

MINERS STRIKE ON 11TH WEEK

MANY CARS
ARE STOLEN
IN CHICAGO

The Record of 1925 Will
Easily be Eclipsed.

96 STOLEN ON
SATURDAY

A Growing Tendency to
Release Thieves on
Probation.

(Special cable to The Daily Mail by the
British United Press.)

Chicago, Ill., July 12—Chicago police officials predicted last night that the total number of cars stolen in Chicago this year will be double the figure for 1925 if the present startling rate is maintained. The prediction was made when statistics revealed that ninety six cars had been stolen during Saturday, Saturday night and this morning and that the total for the fourth, was 125.

The total for 1926 to date is 7,500 as compared with \$8,200 in all of 1925 according to police.

One of the contributing causes of the increase officials said, was the growing tendency of judges to place youthful automobile thieves on probation. It was said there had been a marked increase in the theft of high priced cars as contrasted with the former specialization in cheap cars.

Several state capitals within a days drive from Chicago were named as ideal places for thieves to dispose of any kind of cars. Some cities have stations where drives by thieves are made at regular intervals it is said.

The Gillwell Camp which is to open on Tuesday the 13th, will be held at Keswick as it has for some years. Lincoln had been selected but a change was made on account of the wetness of the camp site in that place.

This will be the fourth Gillwell Camp for New Brunswick and according to prospects will be the largest Gillwell Camp ever held in Canada. F. Chopin, Assistant District Commissioner, and Eli Boyaner, Scout Master of the 13th Judean Troop, of Saint John, are to be on the camp staff.

The Gillwell Camp is for the purpose of training Scout Masters. The majority of those who will attend will arrive here on Tuesday. In addition to New Brunswick the provinces of Quebec and Prince Edward Island are to be represented.

ELECTION DATE
TO BE NAMED

Party Leaders Likely to
Open Campaign in
Ontario.

Ottawa, July 11—This week will bring the campaign machinery of the government and opposition parties into action.

It promises to be a week crowded with events of the keenest political interest. Announcements which have been pending since parliament was dissolved two weeks ago, will be waited for hourly and from coast to coast the party forces will be gathered for the contest which will gather momentum throughout the late summer days until polling day is reached in the early autumn.

Before next week-end—and probably within the next two days—the personnel of the Conservative government will be announced. It is current rumor here tonight that the Quebec representation in the cabinet which has been uncertain for several days will be finally determined Monday. The current week will also bring announcement of the election date. On this matter political gossip has it that September 14 has been decided upon. Later in the week the interest will revolve about the opening speech of Premier Meighen who will start his campaign in Ottawa on July 16.

Itinerary Out Soon.

The speaking itineraries of Premier Meighen and Rt. Hon. W. L. Mackenzie King will also be made public within a few days. If the election date is September 14 it would mean that the leaders will have approximately eight weeks in which to make the usual coast to coast tours. In recent years these two have usually taken six intensive weeks with meetings almost every day and often twice, toward the conclusion of the trips. Both leaders will likely spend some days in Ontario before starting East or West. In the campaign of 1925 the trains bearing the prime minister and the leader of the opposition passed on more than one occasion during the hurried campaign.

MR. A. H. FITZRANDOLPH, FORMER
RESIDENT OF THIS CITY, PASSED
AWAY AT SAINT JOHN SUNDAY

Was Recognized as One of the Leading Business
Men of the Province—Was Member of the
Firm of A. F. Randolph & Sons, and President
of the People's Bank of New Brunswick.

St. John, July 12—Allan H. FitzRandolph, of Randolph, a prominent business man of Saint John county and also of Fredericton, passed away at his home on Sunday morning, following an illness of several months. Mr. FitzRandolph was 67 years of age, the greater part of his life being spent in Fredericton, where he had varied business interests. He came to Saint John in 1911 and became managing director of the well known firm of Randolph & Baker, Ltd., lumber merchants and lime manufacturers. He was born in Fredericton.

Previous to his coming to Randolph the late Mr. FitzRandolph was president of Randolph & Baker at Fredericton and was president of the People's Bank, succeeding his father in that position at the capital. He was also president of the Fredericton Boom Company, which later was merged in the Saint John Log Driving Company. He was in addition a partner of A. F. He took an active part in community work at Fredericton previous to his going to Randolph. He was a member of the Victoria Hospital Board and was one of its keenest workers. He always showed an interest in matters that pertained to the public welfare and his passing has removed a prominent member of the business life of New Brunswick.

A particularly sad feature of his death is the fact that his wife and daughter, Miss Helen, are at present in England, word of his demise having been cabled them immediately. Other relatives surviving are two sons, Guy A., of Randolph, and A. M., in England; also two brothers, Robert, of Fredericton, and Charles, of Montreal,

and two sisters, Mrs. D. I. V. Eaton and Miss Helen FitzRandolph, both in England.

He succeeded him as president of the old Peoples Bank of New Brunswick, and also as a member and President of the Trustee Board of Victoria Hospital of which his father had always been one of the chief benefactors. Some years ago the deceased served as alderman for King's ward in the City Council. For many years prior to his departure from the city he was a member of the Fredericton Curling Club.

Debate Over West Ham.

The incident was brought about during a debate regarding West Ham Borough which has a labor majority and has long been in hot water with the government officials concerning alleged spendthrift methods of running its affairs.

It was while George Lansbury laborite was speaking that comments were exchanged across the floor of the House between Lady Astor and the labor benches. Lady Astor then rose and asserted: "As this is a matter of municipal corruption"—loud labor cries of No, No—"Is it in order for the honorable member to compare the dockyard member with the board of guardians which has been proved to be corrupt?"

No sooner had she finished the question when Jones jumped to his feet shouting "you are a liar," and taking another breath shouted again: "You are a liar"

Silence fell upon the House then came a buzz from all parts and finally loud cries of "withdraw."

The chairman the Rt. Hon. James Fitzalan Hope, called on Jones to withdraw his statement and Jones after some moments thought said: "I apologize to the lady and withdraw and substitute for it the phrase terminological inexactitude!"

There was a ripple of laughter all over the House but Lady Astor was not among those who laughed.
