

TAKE CARE OF THAT COUGH

Some people get a nasty cough and don't pay much attention to it, saying, "It will wear away in a short time," but while it may wear off, serious injury may have been done to the lungs and respiratory organs by the prolonged, harsh, racking coughing.

On the first sign of a cough or cold get a bottle of Dr. Wood's Norway Pine Syrup. It will stop that nasty, troublesome cough, ease the tightness across the chest and loosen the phlegm.

Mrs. Wm. Earnshaw, Apsley, Ont., writes: "Last winter I caught a bad cold, had a sore throat and a terrible hacking cough that I could not get rid of. I could not sleep at night. I tried quite a few remedies, but they did not do me much good until I got Dr. Wood's Norway Pine Syrup. By the time I had taken two bottles, my cough was all gone. I feel that 'Dr. Wood's' has no equal."

When you get Dr. Wood's Norway Pine Syrup, you are not experimenting with new and untried remedy, but one that has a reputation extending over thirty years.

CLUB ROSTERS OF N. B. H. L. ARE ANNOUNCED—PERSONNEL SHOWS LITTLE CHANGE FROM LAST YEAR

College Players Again the Mainstay of the Fredericton Team
—Four Wades Again With the Marysville Players—North
Shore Clubs Look Strong—Fredericton Team Opens the
League at Campbellton Tonight.

Announcement of the rosters of the five clubs composing the New Brunswick Hockey League is made. Clarence Wade of Marysville the league secretary has received them. The filing was delayed beyond the date set by the league rules but this will be overlooked. Chatham was doubtful of two of its players. There also was doubt concerning men claimed by both Marysville and Fredericton.

The lists show pretty much the material used by the same clubs last season with the addition of a few

names. This is particularly true of the North Shore clubs.

The three U. N. B. players will be the mainstay of the Fredericton team as they were last year with Bidlake in the net he having changed places with "Tart" Titus who goes to the Marysville club. With the exception of Pidgeon who has played about Calgary the balance of the players have appeared on local ice before.

Marysville will be largely composed of Wades, four of them figuring on the list with two Harrisons both of

MODEL SON WANTS ESTATE

Hartford, Conn., Dec. 29—All local records for devotion to duty and long service in one place have been broken by Henry W. Hotchkiss of Bristol, who says that for the sake of his mother, a widow, he never married, never drank, smoked or chewed, never saw even a motion picture show and during 23 years never spent a night away from home.

Incidentally he has never had his picture taken. His whole life until his mother's death was spent working on her farm and caring for her without recompense. During those 23 years he bought but two suits of clothes, one for \$5 and the other for \$2.

Now he is one of several claimants against the estate and asks thousands of dollars as compensation for the work he performed so long for nothing. Mrs. Hotchkiss' estate was inventoried at \$3300 and the claims amount to \$11,000. A commission has been appointed to consider the claims. Another brother Charles holds a note for \$500.

A magazine writer expresses the opinion that "the day of the bosses is over." Must be a bachelor.

There are still thousands among our own population who ignore the heart, the most important of all organs. All toilet tables find room for some restorative—many find room for a box or two of Milburn's Heart & Nerve Pills. Their users are the wise ones who know the necessity of keeping the heart young—with a well heart there are no nervous complaints or ailments of any kind.

Grateful people all over Canada convey the facts of regained health through the use of Milburn's Heart & Nerve Pills. Read this one, chosen at random from thousands:

MILBURN'S HEART & NERVE PILLS

Mr. H. Maxwell, Woodhouse Alta., writes: "I was in the army when I got heart trouble. The two doctors told me there was little hope for me to get better. I have doctored with other doctors, but with no relief. A year ago a friend told me to try Milburn's Heart & Nerve Pills. I laughed at him at the time, and told him they were only a fake, but as I got worse I thought I would try a box. I have taken six boxes, and can say that they are the first thing that helped me, and I feel as if I were a new man. I sure can thank them, and feel that with a few more boxes I will be well."

To your nearest druggist is but a short distance. He will hand you the key to good health and happiness—a box of Milburn's Heart & Nerve Pills, or send 50c. and they will be mailed direct by The T. Milburn Co., Limited, Toronto, Ont.

At this Holiday Season we like to think of our customers as our friends. We like to feel that in a broad sense our customers are our partners—that our success is but a reflection of theirs.

And so we extend to you our Hearty Greetings and Sincere Wishes for a
