

## REMAND TILL TUESDAY IN THE STABBING CASE

GREAT INTEREST IN THE  
BURKE AND O'REE MATTER

Counsel Appears for Burke—  
O'Ree and Informant, Es-  
tey, Not Represented  
in Court.

Keen interest was manifested by the public in the case of Edward Burke and Charles O'Ree charged with assault on Arthur Henry Estey with intent to murder, and who came before Police Magistrate Limerick this morning. The courtroom was crowded when the case was billed. The magistrate merely remanded the accused until Tuesday morning next at ten o'clock.

**Counsel Appeared**  
Burke was represented by counsel, Charles L. Dougherty of the firm of Slipp & Hanson appearing on his behalf. The other parties in the case were not represented.

**Rumors Concerning the Matter**  
There are numerous rumors concerning the stabbing of Estey which he alleges was done by Burke after O'Ree accosted him in the street. One is that the informant maintains that he has made no mistake in the identity of his assailants, who ran toward the C. N. R. bridge after he was stabbed late Tuesday the 19th.

**In Hospital for Operation**  
Mrs. C. H. Coll of Minto arrived here yesterday by motor and registered at the Queen Hotel. She entered Victoria Hospital here today for an operation.

**Purdy Again on Route**  
The steamer D. J. Purdy on the St. John-Fredericton route on the St. John river arrived here last night. She went aground at Middle Island some miles below Fredericton, Wednesday afternoon but was towed off Thursday.

**London Papers in Error**  
Canada, a London periodical published to give accurate Canadian news in England, sometimes falls down on the job. In its last issue Canada says Hon. P. J. Veniot was defeated in the recent general elections. This will be news to Bennett, Hachey and other opposition stalwarts, who had the misfortune to part with their deposits in Gloucester. The London Times also made the same blunder.

**Ask for Civic Half Holiday**  
At the meeting of the U. N. B. Students' Association held today a committee, the personnel of which is: R. G. Abrams, D. R. Bishop and H. F. G. Bridges, was appointed to interview His Worship the Mayor regarding the matter of a civic half holiday on November third, the date of Acadia's visit here. It was pointed out in the discussion that a civic half-holiday occurred during the races held here in September and it was believed that in repeating this the city was lending equal support to no less worthy a cause.

**Slander Cases Heard**  
In the Halifax Supreme Court, on Tuesday, the case of Hildred Sarah Rhind vs. Gilbert Cole was taken up. The plaintiff claimed that the defendant made statements damaging to her character, whereby she lost caste in the Presbyterian Sunday School at Elderbank, of which she was a member, and was shunned and abandoned by friends and acquaintances. She claimed \$1,000 damages for slander. The jury found a verdict for the plaintiff for \$300 damages. In the case of Ogilvie the plaintiff against Robert S. Ogilvie the plaintiff asked for \$2,000 damages for slander by making a statement to a man named Cruikshanks. Judgment was given for the defendant with costs.

**Lancashire Operators**  
Some of the Canadian cotton mills, including the Gibson mills of the Canadian Cotton Co., Ltd., at Marysville, are engaging operatives who have been thrown out of work by trade depression in Lancashire. A party of eighty Lancashire operatives, the majority skilled workers from the mills in the Manchester district, arrived in Quebec this week to take positions in the Verdun mills of the Dominion Textile Co., Ltd., Montreal. The party consisted of thirty men and fifty women. In all there were 400 operatives in Manchester ready to sail for Canada, but as housing conditions in Hachelaga, Valleyfield, Magog and elsewhere are congested it was not considered desirable to engage all at this time.

**Sub-Inspectors Active**  
Allan McLaughlin of Grand Falls and his sub-inspectors, Messrs. Melanson, Picard and Daigle, have been active again in Madawaska county during the past week. Several offenders against the prohibitory law have been taken before Magistrate Michaud at Edmundston, who assessed fines totaling more than \$3,000. The inspectors have seized more than 300 gallons of liquor in the county at various points. It requires vigilance night and day in Madawaska to head off the individuals who endeavor to run in liquor from over the border in Quebec province. All the rum-runners are not by any means residents of Madawaska county. Some are residents of Maine and others belong to Quebec. The inspectors in that section of this province have been more successful for some time in arresting the illegal traffic than have the officers on the Maine side where there is a much longer frontier to guard.

## IMMEDIATE REMOVAL OF ALL STABLE MANURE

BOARD OF HEALTH  
DECIDES ON ACTION

Matter Considered Under Nuisances—General Condition  
City Good—Milk Greatly  
Improved.

The Board of Health of the Fredericton Sub-District held its regular meeting last night in the Board Office, Queen Street. The most important business was the decision to order the immediate removal of manure from livery and other stables to improve sanitary conditions in the city. This action was taken in connection with consideration of the question of public nuisances.

**Reports Received**  
The report of Sanitary Inspector A. C. Fleming was received. Conditions in general were reported satisfactory. Notifiable diseases during the past month had been as follows: diphtheria 5, scarlet fever 1, measles 1, typhoid 1.

**Milk Greatly Improved**  
The report of H. H. Hagerman official analyst on the milk supply showed that the milk had improved to a marked extent in fact the improvement was greater than had been noticed in several months. The water supply also was reported to be excellent.

**Vital Statistics**  
Vital statistics for the sub-district for the month were reported as follows: nine births, twelve deaths, and twelve marriages.

## CABARET DANCE SUCCESS

Large Attendance at the Vocational  
School Last Night.

The Vocational School last night was the mecca of all those who for the last few weeks have been looking forward to a good time at the Cabaret Jazz and they were not at all disappointed for the hard work of the ladies of the Picardy Chapter of the I. O. D. E. made the affair not only a novel one but without doubt the best dance held in the city for some time.

The hall was prettily and tastily decorated in a Halloween effect and tables were arranged around the entire room where refreshments were served by the ladies.

Tennant's orchestra furnished music for fifteen dances between which were singing and dancing specialties by Miss McDonald, daughter of Mr. and Mrs. E. O. McDonald, Miss Eva Brewer, R. G. Cooper and Miss Deedes also a folk dance by a chorus of young girls.

G. N. Golding, of Cambridge, Mass., is in the city.

## ELEVEN DOLLARS PAID AT HAVANA FOR POTATOES

HON. J. F. TWEEDDALE  
GETS CHEERING NEWS

Encouraging to New Brunswick  
Growers—Minister Com-  
ments Upon Adverse  
Editorial.

Hon. J. F. Tweeddale, Minister of Agriculture, has received information concerning the potato market in Cuba which is calculated to give encouragement to producers in this province who have suffered from a depressed market. Hon. M. Tweeddale has been informed that the Nova Scotia Fruit Growers' Association which ships potatoes in large quantities has received eleven dollars per barrel for them at Havana.

**Hon. Mr. Tweeddale's Position.**  
Commenting today upon editorial reference to himself which appeared in the local Conservative organ Thursday, Hon. Mr. Tweeddale said that he was represented in that article which was built around an interview which that paper itself had asked for as opposed to the United Farmers. He had no quarrel with the United Farmers and was pleased to see them aid themselves through co-operative organization. Remarks which he had made concerning the future prices of potatoes, which also had been referred to editorially, were merely what would be based upon the expectation of a Republican presidential candidate in the United States being elected.

**Had Aided the Farmers.**  
Continuing Hon. Mr. Tweeddale said that no amount of political prejudice displayed by the newspaper to which he referred would convince the farmers of the province that he had not administered the Department of Agriculture to their advantage in every respect.

**Another Expansion.**  
R. Chestnut & Sons have found it necessary to provide additional office accommodation to meet the demands of their large and expanding business. The new office will be located on the upper side of the store well to the rear and will connect with the salesroom. Besides offices to be used by the accountants and stenographers there will be rest rooms, one for the use of patrons and the other for the staff. It is expected to have the new offices ready before Christmas.

**Death at Marysville.**  
Mrs. Elizabeth Nash of Marysville died this morning at her home in that town aged seventy two years. Three sons and three daughters survive. The sons are Ira, Sylvie and Israel all of Marysville and the daughters are Mrs. Louise McCarthy of Bangor, Me., Mrs. Marie Jarvis of Boston, Mass., and Mrs. Matilda Eatman of Marysville. The funeral will take place at 1 p. m. Saturday, with service by Rev. H. H. Ferguson. Interment will be made at the Methodist Cemetery at Marysville.
