LIBERAL CHIEFTAIN COMPLETES A SUCCESSFUL TOUR OF THE WEST LASTING SIX WEEKS

WOUND UP HIS TOUR AT YORKTON, SASK.

Has in Seven Weeks Addressed Audiences Aggregating More Than 100,000 People—Did Not Encounter a Single Unfriendly Interruption—Predicts Liberal Victory.

Yorkton, Sask., Nov. 9.—Hon. W. L. Mackenzie King completed his tour of the west with a public meeting in the town hall here this afternoon. The tour has lasted exactly seven weeks, during which time Hon. Mr. King has addressed twenty-seven public meetings, has attended innumerable public receptions, addressed school children in schools and students in colleges of four provinces, and experienced many other duties and pleasures that await politicians while on tour.

Monday afternoon he made a speech which showed no signs of the long and arduous trip. He was in good voice and introduced a fighting note into his address which was well received by his audience.

Mr. King's speech, which was prefaced by a short address from Hon. Dr. Beland, was in the nature of a resume of the results attained during his trip.

Reviewing some of the outstanding impressions of his tour through the four provinces, Mr. King said that "first and foremost was the evident and manifest feeling of indignation on the part of the people against Premier Meighen and his colleagues for promising to carry on the government of Canada without any mandate from the people and in complete violation of the spirit of the British Constitution, in accordance with which the people are recognized as constituting the sovereignty in matters of government."

The truth was, he said, that Mr. Meighen and his colleagues had wholly forgotten or were prepared to defy the maxim that the government existed for the sake of the people and not the people for the sake of the government. Ever since the war had ended the people had been made to serve the exigencies of the ministry.

In conclusion Mr. King dwelt on the receptions which had been accorded himself and colleagues by the whole of Western Canada. Throughout the whole of their western tour they had he said, in the course of the past seven weeks, addressed more than 100,000 people in all parts of the western provinces.

In not a single instance in the whole trip had he and his colleagues met a single unfriendly interruption, while on the other hand their message had been everywhere received with the heartiest enthusiasm.

"I am returning to Eastern Canada," said the Liberal leader, "with the feeling that the whole of the west is Liberal in its sentiment, outlook and purpose. I entertain no fears as regards the new movements which have found such strong expression in the farming communities. All that is needed to secure the triumph and vindication of Liberal principles is co-ordination and unification of effort on the part of all progressive groups. The next parliament of Canada will see the east and west united in a parliament representative of Liberal thought and feeling."

A Remarkable Case
Mrs. Charles Cremin, who has been seriously ill at her home on Saunders Street, is now rapidly recovering her health. Four doctors were in attendance on Mrs. Cremin during her illness and saved her life by administering oxygen. They exhausted the available supply at the local drug stores and were in despair when the suggestion was made that the garages be visited. Dr. Aulder Gerow made the trip in a car and at one of the garages obtained what he was searching for. The oxygen was administered to the patient and her life was saved. It was a grave emergency but medical science and resourcefulness won out in the struggle with death.

Government Activities.
The Provincial Government is to meet here this week beginning tonight. Several members already are in the city. The Advisory Board of the Department of Lands and Mines is meeting today. A number of lumbermen are in the city. Included in this number are Donald Fraser, J. W. Brankley, A. Alcorn, W. B. Snowball and J. P. Burchill.

Were Remanded.
Elwood Kitchin and Blair Dennison, held in connection with the theft of hospital stores from the store room at the D. S. C. R. hospital in his city, appeared in the police court this morning and were remanded until the 12th.

Mr. and Mrs. George M. Hawkins of Charlottetown, P. E. I. were in the city yesterday.

ST. JOHN RECOUNT APPLICATION HAS BEEN REFUSED

Chief Justice Says He Sees No Legal Purport—Many of the Cases on the Docket Stand.

The Appeal Division Supreme Court met this morning with Chief Justice Sir J. D. Hazen, Judge White and Judge Grimmer present.

In the New Brunswick Elections Act and in the matter of the St. John County recount, John B. M. Baxter, K. C., vs. John McKinnon, R. B. Hanson, K. C., moved that an order of Mr. Justice Barry of October 29 directing a recount to proceed, be made a rule of court.

Chief Justice Hazen said he did not see the legal purport of the motion and asked counsel where there was a wrong to be remedied. By the recount held as ordered, the appellant had since been shown to be elected by a larger majority than that declared by the sheriff.

Mr. Hanson quoted a precedent for the proceeding but it appeared there had been only one such motion granted since the passing of the Judicature Act in 1913, and that for cause.

After a discussion the application was refused.

In Keays vs. Doyle J. J. F. Winslow moved that case stand until Friday. James Friel, K. C., consenting the case stands until next session.

In Garson vs. Harris C. R. Barry moved that the case stand until the second Friday. The case stands for the present.

The King vs. Van Buskirk et al and the King vs. C. A. Steeves ex parte Isadore Cohen, on the Crown Paper stand.

Goodfellow vs. O'Brien Limited on the County Court Paper also stands. The same is true of Turnbull vs. Saunders on the King's Bench Division paper.

The case of Hatfield & Scott Ltd. vs. Canadian Pacific Railway Co. will be heard Wednesday.

Court adjourned to 10.30 a. m. Wednesday.

About Twenty-Eight Thousand.
Thomas W. Murphy of Poughkeepsie, N. Y., and Hector McInnis of Boston, Mass., who were here yesterday for the purpose of "looking over" Bill Sharen, 2,114, the phenomenal local-bred trotter owned by Archie Alcorn of Blackville, returned to the United States last night. The price put upon the horse was twenty-five thousand dollars in American funds. At the present rate of exchange that is about twenty-eight thousand dollars in Canadian currency. The prospective buyers according to Frank C. Murchie of Milltown who represented Mr. Alcorn, did not close the deal. It is probable that there will be further negotiation.

A COMPLETE ITINERARY ARRANGED FOR DRY GOODS MEN FROM CANADA AND U.S.

Lord Curzon is in Charge of the Arrangements—Delegates Will Spend the First Ten Days in London, Where They Will be Feted by the Foreign Office and the Lord Mayor—Auto Trips Will be Made to Great Trading Centres.

(By Hal S. White, staff correspondent of the Daily Mail; by Cross-Atlantic Newspaper Service.)

LONDON, Nov. 9.—When the American and Canadian delegates of the Retail Dry Goods Association arrive to make their trip through Great Britain, they will find that England under the direction of Lord Curzon, has arranged a complete itinerary through the principal retailing cities of the Empire.

It is a return trip for the one British merchants made to America and Canada, and in every local community where the American delegation is expected, local delegations have already been appointed to make full arrangements are made for their entertainment. The Chamber of Commerce and leading merchants are collaborating in these arrangements and under present plans the first ten days will be spent in London, where the delegates will be feted by the Foreign Office and the Lord Mayor. Automobile trips will be made to points of historical interest and to great trading centres nearby.

Then ten days will be spent in Scotland and Lancashire, in hosiery districts, one week in Yorkshire among the textile mills, and one week in the midland counties and Birmingham.

Stratford-on-Avon and the Shakespearean district will be visited also. "If possible," says J. R. Quilter, jr., secretary of the London Drapers' Chamber of Trade, "we hope to give the delegates an opportunity during their visit to tour Ireland for one week. The British merchants feel indebted to Americans and Canadians for their great kindness during their trip through America and would like to show these delegates a really good time and to reciprocate by a trip through Great Britain."

VERDICT OF JUSTIFIABLE HOMICIDE FOUND IN WINDSOR, ONT., TRAGEDY

WINDSOR, Ont., Nov. 9.—Justifiable homicide was the verdict returned by the coroner's jury conducting the inquest into the death of Beverly Trumble, who was shot by Rev. J. O. L. Spracklin, pastor-license-inspector, at the Chappell Hotel at 3.30 o'clock Saturday morning.

Crowds which packed the court room in the Sandwich town hall to capacity, awaited the jury's finding and when the verdict was announced dispersed without making any demonstration, which every effort had been made by the heavy police guard in attendance to anticipate.

Five witnesses were heard. They were Mrs. Ernest Deslippe, E. Smith and Harold Larke, all of whom were at the Chappell Hotel on the night of the shooting, and Drs. Beazley and Mills, who were called to attend to the dead man's injuries.

The most startling feature of the evidence was the statement of the doctors that Smith had told them on the morning of the death of Trumble that the dead man had a gun and that he had flourished it in the faces of the inspectors. This was in direct contradiction of Smith's testimony that he did not see Trumble with a gun and that as far as he knew did not have a gun.

ULSTER POLITICIANS ARE VISITING LONDON

Will Study the Machinery of Legislatures in Various British Dominions—Canadian System is Looked Upon as Being Best Fitted to the Needs of Ireland.

(Special to the Daily Mail; copyright by Cross-Atlantic Newspaper Service, 1920.)

London, Nov. 9.—With passage of the Irish Home Rule Bill in both Houses of Parliament practically certain, prominent Ulster politicians are arriving in London to confer on the establishment of an Ulster parliament. It is understood they have studied the machinery of the provincial legislatures of various British dominions and have decided that the Canadian system is best fitted to their needs.

They point out that the Canadian sub-federal parliaments work smoothly though of different sets in some communities, as in Quebec, Ontario and Manitoba, so they believe the Canadian model more suitable to their needs than the South African system or Australian.

I understand that the British government is prepared to withdraw its proposal for the withdrawal of military forces from Ireland in three years, and instead is arranging for withdrawals as soon as two Irish parliaments are organized.

FINANCIAL POSITION SOUND

Ottawa, Nov. 8.—Hon. Hugh Guthrie minister of militia, who represented Canada at the financial conference held under the League of Nations at Brussels recently, returned to his office here this morning. Mr. Guthrie stated to the Canadian Press that his trip had been largely of an advisory nature, and a report of its proceedings and the conclusions reached will be submitted to the League of Nations. The minister said that the financial statement submitted on behalf of Canada showed that the financial situation in Canada was one of the best of the nations represented.

Mr. Guthrie, who personally visited the battlefields in Belgium and France, spoke of the work which is being done by the Imperial War Graves Commission in exhuming bodies of soldiers for burial in the cemeteries which have been prepared for them. Bodies, he said, were being exhumed at the rate of about 500 a day, to be reburied in plots which will receive perpetual care from the commission.

London, Nov. 9.—Peggy Marsh, the well known actress, is sailing for America on Wednesday to carry the fight to win the Field millions for her son to the highest courts.

"The lower courts decided to give me and my little boy twenty pounds a week. Why that wouldn't buy me silk stockings," she said smiling. "I've had some most attractive offers for the movies and legitimate stage in the United States, but don't intend to accept anything until the case is settled."
