NORTH SHORE HOSPITALITY EXTENDED TO DELEGATES

Convention of the All New Brunswick Tourist, Game and Resources Association at Dalhousie — American Journalists the Guests at a Banquet—Lumber Camp Beans Had a Place on the Menu.

Dalhousie, June 16—The second annual convention of the All-New Brunswick Tourist, Game and Resources Association opened here this morning at the Inch Arran House. Many delegates were present from different parts of the province and from the enthusiasm displayed at the opening session great benefits to the province ought to result from the convention. Little business was done at the morning session other than the appointment of a committee for the purpose of arranging what business should be brought before the convention. Most of the time was taken up in speeches of welcome and others of like nature.

The convention opened with the singing of the National Anthem, following which Hon. C. H. LeBlond was unanimously elected to the chair C. B. Allan acted as secretary.

In accepting the chairmanship Mr. LeBlond told of the organization of the association and of its aims, which are to reorganize the tourist business, take up the question of game protection and other similar matters. Appropriate addresses of welcome were made by Mayor Barberie, of Dalhousie, who appreciated the fact that this town had been chosen for the convention and Mayor Murray, of Campbellton, who welcomed the delegates on behalf of his town. He also touched on the question of development of natural resources of the province.

Mayor Schofield, of St. John, the next speaker, said they were gathered for the purpose of getting the people of the province to take a greater interest in the natural resources. He told of the harmony of the people while working for the common cause during the recent war, and urged that the co-operation then established should not be allowed to drop. All business would be helped by an increase in the tourist traffic and the St. John delegates would do everything they could to help.

C. C. Avar said two things were necessary; to arouse the enthusiasm of the people and then get outsiders to come here. He invited the association to meet in Sackville next year.

R. T. Hayes paid a tribute to the chairman and said no part of America can beat New Brunswick on scenery.

L. P. D. Tilley told of the interest the various mayors throughout the province are taking in the movement and he paid a tribute to the hospitality of the north shore people and praised the Restigouche for its scenery.

N. R. Desbrisay said the lack of interest displayed by the people of the province in bringing forward its good points had held the province back. Another reason was lack of suitable hotel accommodation which should be remedied.

R. E. Armstrong thought the associ-

UPPER QUEENSBURY.

Upper Queensbury, June 16.—The farmers in this section are about done planting and some are preparing to peel pulp and others to repair buildings. The much needed rain came at last and the grass is looking fairly well.

The Reformed Baptist Church at Middle Southampton, which has been undergoing repairs, is completed and is now a credit to the denomination. Special services are being held and a goodly number of ministers and lay delegates were present on Sunday last, some from the State of Maine.

Mr. and Mrs. Moses Parent left a short time ago to visit friends in St. John and other parts of the province. Mr. and Mrs. W. F. Ingraham spent the week end at Middle Southampton, where they were guests of W. B. Cronkhit.

Mr. Finley Macdonald, who has been working in Maine, has returned home. Mrs. Leonard Parent has returned from visiting friends in Carleton Co.

Mr. Ward Hammond has recently purchased a Bell organ from McMurray & Co., Fredericton.

Mr. Stanley Stairs, our popular mail carrier, makes daily trips in his usual good time.

The Misses Elva and Susie Major, Katie Macdonald and Master Ellis Ingraham, make weekly trips to Hawshaw, where they are taking music lessons from Mrs. J. G. Owens.

(London Daily Chronicle).

The announcement that Petrograd has suffered another change of name and is henceforth to be known as Leningrad will be a warning to cartographers not to hurry with the maps of Russia. Those who are issuing their war maps in monthly parts will be wise to conclude their series with Sovietland or whatever its name will be. And even then it may be necessary to trace the country on a slate background, for the convenience of those who like to keep their geography up to date. Leningrad today may be Trotskygrad tomorrow and Moscow and Nijniygorod will hardly retain their Old World form. Trotsky seems probable.

ation would bring about closer co-operation throughout the province. The St. John Board of Trade was interested in the work and would help in every way.

Judge McLatchey was deeply interested in the work. Too many people knock the province instead of boosting it, he said. All should become boosters. He paid a warm tribute to Mayor Schofield for his public spirited work.

David Champoux told of many Americans coming to the province first for fishing or shooting, and then putting in money to develop natural resources.

More Delegates.

No afternoon session of the convention was held here today on account of the local delegates preparing for the arrival of the National Editorial Association. It is expected the convention will get down to business tomorrow. Additional delegates arriving are Hon. W. E. Foster St. John; Hon. Peter J. Veniot, Chatham; B. R. Armstrong, St. John, and W. Harry Allen, president New Brunswick Guides Association.

The press party arrived this evening shortly after 6 o'clock being brought from Campbellton in automobiles. They were served with dinner at the Inch Arran House being the guests of the towns of Dalhousie, Campbellton and Bathurst. One of the features of the banquet being baked beans cooked on the beach by New Brunswick guides.

Toast List

Following the banquet the chairman Hon. C. H. LeBlond, proposed the toast to the king which was responded to by the singing of the National Anthem. T. H. McEvoy next took the floor and in an able address welcomed the guests of the evening.

The president of the United States was next proposed by Dr. Murray, mayor of Campbellton and responded to by W. Wilke, of the Editorial party. The toast to our guests was proposed by Hon. P. J. Veniot, a former news paper man, who spoke of the power of the press. This was responded to by President Albright, of the National Editorial Association, who appreciated the courtesies extended the party on its trip and thanked the entertainers. He told how ideas of the members of the party had changed as a result of the trip and was surprised at the extent of the natural resources of this province. In concluding, he hoped that the friendly relations of the two countries would continue. The province of New Brunswick was proposed in a short speech by J. B. H. Storer, secretary of the Bathurst Board of Trade. Hon. W. E. Foster, in rising to respond to the above toast, was loudly cheered. It was his first visit to Dalhousie but he promised to come back maybe before winter when he would have a different message for his hearers. He told how the province welcomed American capital in development of natural resources and how they appreciated the visit of their neighbors from the south. Commodore J. L. Stewart, of Chatham, in a bright and witty speech proposed a toast to the ladies.

During the evening a solo was sung in an acceptable manner by Mr. Parsons and Miss Hilda Stewart gave a reading which were well received. An informal dance was held following which the editorial party left for their train by automobiles.

LIVER TROUBLE AND HEARTBURN

All liver diseases of whatever character are diseases of the highest importance and demand closest attention.

The liver is the largest and one of the most important organs of the body its duty is to prepare and secrete bile, and serve as one of the filters of the body, cleansing it of all impurities and poisons. Therefore when the liver gets

Keep the liver active by using Milburn's Laxa-Liver Pills and you will have no heartburn, constipation, biliousness, sick or bilious headaches, dull, yellow eyes, brown blotches, sallow complexion, coated tongue, jaundice, out of order it is the starting of trouble in nearly every part of the body, dizziness, catarrh of the stomach, or the painful protruding internal or bleeding piles.

Mrs. John Kadey, Chipman, N. B., writes: "I have used Milburn's Laxa-Liver Pills for some time and can recommend them to any one suffering from heartburn and liver trouble. I tried other remedies but they only relieved me for a short time. I always recommend Laxa-Liver Pills to my sufferers as I think they are a valuable remedy."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Toronto, Ont.
