GUESSWORK
SURPRISE PACER
OF SEASON

Peter Manning Won in Almost Two-Minute Time—Lyman Brusie Going to Germany.

Guesswork is the pacing surprise of the year. Last year when "Old Reliable" was winning week after week it was general comment that she was "pretty lucky".

Hollywood Bob, 2.04%, after being used for several months as a saddle horse by Harry K. Devereaux turned up at an Ohio twice around and won a race in slow time.

Lyman Brusie is quite likely to be a member of the American training colony in Germany next year. The clever young reinsman turned down an attractive opening to go overseas last Spring.

The wish is general that grand old Single G. is not permanently lame.

Peter Manning trotted in 2.00 1/4 at Hamline last week. Fred Egan drove him.

The Last De Forest, 2.08 1/2, is the fifth 2.10 performer out of June Lass, 2.11 1/4.

Dilmar The Great, 2.29 1/4, is a two-year-old brother to Margaret Dillon, 1.58 1/4.

Brockton will continue its long established custom of presenting \$10 in gold to the first five drivers in each race.

The size and dam of Atlantic Bellini, a winner at Rutland, Atlantic Express and Eva Bellini, are brother and sister.

Counterpart won from Baron Worthing at Pottsville, Penn., last week in 2.06 1/4, 2.08, the Baron taking a heat in 2.05 1/4.

The green and white silk of Brook Farm will be seen no more, as owner Richard Delafield is to give up racing.

Readville, Hartford, Milwaukee and Indianapolis have this year learned from experience that the Grand Circuit horses and men count much at the box office.

AMATEUR
RULES MAY BE
ALTERED

Toronto, Sept. 16—Without making the definition of an amateur the Amateur Athletic Union of Canada concluded its annual meeting here. There may be some revisions made in the rule at the annual meeting next year as indicated by the following resolution which was carried unanimously:

That the amateur rules were very thoroughly discussed by the Resolutions Committee and it was felt that many changes are necessary to meet changing conditions.

It is recommended that the whole matter be referred to the incoming executive to study and bring in a report and recommendations at the next annual meeting.

The Manor Winner
Of 2.17 Trot With
Bonnie Girl Second

Local Horse Lost Second Heat by Bad Break But Won Next Two—Peter Stillwell Captured 2.24 Trot in Straight Heats—Good Opening Day—Junior Free-for-All Friday.

There was a fair sized crowd out to see the first day's card of the Fredericton Exhibition harness race meet Wednesday. The crowd saw Peter Stillwell win the 2.24 Trot in straight heats and The Manor with Tommy Raymond up win the 2.17 Trot after dropping the second heat to Bonnie Girl. Bonnie Girl which has been a great rival of The Manor all season captured the second heat in 2.14 1/4 the best time of the day, the Fredericton horse going to a bad break at the wire when he looked like a winner.

2.24 Trot.

The 2.24 Trot was Peter Stillwell from first to last. Joe Niles was second in each heat but the Houlton horse driven by Harry Nevers had the race handily.

2.17 Trot.

The Manor and Bonnie Girl furnished the racing of the card. The ultimate victory of the horse from H. G. Kitchen's stable was very popular with the crowd. Nevers with Bonnie Girl had a big following and when The Manor dropped the second heat the followers of the Houlton mare cashed in heavily. The Manor after that showed that he had enough to win but Bonnie Girl made each heat a race.

The summary:—

2.24 Trot (Stake) \$500.

TENNIS STARS
PLAYED TRUE TO
FORM FOR TITLE

Tilden Had No Trouble—Borotra Also Won—Several Foreign Players Fell by Wayside.

Forest Hills, N. Y. Sept. 16—Form prevailed throughout in the national tennis championships on the grass courts of the West Side Tennis Club not a single upset piercing the placid atmosphere of the tournament. So true was the play to form that only four sets were lost by the fourteen United States and foreign seeded stars.

William T. Tilden 2nd of Philadelphia the playing through champion had little trouble eliminating his fellow townsman, Carl Fischer despite the score of 9-7, 6-0, 7-5. Tilden toyed with his rival.

Howard O. Kinsey of San Francisco number four on the national ranking list, was given a scare by Masanosuke Fukuda of Japan when the little Oriental took the first set at 6-4 but Kinsey came back to win the next three sets and the match.

Twelve foreigners started play and four dropped by the wayside. Max Decugis captain of the French Davis Cup team defaulted while Jose M. Alfonso of Spain, Masanosuke Fukuda of Japan and H. Wasaki of Japan were eliminated. The Australian star, James O. Anderson had little trouble in trimming A. W. Jones of Providence R. I., 6-1, 6-1, 6-3.

William M. Johnson of San Francisco favorite to reach the final round in the upper bracket and Vincent Richards of Yonkers, N. Y. favored to reach the semifinals in the lower bracket each won their games today.

Jean Borotra, French Davis Cup star took things easy in his match to defeat Clifford B. Marsh of Buffalo 8-6, 6-4, 6-2.

APPREHENSION.

As autumn time approaches With frosts that numb and chill A dread thought creeps upon me—Will the fall suit fit me still?

there will be three races on each of Thursday and Friday afternoons. On Thursday the card is 2.54 Pace, Three-year-old Mixed, and 2.14 Mixed. On Friday the card is 2.17 Mixed, 2.12 Mixed and Junior Free-for-All. The last is expected to be a particularly good race.

C. W. LEONARD
DISPOSING OF
GREAT STABLE

Chestnut Peter 2.05 1/4, at Head of String—Sons Were Partners in Racing Game.

Boston, Sept. 16—Charles W. Leonard is to retire from the breeding field and at the New York sale in December Chestnut Peter 2.05 1/4, and his entire holdings of trotting-bred animals are to be disposed of.

This is the most unwelcome announcement that has been made in a long time and is in keeping with many of the happenings of this hectic season for followers of the harness horses.

Mr. Leonard's retirement, like that of Thomas D. Taggart, is not in any way influenced by the feeling of dissatisfaction and unrest brought about by the "hop, step and jump" system of racing.

The Indiana politician became a breeder not from choice and has never been considered a horseman. Laurel Hall Farm came to him through business and it was well known that he would dispose of it as quickly as possible.

Mr. Leonard has from boyhood been fond of trotters and still is, but now almost 82 years old, he does not care to give the time to harness horses he feels would be necessary if he continued to own them.

In Chestnut Peter, 2.05 1/4, he owns a stallion which for his age stands at the foremost speed producing son of the super sire, Peter the Great and in his training stable at Readville he has a wonderful collection of colts, much the best he has ever owned.

Mr. Leonard has three sons with whom he spends considerable time. Father and sons are pals, and at the running races, polo games and tennis matches they have great times, but not one of the sons cares for the trotters and this is the real reason that the Beaumont Farm stud is to be scattered at public auction.

Mr. Leonard's runners are registered under the name of the Newtondale stable and it is betraying no confidence to say that one of the sons is an equal partner.

The extent of Mr. Leonard's holdings will doubtless be surprising as he has modestly posed as a small breeder. He owns some 25 brood mares and about 45 Chestnut Peter weanlings, yearlings 2, 3 and 4-year olds.

RUGBY GOING
BETTER THIS YEAR
IN ONTARIO

(Toronto Globe)

There will be no Rugby "league" in Ontario this season, but there will be a four club organization which has not reached the status of a league and which will arrange a tentative schedule. The fixtures will be made by the Secretaries to suit the convenience of the individual clubs. Rugby enthusiasts in Hamilton have succeeded in organizing a club, Toronto British will carry on the organization which became firmly established last year. University of Toronto will play and Ontario Agricultural College at Guelph has expressed a desire for games. That quartet is expected to have six games each; three at home and three away. University of Toronto is likely to play eight games, including the annual at home and away fixtures with McGill University. Toronto British will play its home games at St. Andrew's College campus. The club expects to play until the ground becomes frost-bound. The players wear no pads, as in Canadian football, and bare knees do not do very well in violent contact with frozen turf. Truly, Rugby is progressing.

BIG BILL TILDEN
ONE AND ONLY

William T. ("Big Bill") Tilden continues to hold his place at the top of the world's tennis list, and is likely to equal a record which has stood for over forty years when he competes in the U. S. national championships. He has won the title five times in succession. Richard D. Sears, who won the first U. S. title in 1881, held it for six years. William A. Larned was champion for seven years but not in succession. Born in German town, Pa., in 1893, Tilden first learned the game of tennis when he was invited to play at a boys' school. Although his first national title, that of mixed doubles champion, was won in 1913, it was not until seven years later that he succeeded in capturing the national singles championship. His outstanding national and States titles now number thirty-one, of which five are national singles, four national doubles titles, four mixed doubles titles, and two the English championship title at Wimbledon.

BRETON AFTER
MICKEY WALKER

New York, Sept. 16—Tommy Mulligan welterweight champion of England arrived here on the Anchor Liner California accompanied by his trainer, Thomas Murphy.

The English titleholder is 21 years old and claims to be undefeated after fifty bouts in the past three years. Mulligan said he hoped to secure a bout with Mickey Walker for the world's championship.

BLUNDERS

WHY IS THIS WRONG?
It is unwise to guess the weight of a letter to determine the amount of postage required. Such guessing often results in "Postage Due," which may cause delay in delivery, and, in the case of business letters, often results in a dissatisfied customer.
