

For Sale

I have still a few imported Barred Rock Cockerels of high laying strain, which may be seen at my yards, corner of Brunswick and Northumberland streets. These birds come from the best bred-to-day stock in New England. They carried off honors this month at St. John, St. Stephen and Woodstock Exhibitions.

Price \$3 and \$4 each while they last. Will be shipped promptly on receipt of order.

If you want to own one of the best birds ever brought to the province, place your order without delay.

CASCARETS

"They Work while you Sleep"

Make it your "hobby" to keep liver and bowels regular. If bilious, constipated, headachy, unstrung or if you have a cold, an upset stomach or bad breath, take Cascarets tonight and wake up feeling clear, rosy and fit. No griping, no inconvenience. Children love Cascarets too. 10, 25, 50 cents.

TIED GAME AT SACKVILLE FRIDAY; U. N. B. 3, MT. ALLISON 3; STATUS OF GAME SEEMS UNCERTAIN

Trimble Scored for Red and Black and E. A. Ferguson for Mt.

Allison—Field was Wet, but Play was Open and Interesting—On Old Touchdown Rule U. N. B. Would Win—Team Home Tonight—Preparing for Game Here Wednesday.

The result of the intercollegiate rugby game at Sackville Friday afternoon is not very satisfactory to the followers of the University of New Brunswick team which has not yet placed a victory to its credit in the intercollegiate series. On the other hand the Red and Black has not been defeated and under the former rules by which touch-downs were counted in a tied game, would have had a win to its credit at Sackville. The series now depends as far as the Fredericton college is concerned, upon the game to be played here on Wednesday next between Acadia and U. N. B. There is no standard by which to judge the two teams. Acadia has won and lost a game the contending team being the Halifax Wanderers. A try was the limit to the score in each case. In two match games U. N. B. has had a win and tie to its credit and has scored three tries. It will have the added advantage of playing on home grounds.

Factors in Friday's Game.

The weather probably was a factor in the game at Sackville as the wet grounds would be a handicap to back play even if rain during the match was slight. Overconfidence which has injured U. N. B. teams before also may have played its part.

Minus Capt. Saunders.

The local team must finish the series minus the services of Capt. Saunders who has had hard luck this year injuring one of his ankles and playing only in part of the game at Sackville. Akerley who is replacing him seems able to fill the position. Every effort will be put forth now to prepare for the Acadia game. Defects of the team should be all known by this time and the remedy applied.

Conference Not Very Productive.

Reports from Sackville last evening indicated that the Truro conference on intercollegiate sport was not productive of very definite results as far as football is concerned. The match was considered a tie by one try to one try. The recently published rules of the intercollegiate league contain no reference to touch-downs counting in a draw or a tie although for years they were reckoned as deciding in such cases. On that account it was taken that the league had adopted straight International Rugby rules and that the score was 3 to 3. If there has been an oversight in drawing up the rules U. N. B. should have a victory to its credit.

Counting of the Game.

Another point which seems indefinite is whether or not the tied game counts in the league or should be replayed. The U. N. B. people at Sackville were at sea on that point. Locally the view is taken that the game should stand and count equally for Mount A. and U. N. B. In that event on Wednesday will stand at the top U. N. B. if able to defeat Acadia here of the league. Mt. Allison would have an outside chance of tying the local team by beating Acadia at Wolfville. Should Acadia win here the changes of the Red and Blue for the league title would be of the brightest. If the game at Sackville were replayed anything might happen.

More Definite Rules Needed.

Without any doubt more definite rules as to scoring and counting tied or drawn games should be prepared. Otherwise the league will be in a perpetual tangle similar to that arising in 1919 out of the U. N. B. protest against the game against Acadia at Wolfville.

The U. N. B. Team.

The U. N. B. team will arrive home this evening. Reports from Sackville indicate that the Red and Black forwards held their own and that the backs also did well. Dribbling was the long suit of the forwards. The only try was made by one of the backs. The game was quite open and spectacular in spite of the weather. With the experience gained and the advantage of being on its own ground the team is expected to make a good showing Wednesday.

HARD GAME AT SACKVILLE

Score 3 to 3—Trimble and E. A. Ferguson Each Scored—No Converts—Field Wet, But Little Rain During Play.

(Special to the Mail.)

Sackville, October, 29—The University of New Brunswick and Mt. Allison played a tied game here this afternoon in the Intercollegiate Rugby Football League. The score was 3 to

3 each team scoring one try. Trimble scored for U. N. B. in the first half and E. A. Ferguson in the second for Mount A. Neither try was converted. On the attempt of Mt. Allison to convert Trimble vice-captain and acting captain of the U. N. B. team took objection to the handling of the ball by the kicker and kicked the ball from the hands of the player on a charge. Referee Buckley allowed him to do that stating that the point was well taken.

The game was played under poor weather conditions. The field was very wet from a downpour of rain but during the match itself there was but one shower. As the play went on the ball became greasy. There was no more than the usual amount of fumbling however. Dribbling was resorted to frequently with the U. N. B. forward pack having the better of that department.

From the standpoint of the spectators the match was a fine one. The ball went from end to end of the field and there was much open play. Taken all through the game was a close hard fought one. Mt. Allison twice touched down for safety and U. N. B. did so once. On old rules this would give U. N. B. a victory.

Saunders the U. N. B. captain was forced to retire from the game on account of injury. He probably is out for the season. Akerley replaced him and played a good game. For U. N. B. Cain and Trimble were prominent and for Mount A. Clark and E. A. Ferguson of the backs and Ashford of the forwards played a strong game.

On the play today the teams appeared very evenly matched.

They lined up as follows:—

U. N. B.	MT. ALLISON
Mackenzie	Peacock
Stevens	Wyse
Hagerman	E. A. Ferguson
Trimble	Clark
Haines	Pickard
Lounsbury	A. Ferguson
Burgess	Elliott
Cain	McGivney
Cass	Ashford
Sargent	Mills
Squires	Myers
Babbitt	Taylor
Jamer	Flemington
Saunders	Campbell
Jewett	Rainnie
Referee, Lou Buckley	

LONG SLEEVE NOW IN VOGUE

(Cross Atlantic Newspaper Service.)

London, Oct. 23—(By Mail). A dress is dated more than anything else by its details. This fall, if you wish to be up-to-date, everything will depend upon your sleeves. Collars are an important detail also, but although the high neck-band is assured of a great future collar cut low at the throat will be worn almost as much as the high ones. With sleeves however, it is a different thing.

For dressy frocks there is the long mousquetaire sleeve ending in a cuff which falls well over the hand. This sleeve is especially favored in transparent materials.

Then there is the sleeve with the long cuff. The Chinese pagoda sleeve will also be largely worn. For evening simple puffed baby sleeves made in some filmy transparency, will supersede to a great extent the "no-sleeve" effect on your gowns.

In Paris the long sleeve has caught the fancy and is all the mode. With the revival of lace has necessarily come also the vogue for the lace sleeve. This is almost invariably long. Many lace sleeves have deep armholes and finish off in soft thrills which fall gracefully over the hand.

Others are built which the pagoda sleeves are so diminutive as to be little more in many cases than a glorified slit in the cloak. The bishop's sleeve, very full at the base, the fullness caught into a narrow cuff terminated by a frill, has also caught on. In fact the choice of new sleeves is one varied that there is no excuse for clinging to the old ones. So the best advice is; be up-to-date in your sleeves.

When we remember that Eve didn't even know what a new fall outfit was, it's sad to reflect that Adam was ignorant of the snap he was having.

\$166,000 INVESTMENT OPPORTUNITY CITY OF FREDERICTON 5 p. c. BONDS

The City of Fredericton will receive applications for the purchase of Bonds as listed below. These Bonds are fully exempt from City Taxes and at the prices quoted for different maturities will yield 6 P. C. (interest payable semi-annually, viz June 1st and December 1st.) The above yield plus present tax rate will show 8 1-5 P. C. on the investment as compared with taxable securities.

This is a rare opportunity, particularly to the citizens of Fredericton, for so good and safe an investment.

Bonds are in denominations of \$500.00.

GENERAL BOOTH AT MONTREAL

MANY FINES HAVE BEEN IMPOSED

Montreal, Oct. 28—General Bramwell Booth, head of the Salvation Army, gave a review of the work of his organization throughout the world at a lunch tendered him today by the Canadian Club of Montreal. To the large gathering of members, who were present to welcome him, the general conveyed his thanks and to that people of Montreal for their sympathy and trust. In describing the sufferings of mankind all over the world, he stated that in the many dominions of the British Empire there were millions of people who were not far removed from barbarism, and who could never come within reach of education, science and the miracles of surgery and all the other blessings of civilization, which render life easier. General Booth pointed out that it was the object of the Salvation Army to help these unfortunates as well as to relieve the sufferings of the poor at home.

EXCUSE THE TEARS.

She—Here's a photo in the paper of Mary Pickford weeping over her divorce.

He—That certainly is a moving picture.

St. John, Oct. 29—Allan McLaughlin of Grand Falls and his subinspectors, Messrs. Melanson, Picard and Daigle, have been active again in Madawaska county during the past week. Several offenders against the prohibitory law have been taken before Magistrate Michaud at Edmundston, who assessed fines totalling more than \$3,000. The inspectors have seized more than 300 gallons of liquor in the county at various points. It requires vigilance night and day in Madawaska to head off the individuals who endeavor to run in liquor from over the border in Quebec province. All the rum-runners are not by any means residents of Madawaska county. Some are residents of Maine and others belong to Quebec. The inspectors in that section of this province have been more successful for some time in arresting the illegal liquor traffic than have the officers on the Maine side, where there is a much longer frontier to guard.
