SENIORS WON THE "WEE NEILLY" MATCH YESTERDAY

The Seniors defeated the Juniors in the "Wee Neilly Match" at the curling rink last evening by a margin of seven points, the total scores standing 85 to 78. Several good majorities were made by various Senior rinks over the Juniors in the three contests and vice versa. At the close of the first contest at five o'clock the score stood three points in favor of the Seniors and they also led by a score of one point at the close of the second contest which finished at 9 o'clock. The third contest was watched with great excitement by "The Young Things" and when it was evident that the Seniors were ahead the majority of those who watched the third contest left to finish up the remaining "eats". At six o'clock the members adjourned to a sumptuous repast in the upper room being supplied with all kinds of grub. At 7 o'clock sharp the second contest began several changes being made in the rinks and skips, some who were to play in the second contest playing in the third instead and vice versa.

MUNICIPAL HOME DECIDED UPON BY YORK COUNTY

Continued from Page One.
or Hapson and Sheriff Hawthorne stated Judge Wilson had no authority to order the extra food. Sheriff Hawthorne stated further that if extra food was to be given all prisoners the jail would be filled.

Coun. Brewer said it was proper to give a sick man extra food. The Buildings Committee might well have the matter in its hands.

Warden Everett said that the trouble was that Judge Wilson believed he had the power.

County Solicitor Richards said the way to deal with the matter was to refuse to pay the bill.

Coun. Brewer said there was a general feeling that jail fare and jail conditions should be better. He was a strong advocate of a jail-farm.

Coun. Murray pointed out there was but one prisoner and he could not work a farm.

On the motion of Coun. Cowperthwaite the matter of extra food for jail prisoners was placed in the hands of the Buildings Committee.

Coun. McMullen said that he did not understand the motion for the Municipal Home or he would have voted for it.

Coun. Brewer moved that the appointment of commissioners be made the order of business for 2 p. m. Carried.

To Coun. Dougan the statement was made that a commissioner would not necessarily be a councillor.

County Officers.
County officers were elected as follows:

Secretary-Treasurer—Mrs. A. O. J. Glen.

Solicitor—Charles D. Richards.

Auditor—Robert Carter.

Caretaker—Thos. Davidson.

Salaries were made the same as last year.

Warden Everett was appointed the county's representative on the Victoria Hospital Board.

The customary fees were voted the Warden, chaplain, constable and reporters.

Municipal Home Comm'rs.
The motion of Coun. Brewer was rescinded and the council proceeded to the appointment of municipal home commissioners, the appointment being contingent on future legislation.

The latter were appointed as follows:

Douglas, Coun. Fred Seymour.

McAdam, Coun. W. J. Murray.

Dumfries—Coun. Hiram Manuel.

Manners—Sutton—Coun. Frank Co-burn.

Prince William—Coun. Wm. McMullin.

Bright, Coun. John T. Christie.

North Lake, Coun. A. C. Wetmore.

Canterbury, Coun. John Fleming.

Queensbury, Coun. Wesley Hallett.
Stanley, Coun. A. Cleveland Kelly.
Southampton, Coun. C. E. Allan.
St. Marys, Coun. Douglas Clarkson.
Kingsclear, Warden Everett.
New Maryland, Coun. H. B. Nason.
The town councils of Marysville and Devon will elect commissioners for those two towns.

Committee on Legislation

Warden Everett appointed the following committee on Municipal Home legislation:

Coun. Seymour, Coun. E. H. Allen.

Coun. Coburn, Coun. Murray, Coun. Stairs.

Coun. E. H. Allen suggested the appointment of a legislation committee to watch bills introduced before the legislature.

Coun. Cowperthwaite apposed the

AN IDEAL TONIC FOR WEAK PEOPLE

Dr. Williams' Pink Pills Act Directly on the Blood and Nerves.

Food is as important to the sick person as medicine, more so in most cases. A badly chosen diet may retard recovery. In health the natural appetite is the best guide to follow; in sickness the appetite is often fickle and depraved.

Proper food and a good tonic will keep most people in good health. Dr. Williams' Pink Pills are the most popular tonic medicine in the world, harmless and certain in their action, which is to build up the blood and restore the vitality to the run-down system. For growing girls who become thin and pale, for pale, tired women, and for old people who fail in strength Dr. Williams' Pink Pills are an ideal tonic.

Thousands of people have testified to the health-giving qualities of Dr. Williams' Pink Pills, and in many homes are the only medicine used. Among the homes in which the benefit of this medicine has been proved is that of Mr. E. A. Underwood, Kingston, Ont., who says:—"I have used Dr. Williams' Pink Pills with the most beneficial results. As the result of hard work I was very much run down and my appetite was very poor. I got a supply of the pills which I used regularly for some weeks with the result that they restored me to my old time strength. They also proved a blessing to my daughter, who was in a very anaemic condition, and who seemed not to get more than temporary relief from any medicine until she took Dr. Williams' Pink Pills. She took the pills for about three months, and is now enjoying the best of health. For these reasons I can strongly recommend Dr. Williams' Pink Pills."

At the first sign that the blood is out of order take Dr. Williams' Pink Pills, and note the speedy improvement in the appetite, health and spirits. You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
