

ST. PIERRE CASE WILL CONTINUE TOMORROW

ATTORNEY GEN. LEFT
FOR EDMUNDSTON

Factional Feeling High in That
Town — New Evidence
Recently Discovered
will be Presented.

The preliminary examination of St. Pierre who is held at Edmundston for the murder of Miss Minnie Stevens, a Western Union telegraph operator, will be resumed at that town on Friday. New features of evidence are reported to have been discovered recently. These will be disclosed at the preliminary hearing.

Purely Circumstantial.

So far the evidence against St. Pierre is entirely circumstantial but as far as it goes is strong. The statement of the boy Magoon that he met St. Pierre on Emerson Avenue the night the crime was committed and that St. Pierre offered him money and liquor to keep silent is a great strength to the Crown case. There also is understood to be evidence to show that the perpetrator of the crime was under the influence of a drug which would go far toward accounting for the ferocity displayed in the horrible deed.

Feeling is High.

A feature which has appeared in the case which usually is not observed in such prosecutions is the intensity of factional feeling in and about Edmundston. What effect this will have on the future conduct of the case is problematical.

Attorney General There.

Hon. J. P. Byrne, Attorney General, who was here attending the meeting of the Provincial Government, left last evening by C. N. R. for Edmundston to appear for the Crown when the inquiry is resumed tomorrow.

Entertained at Tea

Mrs. J. Harold McMurray was hostess Wednesday afternoon at a charming tea.

Harness from Woodstock

Artillery harness from Woodstock was brought down by C. P. R. last night for the gun-teams which hauled the captured German guns in the Armistice Day celebration here today.

The Appeal Court.

The Appeal Division, Supreme Court Wednesday afternoon heard argument in James Goodfellow vs O'Brien Limited. R. B. Hanson, K. C., for the defendant supported an appeal from the Northumberland County Court. J. J. F. Winslow contra. The case was continued this morning.

To Wed at Montreal.

Captain the Earl of Minto, D. S. O. will wed Miss Marion Cook daughter of Mr. and Mrs. G. W. Cook of Montreal. The Earl was in Fredericton on the staff of His Excellency the Governor General, the Duke of Devonshire. As a very small boy he accompanied his father on an official visit to Fredericton, when the late Earl was Governor General.

Former Chaplain to Preach.

At the Fredericton Methodist Church on Sunday next the preacher will be Rev. (Major) J. B. Clark of St. John. This clergyman served in the war as a private in a battalion of the C. E. F. and was given a commission on account of the ability displayed by him. After being wounded he was transferred to the chaplain service and in it was advanced to the rank of major.

Wedded on Wednesday.

The Brunswick Street Baptist parsonage was the scene of an interesting event yesterday afternoon, when Rev. G. C. Warren united in marriage George Gullford Kelly and Myrtle Irene Kelly, both of Kingsclear. The happy couple were attended by Helen Mable Kelly and Frank J. Feeney, both of Kingsclear. The bride who is a daughter of Mr. and Mrs. Arthur Kelly of Kingsclear, has until recently been engaged in teaching school. Mr. and Mrs. Kelly will make their home at Kingsclear where the groom is a prosperous farmer.

The Armistice Bazaar.

The Armistice Bazaar at the Arctic Rink last evening was a grand success everybody enjoyed themselves and the music by the Knights of Pythias Band was excellent. The rink which has been beautifully and tastefully decorated looked very inviting while the several booths and wheels of fortune all did a rushing business. The prizes offered are very valuable and worth getting. The refreshment booths which are conducted by the ladies did a good business. The hot dogs and coffee took well. The Bazaar will be continued tonight and tomorrow night.

Wedding in Devon

A quiet wedding took place at the United Baptist parsonage, Devon, on Wednesday when Miss May Close, daughter of Mr. and Mrs. Alfred Close of North Devon became the bride of Charles Titus of South Devon. The ceremony was performed by Rev. H. H. Ferguson in the presence of a few friends of the contracting parties. On account of a recent death in the family of the bride, her brother Woodford Close having been the victim in an unfortunate hunting accident, Thanksgiving Day, the wedding was very quiet. The bride was the recipient of many beautiful gifts. One was from the choir of the Devon United Baptist Church of which she is a member. Mr. and Mrs. Titus will make their home in South Devon.

REV. W. D. WILSON WILL CARRY ON FOR THE MONTH

HIS RESIGNATION
PRESENTED YESTERDAY

Will Resume Duties as Field
Secretary of New Brunswick
Temperance Alliance
—His Career.

Rev. W. D. Wilson will carry on as Chief Inspector under the Intoxicating Liquor Act, 1916, until the end of the present month. After that date he will resume his duties as field secretary of the New Brunswick Temperance Alliance. Organization and other activities will occupy his attention.

Rev. Mr. Wilson has occupied the office of Chief Inspector since April 4, 1917, a period of about three and a half years. The Prohibition Act went into effect on May 1st of that year and he has been in charge of its enforcement for upwards of three years. Prior to taking the appointment he was field secretary to the Alliance in this province and previous to that he held a similar position in Prince Edward Island. Rev. Mr. Wilson is a native of Scotland and was engaged with his father in that country in coal mine operations in his early years. He removed to Cape Breton to engage in mining and while there decided to become a clergyman. After a course at Acadia University, Wolfville, N. S., he entered the Baptist ministry and shortly afterward became closely identified with temperance reform.

Premier Foster announced last evening that the resignation of Rev. Mr. Wilson as Chief Inspector had been presented to the Provincial Government and had been accepted. There had been no consideration of the matter of a successor.

It had been reported for some time that Rev. Mr. Wilson would retire from the provincial appointment and at its last meeting the government asked for definite action from him in that particular.

HOLD-UPS LOOK LIKE JOKES.

Another Last Night on York Street—
Victim From Same House as
the Other.

Another hold-up took place in York street last night and under circumstances which make the hold-up of Edward Archibald and that last night appear like jokes of the same class. The victim last night was a son of Mr. and Mrs. W. E. Perley at whose house Archibald is a boarder. Perley was seized by some one who leaped from behind some bushes and was dragged around for a time. He had left the house to escort a lady to it.

The police believe that both hold-ups were perpetrated by the same persons who have a peculiar sense of humor.

No Change Here.

Although bread has dropped a cent a loaf in Winnipeg and other places no change in the price has yet been announced in this city. Probably the bakers have not yet been advised of the drop in the price of flour.

LESS THAN HALF USUAL LUMBER CUT THIS YEAR

UNCERTAINTY CAUSES
GENERAL CURTAILMENT

E. Burt Lumber Co. will not
Cut a Log — Pulpwood
Operation Cancelled
recently.

The general expectation that the lumber cut in New Brunswick during the season 1920-21 will be not more than a half cut is justified by the reports which come in from all sources. Some operators will curtail their operations much more than fifty per cent. and some will not cut at all.

Will Not Operate.

One of the firms which will not operate at all is the E. Burt Lumber Company with mill at Burt's Corner, York County. Elwood Burt of this city, president, stated recently that the company would not cut a log for any purpose. Three and a half million feet are being carried over by this one firm. A contract for some ten thousand cords of pulpwood had been taken by this company and preparations made for the sending of crews on operation. The firm with which the contract had been taken, however, found that the market would not justify the carrying out of the agreement at the price set and cancellation was made. Uncertainty as to future prices is the cause of this curtailment.

Less Than Half the Logging.

Donald Fraser of Plaster Rock of the well known Fraser Lumber Companies, Limited, stated while in Fredericton this week that it was doubtful if the logging in the province during the coming winter would be half of what it usually is. The fact that large quantities of logs will be carried over at the mills and elsewhere, will tend to reduce the cut, he said. Mr. Fraser stated further that the labor situation was not encouraging as far as lumber operations were concerned. Many firms would operate in order to keep their organizations intact, although the operations would be on a reduced scale. Labor showed an uncertainty which made contractors cautious. Mr. Fraser also expressed the opinion that the shipping situation was not as encouraging as some persons would have the public believe. Improvement to the extent desired, he believed was far away.

Died in London.

St. John Globe: A cable message received by Dr. Murray MacLaren, C.M. G., today, brought news of the death of his uncle, Robert Jardine, London. Mr. Jardine was the youngest brother of the late Mrs. Lawrence MacLaren, and was the last of his generation. Although in his 90th year he was quite active to the end of his life. Mr. Jardine was a bachelor and his home was in Kensington Palace Garden, London. He had been engaged in the East Indian business and had been abroad a great deal.

A. J. Love of Montreal is in the city today.
