

COCKERELS FOR SALE

I am offering for sale twenty five pure bred Barred Plymouth Cockerels of high laying strain. These birds were imported as baby chicks from one of the largest poultry farms in the New England States. All are from trap-nested stock, having an egg record of from 230 to 250 eggs per year. One of these birds is just what is wanted to grade up a flock of indifferent layers. Will be sold for immediate delivery or kept until September. Book your orders at once as they are going fast. Price \$4 each and upwards.
