REPUBLICANS MAY HAVE 400 VOTES IN ELECTORAL COLLEGE

Further Returns Show the Sweeping Character of Harding's Victory in the United States—Will Have 20 Majority in the Senate and 150 in Congress—Bryan Wants President to Resign.

New York, Nov. 4.—A record-smashing electoral vote for Senator Harding topping the 40 mark and Republican majorities of more than a score in the senate and 150 in the house were assured from virtually complete returns tonight from Tuesday's elections. With the Democratic strongholds of Oklahoma, Missouri and Tennessee definitely swept into the Republican party's ranks by the crushing victory, the Harding-Coolidge ticket had 396 votes, exclusive of the five from Montana, where the Republican state docket was victorious and the presidential ticket ahead.

The Republican landslide tonight had given the Republicans fifty-eight senate seats, as against thirty-seven for the Democrats, with late returns undermining the seat of Senator Breckenham, Democrat, Kentucky. His Republican opponent, Richard K. Ernest, forged ahead in a nip and tuck fight for the only senate fight left unsettled.

Of the thirty-six senate contests, the Republicans captured nine from the Democrats and elected all fifteen of their candidates. Among the Democratic senators who today went down to defeat were Senators Chamberlain of Oregon, former chairman of the military committee; Senator Smith of Arizona, who lost to former Representative Ralph Cameron, and Senator Henderson of Nevada, who was defeated by former Governor Oddie.

Final returns from a few congressional districts still were belated tonight, some due to close races which upset a few previous announcements and others from isolated sections. With these missing returns still to come, the Republican roll in the house had piled up to 285 to 135 for the Democrats.

In Massachusetts.

Boston, Nov. 4.—Complete returns in Massachusetts show that Harding's plurality in the state was 401,865. Final reports made no change in the enormous pluralities accorded Republican candidates for state offices. The wets had it by 19,000 in the referendum on 2.75 per cent beer and wines.

Is Elected.

St. Paul, Minn., Nov. 4.—Congressman A. J. Volstead of the seventh Minnesota district, author of the prohibition enforcement act, has been re-elected on the Republican ticket after a close fight.

Ireland's Woes.

Toronto, Nov. 4.—Sinn Fein hopes have been crushed with the overwhelming defeat of James M. Cox, in the American presidential election," said Rev. David Dempster, who arrived in Toronto today. The Irish minister has a commission from the general assembly of the Presbyterian church in Ireland to tell Ulster's story to the American people.

Mr. Dempster prophesied that the end of Ireland's woes is now in sight, the people of the United States having served notice on the agitators that they do not want to meddle in an affair that is Britain's own business.

Anti-Alien Land Law.

San Francisco, Cal., Nov. 4.—California by a three to one vote on Tuesday passed the "Anti-Alien Land Law," a measure intended to restrict tenure of land by non-assimilable aliens. The measure recently was the subject of diplomatic exchanges between the state department and the Japanese foreign office. Returns from 5,413 of the state's 6,154 precincts today showed 433,015 voted to adopt the measure with 163,731 against it. The measure was initiated to halt what its sponsors termed "encroachment" of Japanese on California lands through lease hold or actual purchase. It is designed to replace the present alien land law passed in 1913, which prohibits ownership of land or leases extending beyond three years by aliens ineligible to citizenship.

Women to Bench.

Cleveland, O., Nov. 4.—Two women have been elected to the bench in this section. Miss Florence E. Allen, led the field for common pleas judge in

Cleveland, with 116,699, over 10,000 more than her nearest opponent. Mrs. Abbie Nye Norton of Perry, was elected probate judge of Lake County by 2,000. Both are independents.

Wants Wilson to Resign.

Chicago Nov. 4.—William Jennings Bryan in Chicago today gave out a statement suggesting that "President Wilson should resign at once."

"Now that the American people have decisively voted against the League of Nations as written by the president," said Mr. Bryan "it would seem desirable to carry out the verdict immediately. This can be easily done. The president should resign at once and turn over his office to Mr. Marshall, on the condition that on the convening of congress in December, Mr. Marshall appoint Senator Harding secretary of state and himself resign."

"The law then would make Mr. Harding president, and with the Republican support in congress he could at once put into operation the plan for the United States to enter into an association of nations for peace."

"As the world peace is a thing nearest the president's heart he can hardly refuse to hasten the coming of peace by so small a sacrifice, if it could be called a sacrifice to escape from a three months' combat with a hostile congress, supported as it is by the recent vote."
