

Witch Soot Destroyer

This article has been such a great boon for our customers and the public since we introduced it last season that we have put in another large stock of it and it will always be obtainable. **THE WITCH** cleans the pipes and chimney chemically, saves labor taking down pipes, cleaning of furniture, etc., and incidentally saves your temper.

A trial will convince you.

INCREASES YOUR WEIGHT, RESTORES LOST STRENGTH PREVENTS ILLNESS

Every day come new converts to that great army of men and women who rejoice in new-found health that came to them through the use of that wonderful blood-renewing preparation called "FERROZONE." Very simple how it acts. All you have to do is take two small chocolate-coated tablets with a sip of water at the close of each meal. Ferrozone is a marvel. It contains just what thin blood lacks—lots of iron, but mark you, the kind of iron your blood is able to absorb. Ferrozone puts life and vim into the blood. Makes it rich, red and nourishing. Naturally the body is better fed and grows stronger day by day.

Of course digestion must be improved, and probably the stomach will require aid as well. Ferrozone serves the purpose admirably. Those who use it, enjoy appetite and digestive powers far beyond the ordinary.

That tired feeling is replaced by the buoyant, joyous sensation of health and vigor. Day by day as your strength increases, you feel new energy surging through your veins, and know that a great tonic of great merit is at work.

No remedy more nourishing or uplifting, no treatment so sure to bring lasting health, good spirits and contentment. Ferrozone contains just what run-down folks need; it cures because it supplies more nutriment than you can get in any other way. 50c. per box or six for \$2.50 at all dealers, or by mail from The Cattarhogue Co., Kingston, Ont.

NOTICE OF LEGISLATION.

Notice is hereby given that a bill will be presented to the Legislative Assembly at the next session thereof to provide for the incorporation of the Professional Engineers of the Province of New Brunswick, and to establish the terms under which persons may be authorized to practice as professional engineers in this Province, and to regulate the conditions under which persons may be admitted as professional engineers.

Dated at Fredericton, N. B., the 15th day of January, A. D. 1920.

BRAVES NOW HAVE LIST OF TWENTY-FOUR

Lannin Still Interested in Baseball—Thinks Boston Has No Pennant Winners This Season.

Boston, Feb. 27—Pres. George Grant was back at his desk at the Braves Field offices yesterday. He announced that he now has 24 players under contract, and that he expected no trouble about having the others in line before the squad starts for the South next Sunday.

Gene Bailey, an outfielder, and Morgan a pitcher, both with Portland, Me. club last season, and who were given a tryout late last fall, will be taken to the training camp by the Braves. Bailey got into a game or two in Boston and looked like a pretty good player. Morgan is regarded as a prospect.

Lannin's Views

Joseph J. Lannin, former owner of the Red Sox, came on to Boston for the checker tournament. He is just as big a baseball fan as ever, but his business interests in the game have now dwindled to the ownership of the Buffalo club of the International League.

Regarding a balance he claims due on the sale of the Red Sox, he said that he expected that some differences now pending between himself and the present owners would be settled shortly.

"It doesn't look just now as if Boston had a pennant winner in either club," he declared, "but one never can tell about these things."

I hope that both Boston clubs if they cannot win a pennant, will at least be up among the leaders and fighting all the way."

N. Y. AMERICANS RELEASE THREE

New York, Feb. 27—The New York Americans have announced the release of third baseman J. Carlisle Smith to the Washington American League Club; outfielder Albert Wickland to the Toledo club of the American Association, and outfielder George Halas to the St. Paul club, also of the American Association.

Smith who was obtained recently by the Yankees from the Boston Nationals for use in a contemplated deal, was released at the waiver price when the plans failed to materialize. Clark Griffith was the only major league manager who refused to waive claim.

25 FRIED EGGS AT SITTING

Milford, Feb. 27—On a wager at a local restaurant, Anthony Freeman, aged 25 years, and an employee of the Hopedale Manufacturing Company, ate 25 fried eggs, four slices of toast and drank two quarts of milk. He won \$40, the bet being \$40 to \$7.

BASKETBALL HERE TODAY

The basketball team of the Provincial Normal School of Fredericton and the St. John High School are clashing this afternoon at the Normal School gymnasium. Both teams are in good condition and a fast game is being played. P. N. S. will play a return match at St. John later.

KILLED BY BLOOD POISONING

Used an old razor for paring his corns. Foolish, because a 25c. bottle of Putnam's Corn Extractor will cure all the corns in a family for a year. Safe, because purely vegetable. Use only 25c. at all dealers.

DANCED WITH THEIR VICTIMS

Montreal, Feb. 25—Two alleged pickpockets were arrested Saturday afternoon by Detectives Labine and Brooks. The men are said to have engaged two Swedes in an impromptu dance in the vicinity of the Bonaventure Station. The Swedes were rather puzzled at being so rudely taken hold of and danced with but did not object. They soon discovered the reason as at the conclusion of the dance they were minus a bank roll amounting to \$160. W. McCormick, Ross Street, has also lodged complaints against the two men charging them with highway robbery said to have been committed on Cathedral street.

A snowstorm a day keeps the spring-time away.

SYNOTT MAY BE WITH U. S. OLYMPICS

Boston All Stars and Pittsburg in Elimination Contest—Synott in Scoring Summary.

Pittsburg and the Boston All Stars have been playing a series of hockey matches to see which club will represent the United States in the Olympic games this year. Pittsburg at last accounts had the better of the series. As with all prominent hockey teams in the States; both of these teams have Canadians with them. Synott formerly of Chatham is with Boston. He is playing on the forward line, at centre and left wing. At Pittsburg the clubs had an even break but at Boston Pittsburg won the first match 4 to 3. Synott scored one of Boston's goals.

In advance of the second match at Boston. The Globe of that city had the following:

"A change in the lineup of the All-Stars will be made for tonight's game, as it is generally believed the men have not thus far, been placed in po-

WINTER WEATHER HARD ON LITTLE ONES

Our Canadian winters are exceedingly hard on the little ones. The weather is often so cold that the mother cannot take the little one out for an airing. The consequence is that baby is confined to overheated, badly ventilated rooms; takes cold and becomes cross and peevish. Baby's Own Tablets should be given to keep the little one healthy. They are a mild laxative which regulates the stomach and bowels and thus prevent colds. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co. Brockville Ont.

sitions where they would be most valuable.

There were times in Monday night's game when a little "balance" on the part of the All-Stars might have resulted in a victory.

Gereau will start at center, and either Synott or Downing will play left wing. These three players are all good at skating back, and if they can maintain their best form the Pirates may find more difficulty in getting free and shooting."

Too many men have money enough to buy automobiles who haven't brains enough to run them without endangering the lives of pedestrians.

DE LAVAL CREAM SEPARATOR

Here's why the DeLAVAL is the cheapest machine to buy. It will pay you in cream saved from \$3.00 to \$5.00 a cow every year over an inferior or half-worn-out cream separator. It will pay you in cream saved from \$10.00 to \$15.00 a cow every year over gravel creaming. It will give you a head of better cream, the kind the creamery man wants. It will last two to three times as long as other cream separators and you will see why the DeLaval is the most economical machine you'll be proud to own. We know that when you buy a DeLaval we sell you a better machine on liberal terms. Come in and talk it over.
