WRESTLINGWashington Takes
Good Hold on Series**Three Wins to Pittsburgh's One as Result of Week-end Games—Score 4 to 3 Saturday and 4 to 0 Sunday—Heavy Hitting.**

Washington, Oct. 11—The big train whizzed through Griffith Stadium this afternoon making no stops: Pittsburgh Pirates caught a few fleeting glimpses of the express as it roared by, leaving the wreck of most of their championship hopes in its wake, but that was about all, as they went down to defeat for the second time before the iron right arm of Walter Barney Johnson, the big train of baseball. It was the third setback for the National League champions in four games 1925 world series. Only a miraculous come-back now can save them in a battle which Washington is favorite to end tomorrow with Stanley Coveleski seeking the victory that is needed to give the Senators their second successive world's title.

Washington also defeated Pittsburgh Saturday by the score of 4 to 3.

Today's triumph for big Barney was even more decisive than his first one, for he blinded and blanked the aspiring but helpless young Buccaneers, 4 to 0, with a dazzling exhibition of sharpshooting, while Goose Goslin, home run hero of 1924, and Joe Harris slashed out successive home runs in the third inning that broke the resistance of the young Pirate south-paw, Emil Yde, and produced all the Senators' runs.

Saturday's Game.

Washington, Oct. 11—Washington, in a fast finish won the third game of the world's series from Pittsburgh Saturday, four to three, before President Coolidge and a crowd of 35,000 that shivered in a frigid gale. The Senators won the game with a batting rally in the 7th inning in which J. Harris drove home S. Harris with what proved to be the deciding run, but only the most marvellous sort of defensive work saved the game for the Senators in the eighth and ninth.

Sam Rice Proves Hero.

Sam Rice was the hero in the eighth inning, a spectacular one handed catch of Earl Smith's smashing drive plucking the ball out of the laps of spectators in the right centre field stands and cutting off what seemed a certain home run.

Marberry, giant relief pitcher, then added the finishing thrill to the picture in the ninth by forcing Traynor to hit a long fly to McNeely after filling the bases with two out and first giving Traynor three straight balls.

The box score and summary follows:—

BATSTONE ALSO
PROMINENT IN
BASEBALL

Football players also play baseball and the dragging of the latter season conflicts with the other. The Toronto Globe says:—

According to an announcement from Peterboro when the Kingston team played an O. B. A. A. semi-final in that city, Harry Batstone, third baseman of the Limestone City outfit gave an undertaking to play with his team until they were out of the running. In view of the schedule arranged for the final games between Kingston and Niagara Falls, which called for the Kingstonians to play Niagara Falls on Saturday, the services of Batstone would have been lost to Queen's University in the game with University of Toronto at Richardson Stadium. Queen's without Batstone would be a seriously weakened team. The decision of the Kingston management to default the finals to the Falls doubtless was due in some degree to their unwillingness to keep the third baseman-backfield player out of the opening gridiron battle of the Intercollegiate campaign. Nevertheless the outcome of the O. B. A. A. senior race has occasioned keen disappointment.

BILLY GROFF
WON AT FORT

In the best boxing bout staged in Fort Fairfield last Thursday night Billy Groff outpointed Kid Damboise, of Caribou, in a double six-round fight. The scrap proved interesting all the way, Groff, however, proving too clever for his heavier opponent.

"I would make any of us feel badly to lose \$750.00 worth of jewels.

SCORE ANNOUNCED
WRONG AT FIRST

Owing to Saturday's storm the World's Series bulletins had to be relayed through Halifax. In the process a mixup occurred and Pittsburgh was announced as having won 4 to 1. Later the correction was made. For some time, however, the backers of the Pirates thought they had won their bets.

MONTREAL
VICS TURN DOWN
AMERICAN BID

Montreal, Oct. 10—The Star was informed today that the New York scout, who has been here trying to lure away some of our best amateur hockey players, as announced last week, also made an offer to the Victoria Hockey Club, to form an International Amateur Hockey League, by entering its team in what is known as the Eastern Amateur Hockey League of the United States, which is said to have wonderful financial backing, and will play in New York in the new Madison Square Garden.

Victorias, however, have turned a deaf ear to the proposal.

WILL PLAY
ON TUESDAY

Saint John, Oct. 12—The Rugby game between Saint John High School and Rothesay Collegiate scheduled for Saturday afternoon, was postponed because of the condition of the Allison grounds on Saturday afternoon.

ENCOUNTER
WITH A BEAR
AT CLOSE RANGE

(Hartland Observer)

Allen MacIntosh had a very thrilling experience last Friday evening when accompanied by Fred Grant as guide he was on his way to his father's hunting camp, Guilmac Lake about 25 or 30 miles from Hartland.

About two and a half or three miles from the lodge they visited a bear trap which disappointingly they found empty. But as they were returning from the trap, they came upon what, in the dusk they supposed to be a moose but in a minute they discovered that it was Mr. Bruin himself and he not more than six feet away from them. He at once made for them but the young men got him first. They both fired at once, Allan's shot took him between the eyes, while Grant's found lodge in the shoulder.

The bear was found to measure eight feet from tip to tip and weighed between four and five hundred pounds.

Mr. MacIntosh's friends are overwhelmed him with congratulations on his capture and—on his escape. Dr. and Mrs. MacIntosh joined the young men later at the lodge where they remained until Sunday returning home that night. The doctor captured two deer on the trip.

After all, people minimize the disagreeable things and glorify the beautiful. You never hear a man say his thorn bushes are in bloom. He speaks only of the roses.

Weather, our greatest blessing, is mostly talked about when people feel that it is something else.

ONE NEW RULE
MAKES LITTLE
REAL CHANGE**J. W. Allen of Halifax
Asked for Information
on Subject—
Throw Out Opens the
Game Up.**

Egbert Cass coach of the Fredericton High School rugby football squad communicated with "Jimmie" Allen, official referee of the Halifax City League with regard to the new rules in effect this year which were mentioned in the Mail some time ago. The answer of Mr. Allen states that the rule requiring the ball to go five yards on a throw out from touch is interpreted literally and has the effect of making the game faster and more open. The rule that the ball goes to the side opposite that stopping play is interpreted as strengthening rules which already provide for that.

Changing Canadian Game.

Press reports from Upper Canada indicate that Canadian football after approximating the American game, is swinging back to the features which are common in English rugby and which were common also in Canadian football some years ago before the influence of "Shag" Shaughnessy and other American coaches dominated. The Hamilton Tigers last week played soccer to develop their powers of carrying the ball with their feet. This is dribbling a very usual forward play in rugby. It was used last season by Queen's University and resulted in scores. It was heralded as a wonderful innovation in Canadian football and now is in general use. As a matter of fact it is a very old play in Canadian football, so old it had gone out of use. Continuous passing also is becoming popular in Ontario and Quebec. This of course is merely the ordinary passing which takes place in any rugby game but is considered remarkable up there.

This Week's Games.

Fredericton High will meet Saint John High this coming Saturday at the Trotting Park. The game should be a good one. University of N. B. having been forced by storm to cancel last Saturday's exhibition game with Saint John Trojans will try to get a game this week preparatory to meeting Mount A. here on the 22nd in the intercollegiate series.

MYRA HARVESTER
MAY NOT RETURN

St. Stephen, Oct. 10—It was a clean-up week for the Keys' stable last week at Plymouth, N. H. W. H. won five firsts and one second, Myra Harvester won two races, Anxiety topped the summary twice and Ella Watts landed first in her race. War Dance, starting out this season a green pacer landed second money in the free-for-all. The stable is certainly finishing in fine form. They ship to Topsham for the "overcoat meet" next week and then home. It is rumored that Myra has made so many friends in the country she has invaded and they have treated her so kindly that she may not return to the St. Croix Valley.

BLUNDERS

WHY IS THIS WRONG?

It is unwise to guess the weight of a letter to determine the amount of postage required. Such guessing often results in "Postage Due," which may cause delay in delivery, and, in the case of business letters, often results in a dissatisfied customer.
