OF INTEREST TO WOMEN

HOT WEATHER SALADS.

A salad always is necessary for a well-balanced dinner, but during the hot summer months they are more appetizing than ever. Here are some special hot weather salads:

Cucumber Salad.

Cut a thick slice from both ends of cucumbers and pare, then cut in $\frac{1}{4}$ -inch slices. Cut these round and round to form ribbons, using a small, sharp knife. Plunge into cold water and let stand 30 minutes. Drain thoroughly, arrange on a bed of lettuce and pour English dressing over it.

Baked Bean Salad.

Put two cups cold baked beans with one cup chopped boiled beets, sprinkle one tablespoon olives over the mixture and mix with chopped lettuce.

California Salad.

Two cups white or red California grapes, one cup pecan or other nut meats. Skin and seed grapes, slice nuts and add French dressing.

Date Salad.

One pound of dates, two sliced bananas, four oranges cut in small pieces juice of one lemon. Serve on lettuce leaves with mayonnaise dressing.

Grapefruit Salad.

Take out inside of grapefruit and cut edge of skin into points. Slice meat of fruit with 2 oranges, 1 cup chopped nut meats, 1 diced apple, the juice of 1 lemon and 3 tablespoons powdered sugar. Fill shell and serve with the following dressing:

Beat the yolks of 2 eggs until creamy, then add to them $\frac{1}{2}$ teaspoon dry mustard and same quantity salt. Beat in slowly 4 tablespoons melted butter and 6 tablespoons of vinegar. Cook in double boiler till it thickens. When cold, and just before serving, 1 cup of cream, either sweet or sour, may be folded in.

Spiced Beet Salad.

Let sliced cold cooked beets stand over night in vinegar, then in the morning put them over the fire with the vinegar, a short piece of stick cinnamon, 1 clove and a pinch of mace; allow to boil for five minutes, then set aside to cool in the liquid. When cold drain and serve on lettuce with French dressing.

Thelma Salad.

One grapefruit, 2 oranges, 2 eggs, 1 lettuce.

Place sections of grapefruit and oranges in dish on lettuce leaves, boil eggs hard, put yolks through ricer, sprinkle over salad, cut whites of eggs in rings, placing around edge of salad. In centre put balls of cream cheese. Use French dressing.

BABY'S BIB.

A helpful suggestion was given by a waitress in a hotel recently. In tying the napkin around a child's neck it made an uncomfortable bunch under the chin.

The girl simply tied a knot in one corner and slipped it in the neck of the dress. This held the napkin nicely and allowed it to spread out flat over the chest with no awkward fold to get in the way.

MAKES HAIR GROW

All drug stores sell DELMAY'S FRENCH HAIR TONIC, and it is guaranteed to grow hair or money back.

The time to take care of your hair is when you have hair to take care of. If your hair is getting thin, gradually falling out, it cannot be long before the spot appears.

The greatest remedy to stop the hair from falling is DELMAY'S FRENCH HAIR TONIC, the Great French Hair Grower, first discovered in Paris. DELMAY'S FRENCH HAIR TONIC furnishes nourishment to the hair roots and acts so quickly that people are amazed.

And remember, it destroys the Dandruff germ, the little pest that saps the life that should go to the hair from the roots.

DELMAY'S FRENCH HAIR TONIC a positive guarantee to remove Dandruff, is sold by first-class druggists under stop falling hair and itching scalp in ten days or money back. A bottle costs \$1.00.

Sold at A. J. Ryan's Drug Store, Fredericton, and at A. W. Coombs Drug Store, North Devon.

People find a lot of fault with human nature, but if they were told that it would be radically changed next week they would become frantic with excitement.

Lima Beane says the reason laziness never kills a man is because he dies of old age before laziness proves fatal.

One of the big mistakes many of us make in is believing that somebody hold a patent on the secret of happiness.

One kind of a loafer is the man who wants to work only half the time he used to work for twice as much money as he used to get.
