five pages were advanced to the rank of Esquire. Many lodge members were present and a pleasant time was spent by all. Grand Chancellor R. B. Wallace and Past Chancellors Charles H. Weddall and Geo. Haviland went to St. John yesterday to attend the ceremony of the organization of a Knights of Pythias lodge at West St. John. Over three hundred members of the order were present. The new lodge starts with a membership of sixty and promises to be a great addition to the already large number of St. John lodges.

WAR MEMORIAL IN FREDERICTON TO TAKE FORM OF MONUMENT—OTHER MUNICIPALITIES ASKED TO ASSIST

Committee in Session Last Night—Another Meeting on April 6th—Sunbury and York County Councils and Devon and Marysville Town Councils Asked to be Represented—Few in Favor of Erecting a Building.

The War Memorial Committee met last night and decided that the memorial of the Great War in Fredericton should take the form of a monument. The cooperation of the Municipalities of York and Sunbury Counties and of the Towns of Devon and Marysville is to be sought and another meeting held here on the afternoon of Tuesday April 6th at which the governing bodies of those towns and counties will be represented. Judge Crocket was appointed chairman of the committee. E. Allison McKay, Secretary and G. N. C. Hawkins, Treasurer.

Those Present

The meeting was held in the Fredericton Board of Trade Rooms. Those present were:

Hon. Judge Crocket, J. J. F. Winslow, Chancellor Jones, Col. T. G. Loggie, J. T. Jennings, His Lordship Bishop Richardson, G. N. C. Hawkins, Ald. F. L. Cooper, Hon. Judge Barry and ex-Mayor R. B. Hanson.

Chairman and Secretary

On motion of Col. Loggie, Judge Crocket was elected chairman of the meeting. On motion of Col. Loggie, E. A. MacKay was elected secretary of the meeting and minutes of the meeting held February 20th were read. The resignation of Mrs. Osborne from the committee was read.

J. J. F. Winslow moved, seconded by Mr. Hawkins that Hon. Judge Crocket be permanent chairman of the committee. Judge Crocket thought the proper person for the office was mayor of the city.

After some discussion it was decided that Judge Crocket be chairman protem pending the return of the mayor.

On motion of Col. Loggie, E. A. MacKay was appointed permanent secretary of the committee.

On motion of J. J. F. Winslow, G. N. C. Hawkins was appointed permanent treasurer of the committee.

Judge Barry thought it would be better to appoint some other in his place owing to the fact that he was already on the U. N. B. memorial committee, although he was ready to give

this committee what assistance he could.

Form of Memorial

It was thought that the first thing the committee should determine would be the form the memorial should take.

F. L. Cooper spoke in favor of some form of a monument and expressed himself as not being in favor of a soldiers' home, or alterations of Government House or any other form of building.

J. J. F. Winslow said he understood that the Dominion Government intended to build Soldiers' Homes.

Bishop Richardson expressed himself as being in favor of Ald. Cooper's idea, and also said he was in favor of the setting apart of some day to be the Decoration Day in connection therewith.

Col. Loggie also was in favor of a monument. A Soldiers' Home as well as costing about \$40,000 would require as much in endowment. He mentioned as a suitable spot the lower part of the Cathedral lot.

Discussion

Bishop Richardson thought the Cathedral people would be glad to hand the lot to the city for such a purpose.

Judge Barry thought the form should not be decided without a full meeting of the committee.

The chairman thought that something should be done now. No headway could be made without the form being first decided.

Mr. Hawkins thought that a monument was the only reasonable form.

Mr. Jennings thought that anything in the nature of a home was impossible.

The monument would probably be the best form. In the east enough attention had not been paid to instilling reverence for martial achievements in the minds of the young people. He thought a Decoration Day would be a good idea.

Monument Decided Upon

Mr. Hanson thought the monument to be the only form feasible. It was moved by Col. Loggie seconded by (Continued on Page Four).
