

HARTLAND BEAT Y. M. C. A. IN POOR GAME OF BASEBALL—LOTS OF ERRORS AND MUCH HITTING

Wheeler and Williams Both Batted Hard by Visitors—Local Team Also Batted Paynter, but Poor Fielding Lost the Game—Fraser and Paynter, Formerly of Fredericton, Were With Hartland—Hartland and Imperials This Evening.

Hartland and Fredericton Y. M. C. A. gave a terrible exhibition at the trotting park Thursday afternoon. The visiting team won 18 to 8. There was enough hitting for two or three games, and sufficient errors for more than that. Hartland had the heavy end of the slugging and the Y team the heavy end of the errors.

Y. M. C. A. did not look much like the York County champions, and playing as they did yesterday, would have been an easy prey for Fredericton City the tail-enders. Wheeler started in the box. He was batted all over and "Bunny" Williams finished the game. He also was hit hard. Had the fielding been half good many would not have been hits. Neither pitcher was well supported.

Hartland Looked Good The Hartland team appeared in neat uniforms of gray with dark green facings. The visitors played snappy ball but were no better and probably not as good as either Marysville or Y. M. C. A. when the County league was going good.

Hayward Paynter, who pitched with Y. M. C. A. early in the season, was in the box for the visitors. The support given him was good, and he pitched a better game than he ever did for the local team. At that he was hit for nine by the Y team, one of them a three bagger. That was enough to win any ball game, but the poor work in the field was what spoiled the Y. M. C. A. chances. Percy Fraser also a former Y. M. C. A. player, was with Hartland, covering the second bag. Although producing a brace of errors, he loomed up in the Hartland team. As might be expected he received a lot of attention from the rooters.

Hartland did not have its full team filling in with Woodstock men. Y. M. C. A. also picked up players, Bill Bot-

ster of Devon, playing first base instead of Walker, and Burke of Marysville, being used at shortstop.

This evening Hartland, with its straight team, will play the Imperials at College Field, the game starting at 6.15. Fred McLean is to pitch for the Imperials. There should be a snappy contest, as the Imps are capable of playing a good game.

Y. M. C. A. Had Lead Y. M. C. A. had a lead in the game against Hartland. In the second they scored three runs on three singles. Hartland tied in the third, and Y took a one-run lead in the last of the third. In the fourth the local team blew up. Hartland scored seven runs and more than batted through the order. After that there was nothing to it. Loose playing in the eighth let Y. M. C. A. score three.

PAPER SUITS IN ENGLAND

Washington, Aug. 5.—Great Britain, in an attempt to lower the cost of men's clothing, is importing large quantities of paper suits from Germany, the American Chamber of Commerce in London reported today to the Department of Commerce.

These ready-made suits are cut to English styles, the report says, and are of the very best paper texture. Retailers are selling the paper garments at from 46 cents to \$1.955 a suit. Last month 40,000 paper suits were imported into England from Germany via Holland, and further consignments are expected at frequent intervals.

Agents dealing in the suits declare that by buying under the present rate of exchange prevailing between Great Britain and Germany it is possible for a man to purchase a new suit each week, and that, over a period of 12 months, the entire cost would be less than the price of one British-made woolen suit.

"So you want to marry my daughter. What are your prospects?" "Well, sir, I have a wealthy bachelor uncle, 65 years old, who has just taken up aviation."

"Don't you think Mr. Bliggins is suffering from exaggerated ego?" "No," answered Miss Cayenne. "He doesn't suffer. He enjoys it."

GREETINGS SENT TO BRITAIN

New York, Aug. 4.—Greetings on the sixth anniversary of Great Britain's entry into the war today were cabled to Field Marshal Earl Haig and Admiral Sir David Beatty by Franklin D'Olier, national commander of the American Legion.

"Honor to the statesmen who had the courage to assume the responsibility of that decision," read the message. "Honor to the British millions who, with valor unsurpassed and hearts of oak, executed that decision on Britain's many fronts. When we contemplate what would have been the state of affairs in the world today, had not Britain acted as she did, and when she did, the trials and difficulties of the present hour however vexatious they may seem now to be, sink into comparative insignificance."

"United States forces have had the privilege of service on land and sea under British high command."

"The memories of the associations of those great days will never perish. They will perpetuate themselves in our hearts and thus serve to perpetuate the indissoluble friendship of the British and American people."

Sugar and coal and spuds, House rent and fuel and duds, These are the factors that seem Nightmares to love's young dream.

ONE TONGUE ENOUGH

CLOTHING TRADE IN PRICE PLOT

Washington, Aug. 5.—Howard E. Figg, special assistant to the Attorney General in the enforcement of the Lever law against profiteering, charged today that manufacturers and jobbers of wearing apparel were attempting through carefully prepared propaganda "to stampede retailers and the public into a renewed fictitious demand" for clothing and thereby force prices higher.

"The Department of Justice" said Mr. Figg "is fully advised of the several phases of this carefully planned campaign, and it only remains to fix personal responsibility before applying the criminal provisions of the Lever law."

"Manufacturers and jobbers are even going to the length of guaranteeing the retail trade against a declining market," Mr. Figg said. "These guarantees are being given very generally in furtherance of a concerted plan despite the wording of the Lever law fixing severe penalties for conspiracy to exact excessive prices for any necessities."

Mr. Figg called attention to instances where mills have been closed for the reason he charged, of justifying market conditions on the plea of under-production.

FARM LABORERS FOR THE WEST

Canadian National Will Give Reduced Fares and Special Train Service on Aug. 6th and 13th.

Harvesters are urgently needed in the West to garner in the wheat yield of Canada.

Estimates are that over 300,000,000 bushels of wheat stand ready for reaping. This in addition to other grains. The call of the West is for 30,000 farm laborers to harvest this immense grain crop. Canada's prosperity depends on the response.

The Canadian National Railways is prepared for the transport of harvesters from all parts of the system. From Maritime Province points special arrangements have been made. Reduced fares to Winnipeg are to be granted on August 6th and 13th, and special trains will run via Quebec Bridge, and from Quebec to Winnipeg via the Transcontinental Line as the best and quickest route from Maritime Province points. The trains will carry the best type of new colonist cars, and special arrangements will be made for the supply of box lunches en route. Special provision will be made for women accompanying the party or desiring to take advantage of the excursion rates.

The fare from Fredericton via Transcontinental to Winnipeg is \$20.20, plus half a cent per mile to points West of Winnipeg. The return fare is half a cent per mile from all points west of Winnipeg to Winnipeg, and \$25.00 from Winnipeg, via Transcontinental. Verification certificates will be furnished by Ticket Agents when ticket is purchased enabling holder to secure return ticket at reduced fare.

Full information will be supplied by all Ticket Agents of the Canadian National Railways.
