

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. MOVEMENTS OF THE STARS IN FILMLAND

Miss Theda Bara, ex-vamp of the screen and stage, is sick abed with a mild flu attack, but isn't so sick that she cannot exhortate "lying gossips" who have married her off to Tom Rodkin, theatrical manager. This is the lady's reported comment: "I do not even know the man; I am not married nor am I going to be. Some idiot thinks this a fine joke. It isn't. Please deny it."

June Elvidge has lost that wonderful husband of hers, Capt. Francis C. Bagley, the Canadian war hero whom she annexed a year ago. He had fallen in love with her screen self and the original was willing. Later the captain got sore about some of June's deportment, and concluded he'd picked a lemon in the garden of love where they say only peaches grow, and hiked for the divorce court. His honor said the captain's charges wouldn't look well in print, and anyway the postal authorities held the whip hand. So he named a master to hear the case. The report recommended an immediate and absolute divorce. "O very well," concurred the judge. So June is available for other experimenters in matrimony.

Ruby de Remer, former Follies girl and screen beauty, will be Eugene O'Brien's leading woman in "A Fool and His Money," the Selznick star's newest picture, the first scenes of which are to be taken in the Thous-

BAD COLD LEFT HIM WITH BRONCHITIS

However slight a cold you have you should never neglect it; if you do it can have but one result. It leaves the throat or lungs, or both, affected.

Bronchitis is one of the most common afflictions of a neglected cold, and neglected bronchitis the most general cause of consumption.

Dr. Wood's Norway Pine Syrup is just the remedy you require to cure the bronchitis. It does this by loosening phlegm and mucous, and stimulates the weakened bronchial organs, allays irritation and subdues inflammation, soothes and heals the irritated parts and thus prevents it becoming chronic.

Mr. R. P. Sundblad, Francis, Sask., writes: "I had a very bad cold which left me with bronchitis. I tried several cough remedies and oils of all kinds, but they all failed. At last I got Dr. Wood's Norway Pine Syrup and after using two bottles I have never had a sign of bronchitis since. I therefore can honestly recommend it for coughs and colds."

Don't accept a substitute for Dr. Wood's. The genuine is put up in a yellow wrapper; 3 pine trees the trade mark; price 25c. and 50c. Manufactured by The T. Milburn Co., Limited, Toronto, Ont.

and Islands.

Ardent prohibitionists have written to inquire if real wine was used in the banquet scenes in "The Corsican Brothers," the big feature starring Dustin Farnum. The letters have been forwarded to "Dusty" and his reply is awaited with interest.

Jack Holt, one of the well known motion picture leading men, has signed a long term contract with the Famous Players-Lasky Corporation. His first work under the new contract will be in the screen version of William Gillette's "Held by the Enemy."

Mae Murray has begun work on "The Man Who Killed," the second Fitzmaurice production for Paramount Artcraft. The first is "On With the

LOW SALARIES DRIVE TEACHERS TO CHORUS

Chicago, Feb. 5—Low salaries are driving school teachers to the pink tights and bare legs of the chorus.

So William T. McCoy, chairman of a teachers' committee seeking increased pay envelopes alleged today.

"Interesting if true," commented Superintendent Mortenson of the Chicago schools.

Which made it necessary to grab the old lantern and staff and go forth in search of the truth.

Exhibit A—In the front row of a glittering spectacle advertised as a "national institution" is a dimple-kneed young lady named Trent Bennett, who used to teach school at Uniontown, Pa. She proved it by dragging a "certificate" out of her trunk.

"But never again," she averred. "Why I make \$50 a week for simply looking nice. Maybe I don't earn it, but I get it. And that is reverse English on the school teachers' problems. She earns four times what she gets."

Exhibit B—In a burlesque show that is "packin' em in" here this week are three former school teachers, long past the flapper age, but who still shake a wicked spear. They introduce enough names, places, and miscellaneous data to prove their former occupations before any 12 good men and true.

"Teach school again?" queried one. "The very idea, Dearie, you don't look as stupid as you are. With 40 weeks solid and \$35 ever Saturday night why I simply couldn't afford it. Let somebody else worry about Willie's dirty

Dance."

Bryant Washburn tells this one on himself. "The world looked pretty good to me on Christmas morning, and I was moved to indulge in a song. I had hardly got a good start before my wife called from the head of the stairs. 'You know, Bryant, you are considered to be best in the silent drama.' There was no argument."

ANOTHER VICTIM OF RHEUMATISM

Entirely Well After Six Weeks' Treatment With "FRUIT-A-TIVES"

MR. AMEDEE GARCEAU

32 Hickory St., Ottawa, Ont.

"I was for many years a victim of that terrible disease, Rheumatism. In 1913, I was laid up for four months with Rheumatism in the joints of the knees, hips and shoulders and was prevented from following my work, that of Electrician."

I tried many remedies and was under the care of a physician; but nothing did me any good. Then I began to take 'Fruit-a-tives' and in a week I was easier, and in six weeks I was so well I went to work again."

I look upon this fruit medicine, 'Fruit-a-tives', as simply marvellous in the cure of Rheumatism, and strongly advise everyone suffering with Rheumatism to give 'Fruit-a-tives' a trial."

neck and who was the man who discovered the equator."

Five more were discovered dancing and singing in Chicago hotels and cabarets without any trouble at all.

"I'd like to teach," said one, "but I need more money. If they won't pay me for what I know and would rather pay me three times as much for singing four songs every night why I'm agreeable."

THE Demand Will Exceed the Output—Place Your Order Now!

The Ford Company advise that, on account of the shortage of raw material, they entertain no hope of supplying the demand for Ford Cars during the coming season.

Our allotment of cars will be small compared with the demand that will exist in this territory. In order to obtain this allotment it will be necessary to show the Ford Company the actual orders.

As Ford Dealers in this district we are anxious to serve the community to the best of our ability. By placing your order now you will assure yourself of getting your car at a later date.
