CAT FINDS MASTER AFTER HIKING 67 MILES IN YEAR

Bloomfield, N. J. Sept. 4—Red, Bloomfield's champion tom cat pedestrian, today curled up on a bag of bran and purred contently while Lawrence Blamey, his owner proprietor of a feed store, patiently applied soothing salve to his paws.

Red's claws were worn down to the quick by a hike of 67 miles from a farm which Mr. Blamey sold a year ago. Thinking his pet cat would prefer field mice to those of the feed store variety, Mr. Blamey left Red on the farm, but yesterday the exhausted feline succeeded in finding the new home of his master.

ATTRACTIONS AT THEATRES

The Monday play at the Opera House is 'Beckoning Roads' with Bessie Barriscale the featured player. There is the usual Monday feature in addition. The Monday-Tuesday play at the Gaiety is 'Huckleberry Finn'.

Every member of the cast in the picture is a type and was chosen because he or she could most adequately represent the loved characters so familiarly known. Lewis D. Sargent, as "Huck," is ideal for the part. He is a real boy and gives a splendid interpretation of the vagabond hero of the story.

The text of the story is followed conscientiously in the picture. It opens with the discovery by Tom Sawyer and Huck Finn of the stolen treasure and follows them through their subsequent adventures, one of the most humorous of which is the attempt of Widow Douglas to reform "Huck."

Exciting Experience

Moncton Transcript: A local young man, a popular C. N. R. employee of the city, had a rather exciting experience recently at or near Cape Bauld, it is said when he, along with two young ladies, floated from shore on a raft. It is reported that in the party were four, all seated on a raft, which loosed from its mooring and drifted out into the channel. One of the young men jumped in and swam to shore to procure a dory, but on reaching shore he could find none. To reach the shore the three were compelled to use a stick, and after some real hard work on the part of the young man "Terra Firma" was reached.
