

# TRAFALGAR DAY TO BE WELL OBSERVED

## PRESENTATION TO FAMILY OF HERO

In Memory of Victor Hatheway, Who Went Down With His Ship in the Battle of Coronel.

Thursday the 21st inst is the anniversary of the Battle of Trafalgar and the death of Lord Nelson. It will be observed in Fredericton in a most fitting manner by a presentation at the Gaiety Theatre to a member of the family of the late Pictor Hatheway of this city who went down at the battle of Coronel serving as a midshipman on the Good Hope. He was one of the few Canadians who served with Admiral Craddock's squadron and was the first Fredericton man to give his life in the war.

A picture of the Good Hope, handsomely framed will be presented. Mrs. John Black has interested herself in this matter and it is largely through her efforts that the presentation will be made. It will take place at five o'clock. Children of the public schools are specially invited to attend but adults also are to attend. Theodore Roberts well known as a writer, will deliver an address upon Craddock's squadron and its glorious end.

**To Visit the Schools**  
Thursday morning members of the Navy League will visit the various public schools of the city and will speak to the pupils upon the day and its significance.

**Collection Begun**  
Today canvassers for the Navy League began the collection of funds for the League. They will continue their canvass Thursday. They are meeting with a generous response.

**Was Operated Upon**  
Miss Dorothy Tweeddale, daughter of Mr. and Mrs. M. A. Tweeddale, of this city, was operated upon at Victoria Hospital Tuesday for appendicitis. The operation was a success and the patient is now doing well.

**Utterly Ridiculous**  
St. John Telegraph: The Standard yesterday published a statement that Premier Foster "contemplates resigning." When the Premier was asked about it last night he simply laughed and said the statement was utterly ridiculous.

**Drive for Funds**  
The drive for funds for the Canadian Navy League started today and will be continued tomorrow. Saturday next will be tag day and all should be prepared for it. The cause is a worthy one and the people of Fredericton should do their bit.

**Kent County Has Bears**  
Bears are reported to be very plentiful this fall in sections of Kent county. One of the largest specimens seen in Kent county for many years was killed recently near St. Paul by Samuel White of that place. Bears have been destroying sheep and lambs in that vicinity for several months and some of the farmers have traps set.

**Want Vendors Licenses**  
Applicants for retail licenses under the Prohibition Act are as follows: Charles H. Fairweather, Sussex; J. Harry Driscoll, St. John; C. Fred Chestnut, Hunt & McDonald, Alonzo Staples and A. J. Ryan, Fredericton; Claude C. Avery, Devon; Felix Ultican, Durham, Restigouche county; Louis P. Dugany, Caraquet.

**The Biggest Yet**  
The largest moose head seen in Fredericton this season arrived this morning consigned to George A. Davis taxidermist. It has an antler spread of 63 1/2 inches and was secured by Dr. Rose of Buffalo, on the Northwest Miramichi River. The doctor has been hunting in that section with a party of friends under the guidance of Mr. Arthur Pringle of Stanley.

**Condition Still Serious**  
The condition of Elisha Boone who was severely mauled and gored by a bull at his home, New Maryland Road, a few days ago, still is in a serious condition. Mr. Boone owes his life to the courage of William Coyle who was digging potatoes in neighboring field. On account of a strong breeze he did not hear Mr. Boone's cries at first. Later he went to his aid and knocked the bull to his knees with a blow of a potato fork.

**Can Solemnize Marriage**  
Rev. Cecil Arnold Stewart, of Halifax, General Superintendent in Nova Scotia and New Brunswick of the A. M. E. Church, has been licensed to solemnize marriage in New Brunswick during the time that he shall be a temporary resident of the province. Rev. George A. Wasson, of Jemseg, United Baptist, and Rev. Claude Stewart, of St. John, A. M. E. Church, have been registered to solemnize marriage in New Brunswick.

**St. John Opinion**  
St. John Times: A farmer up-river on Saturday said he had been afraid that day to stoop down to gather beechnuts lest some eager hunter mistake him for a wild animal. In the woods near Nashwaak Village on Monday a man sat down on a fallen tree. A hunter saw him, thought he was a bear, and shot him. Why will men point a gun without first being sure that they are aiming at a legitimate mark? Should there not be a severe penalty in such cases? It would at least have the effect of injecting a degree of caution into the amateur hunters.

# CHIEF INSPECTOR W. D. WILSON MUST SAY WHETHER OR NOT HE WILL RESIGN OR CONTINUE

Government Began Its Meeting This Morning — Failure of Trains to Connect Delayed Members Last Night—No Cabinet Appointments at This Meeting—Hydro-Electric Commission to be Completed—May be a Surprise.

The Provincial Government opened its monthly meeting here this morning the first meeting since the general election. The opening should have taken place Tuesday night but failure of the C. N. R. to make connection with the C. P. R. at St. John prevented members of the Government living in the eastern section of the province from reaching Fredericton before this morning.

**Chief Inspector Before Government**  
Much of this morning's session was occupied by a conference with Rev. W. D. Wilson Chief Inspector under the prohibition Act. The session did not end until about 1.45. Premier Foster when asked concerning the conference with the Chief Inspector said that there had been discussion on a variety of topics. He said Rev. Mr. Wilson still was Chief Inspector but he would not deny that there had been discussion on the question of his resignation. The latter never formally had been before the Government but there had been considerable newspaper discussion and statements had been made at various times by Mr. Wilson and others. The Government desired to know what the official intended to do, whether he would remain Chief Inspector or not.

**Possible Surprise**  
The Premier in regard to the appointments to the Hydro-Electric Commission to fill the vacancies caused by the resignations of Hon. C. W. Robinson and Reid McManus M. P. P. said that they probably would be made at this meeting of the Government. When asked concerning a report that Hon. Fred Magee was to succeed Hon. C. W. Robinson on the commission, Premier Foster said such an appointment had not been mentioned. In connection with that there might be a surprise he continued.

**No Cabinet Appointments**  
"I can say positively that there will be none made" was his reply to a query concerning appointments to the provincial cabinet at this meeting of the Government.

**Silver Fox Exhibition**  
James White of Ottawa Assistant to the Chairman and Deputy Head of the Conservation Commission is registered at the Queen Hotel having arrived here today. Mr. White is to be heard by the Government at four o'clock this afternoon relative to provincial assistance for an International Live Silver Fox Exhibition to be held at Montreal November 24, 25 and 26.

**Many Present for Meeting**  
The meeting of the Government has attracted many from various parts of the Province. Among members of the Legislature who are here are Hon. J. E. Hetherington, Speaker; A. A. Dysart, M. P. P. of Buctouche, and D. W. Mersereau, M. P. P., Hon. L. A. Dugal,

of Edmundston; A. T. LeBlanc, of Shediac, and Arthur T. LeBlanc, of Campbellton are also in the city.

Among provincial officials who are here are W. H. McQuade, John A. Sinclair and C. O. Foss. The latter is secretary of the Hydro-Electric Commission.

**Hydro-Electric Matters.**  
The latter body is not active on account of absence of members. Upon the personnel being completed, work will be pushed. Survey work is being continued steadily, however, Mr. Foss having a number of men at work.

S. R. Weston, of this city recently was at work at Shogomoc. Others are at work on the Musquash.

**Lieut. Governor Not Present.**  
Hon. William Pugsley, Lieut. Governor, is not in the city. He is indisposed at his residence in Rothesay, having trouble with one of his eyes.

The meeting of the government will continue today and tomorrow.

**Will Referee at Sackville**  
A. D. (Hump) Campbell will referee the intercollegiate Rugby match between Mt. Allison and U. N. B. at Sackville next week.

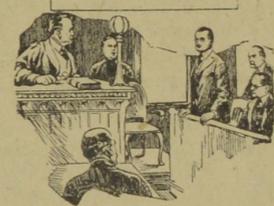

**Shot for a Deer.**  
A man named Lynch was shot for a deer yesterday on the Miramichi. The bullet penetrated one of his legs below the knee. He was expected at the Victoria Hospital last night for treatment, but did not arrive.

**Will Hold Inquest.**  
F. H. Peters, clerk of the peace, has been informed that an inquest into the death of Woodford Close, who was shot near Nashwaak Village on Monday in mistake for a bear, will be held. The date has not been fixed.

**Death at Penniac**  
Mrs. Mehalie Jane Moore died Wednesday morning at her home at Penniac aged sixty five years. She is survived by her husband Henry Moore, also by one sister Mrs. William Hamilton and one brother Moses Logan of Penniac. The funeral will take place Thursday with service at the Methodist Church by Rev. J. J. Plukerton.

**Broke a Collar-Bone**  
William Buzzell of Houlton, Maine, is in Victoria Hospital in this city with a broken collar-bone. Mr. Buzzell was one of a party in a Houlton car which was ditched near Gray's in Kingsclear late last night. The car failed to take a sharp turn in the road Frank Perley and Peter J. Tremblay of Perth brought Mr. Buzzell and M. J. Shea to this city. The Houlton car was considerably smashed and was left where the accident occurred.

## Shur-on Spectacles

## IN COURT

on the Judge's Bench, in the Juror's box, or in any place where the mind is called upon to weigh facts carefully, you need clear vision, the essential to clear thinking.

## BE FAIR

to your eyes. Have them examined regularly. Correctly fitted Shelltex, Shur-on Spectacles look as if made for you alone. Specify them.

FREDERICTON'S BIG HARDWARE STORE

WHEN YOU THINK SHOES THINK CAMPBELL'S

## Lower Prices on High Grade Footwear

Feeling that the time has arrived when the price of footwear should have a lower level, we have decided that our maximum price on Men's and Women's High Grade Boots shall not exceed \$15.00.

In conformity with this policy we are now placing on sale all our new lines of Fall Boots, both black and colors (purchased to sell at \$17 to \$20) at the very low price of FIFTEEN DOLLARS a Pair.

This is your opportunity to buy the very best quality shoes at lower prices.
