You buy a Mower to cut grass and you expect it to do so under all ordinary conditions without wasting the grass, clogging the Mower or putting excessive strain upon the horses. THOMPSON NOT TO REPRESENT THE DOMINION

World's Champion Hurdler—Summer Position Will Prevent Him Going to Antwerp.

Toronto, June 22—Earl Thompson, a Canadian athlete at Dartmouth College, who recently broke the world's record, writes to Mayor Church that he will not be a candidate for the Canadian Olympic team at Antwerp.

Thompson besides being a world's record holder, is recognized throughout the United States as the king of hurdlers and a great sprinter. He also puts the shot and hurls the disc up to championship distances.

The reasons given for his not being able to go over for Canada are that his university work and his summer position will not permit of it.

He will, however, shortly visit Toronto in company with E. E. Meyer, captain of the Dartmouth College track team and champion college pole vaulter of the United States.

JEALOUSY CAUSED TWO SHOOTINGS

Detroit, Mich., June 22—Jealousy caused the shooting of two women within an hour. Both are in a serious condition, and little hope is entertained for their recovery.

One woman was shot by a husband who attempted to end his own life; the other woman was attacked, while accompanied by her husband, by a man to whom she is alleged to have been friendly.

The victims are: Mrs. Lola Griffith, 150 East Elizabeth Street; Stella Oganborski, 22 Playfair street.

Mrs. Griffith was talking with her husband at Elizabeth and John R. streets about 4.30 o'clock, when William Tomatis, it is alleged, suddenly stepped between the couple and, placing a revolver against the woman sent a bullet through her abdomen.

Tomatis told the police he had shot the woman because she had failed to get a divorce after having accepted money from him for that purpose.

Stanley Oganborski shot his wife Stella, three times at their home, and then turned the gun on himself, sending three bullets through his neck.

The woman was shot through the head and abdomen.

Speaking of legal fictions, the law still recognizes the husband as the head of the house.

A Michigan woman claims her husband's violin playing gave her nervous prostration. Maybe he could soothe her nerves with a saxophone.

INTERMITTENT CLOSING PURSES FOR JULY MEET

Innovation in This Section—Early Entries at Lower Fees—Supplementary Program Likely.

The management of the local race track has made an innovation in regard to the Midsummer Meet scheduled for July 27th, 28th and 29th. Intermittent closing purses are announced which are to be supplemented by a program of class races to close July 15, including a Free-for-All pace.

The intermittent closing purses are for 2.27 trot, 2.27 pace, 2.22 trot, 2.20 mixed, 2.1r trot, free-for-all trot. Four hundred-dollar purses are hung up for each. The point of the change is the earlier an entry is made the less the cost. Up to the 2th inst. the full entrance fee will be three per cent and up to July 15th the fee will be five per cent.

Autumn Meet

Four days' racing is to take place in September. Early closing events for that meet are announced to be 2.27 trot, 2.27 pace, 2.22 trot, 2.20 mixed, 2.19 trot, 2.16 mixed and free-for-all trot. There will be a five hundred dollar purse for the last and four hundred dollar purses for all others. Entries close June 29th and horses must be named by August 30th.

In addition to the early closing events there will be a program of class races including a free-for-all pace for \$500.

In the event of sufficient entries being received Fredericton should have some good racing although the "curtain raiser" has not met with the success desired.

In justice to the young girls of the age this column doesn't mind expressing the belief that the mothers of our generation, at one time in life, also giggled.

There are as many made-over women in the world as there are self-made men.

Judging by the portraits of various Bolshevik leaders in Russia it's not a difficult matter to figure out what is wrong with Russia.

There are lots of people who are never satisfied with anything or any-

body. They would probably talk about St. Peter if given a chance to know him.
