BOMB IN SOCIAL CIRCLES.

Mr. and Mrs. Henry Lanning, who are among our leading society people, have a new son.—Mercyville, Ia., Banner.

A voice cries out: "What would the world do without the safety pin?" It's our guess it would slip down.

If language was given to conceal thought, what awful deceivers women must be!

A case of big head in a little job is funny. A case of big head in a big job is pathetic.

A SICKLY WIFE NO FIT MATE FOR ANY MAN

GIRLS AND WOMEN SHOULD
LOOK WELL TO THEIR
HEALTH AND
STRENGTH.

Never before was physical health and vigor so highly esteemed and so eagerly sought for as today.

No man finds happiness in a sickly wife, and the woman who wishes to enjoy the pleasures of life should spare no effort to maintain perfect health.

Is your daughter growing up strong and sturdy? Has she strength to drink in greedily all the pleasures that youth so zealously seeks—or is she compelled to use the street car instead of enjoying the delightful exercise of walking—does she after the ball arise exhausted, indifferent, and perhaps irritable?

When strength and vigor can be so easily maintained by Ferrozone, when the glow of health is so quickly brought to the cheeks and electricity refreshed and vigorous, or is she ext to the step, it is plainly a mother's duty to see that Ferrozone is on hand to assist her daughter back to health.

Upon the wake of Ferrozone quickly follows a stream of rich, nourishing blood which imparts that power and surplus energy so earnestly desired by those in ill-health.

Stop and think what this means for your daughter—certainly a great deal. Every growing girl and young woman derives a enormous benefit in many ways from this nutritive, vitalizing tonic.

It is specially suited for young women and is a guarantee of health and regularity as long as it is used.

Ferrozone is free from alcohol and perfectly safe to use. Prepared in the form of a chocolate-coated tablet and sold in 50c. boxes or six for \$2.50, at all dealers or The Catarhoxone Co.

STIFF COLLAR MEN SLOWLY VANISHING

(New York Sun)

"White collar men," comprising that class of workers which "dresses up" when it goes to work, seems to have succumbed to the lucrative allurements of washing windows or driving milk wagons or else is becoming too poor to buy 40 cent white stiff collars, according to reports from two highly authoritative sources.

A Newark marriage license clerk with a statistical turn of mind says that "white collar men" apparently have stopped getting married. Haberdashers say that they have become a diminishing race.

Sartorial history shows that the man who seeks to be well dressed has been the slave of the starched white collar ever since ruffles went out of fashion and—with the possible exception of the Elizabethan butted affair—they have been growing more uncomfortable with each generation.

For the last four or five years the unstarched collar has been becoming more and more familiar. Originally introduced for summer or sporting wear, it has proved itself too comfortable to be cast aside when winter comes. Added to the desire for comfort, dealers say, their customers declare that it is much less expensive not only in its purchase but in durability. Many modern laundries ruin stiff collars in three or four ironings, while the soft collar may easily be ironed at home, or even by a bachelor if necessary.

DAYS THAT ARE GONE.

Come back come back you dear deal days,

When Nell and I made fudge together,

And hovered o'er the stove's hot blaze Without a care for time or weather.

What wild sweet thoughts within me rose

As Nell splashed milk upon my nose.

Every experienced husband is firmly convinced that Mrs. Noah insisted on giving the ark a thorough houseclean in the next day after it grounded on Aaararat.

HARRY ALLEN SOME CLASS AS A BOOSTER

Harry Allen's visit to Cleveland and the surrounding district has received as much attention in the press of that city as would a big local story. Indeed his visit was a big local story, for as a result of his address at Gray's Armory five hundred new members joined the Northern Ohio Fish and Game Protective Association. One Cleveland paper says:

"Harry Allen! Folks, there is a name to conjure with. The old fellow was never in better voice and spirits in his life than at the Grays armory meeting on Friday evening. His pictures and talk were enjoyed by three thousand men women and youngsters who will long remember the affair as the greatest gathering of lovers of the outdoors that ever got together under one roof at the same time in America.

"Harry Allen has certainly endeared himself and the Province of New Brunswick to this man's town. From the tap of the gong when the moose pictures taken on his Salmon Brook lake were shown until the bear reel, the last on the programme Harry had the huge throng with him and hankering for more.

As an evidence of the enthusiasm manifested over five hundred new members were added to the rolls of the Northern Ohio Fish and Game Protective Association. In the audience were bankers, brokers, wealthy business men, athletes, professional men, sportsmen and sportswomen, boys and girls, Boy Scouts, Campfire Girls, clerks and in fact it is doubtful if ever a more representative group of Clevelanders has been gathered together.

"The meeting was a success from start to finish and will set a mark for the rest of the country to shoot at. "One thing is certain and that is that Harry himself was the drawing card and is entitled to the credit of the success of the affair and he will always be welcome back to Cleveland.

THE HACKING COUGH STRAINS THE LUNGS

The terrible, hacking, lung-wracking cough that sticks to you in spite of everything you have done to get rid of it is a great source of danger to your health, and the longer it is allowed to stick the more serious the menace becomes.

You can easily get rid of the cough or cold at its inception by using Dr. Wood's Norway Pine Syrup, a remedy that has been universally used throughout Canada for its past 39 years.

Mrs. Samuel Matthews, Portage, P. E. I., writes: "Last winter I caught a heavy cold, and was laid up for sometime. I had such a hacking cough I could not sleep at night, and did not think I could ever get over it. One day a friend dropped in to see me, and was surprised to see how bad my cough was. She advised me to use Dr. Wood's Norway Pine Syrup, so the next day I sent for a bottle and soon got relief, and by the time I had taken two bottles, my cough was all gone. I doubt there is anything to equal it." Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; 3 pine trees the trade mark; price 25c. and 50c. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

NOTICE OF LEGISLATION

Notice is hereby given that application will be made by the Town of Devon to the Legislative Assembly, at the next session, for the passing of an Act to give authority to said Town to make by-laws to regulate the construction, nature and kind of buildings which may be erected within certain limits within the said Town.

Dated the 1st day of March, 1920.
PETER J. HUGHES,
Solicitor for Town of Devon.
