## ACADIA MAKES CHANGES FOR GAME HERE TONIGHT

**Miller Not Eligible — University of N. B. Presents Team as Announced—Trouble Settled Today.**

The Acadia University hockey team arrived from Wolfville last night and today worked out at the Arctic Rink preparatory to meeting University of New Brunswick tonight in the opening game of the Western Intercollegiate Section. The Garnet and Blue will present a lineup differing slightly from that used against King's College at Wolfville, Monday night when King's won by the close score of 8 to 6.

Miller who is attending Acadia Academy and who has played with Campbellton, put up a good game for the losing team but is not eligible to play in the intercollegiate series. His place on defence is to be taken by Wright. Eaton will start in one of the wing positions instead of Vincent.

The two teams will take the ice as follows:—

Acadia	Univ. of N. B.
Goal	
McKenna	Carten
Defence	
R. D. Johnson	Doddridge
Wright	Fraser
	Steen
Centre	
R. W. Johnson	Lynch
Forwards	
Barteaux	Keene
Eaton	Keenan
J. Johnson	Chalmers
McLachey	Gagnon
Vincent	

J. A. Payne of Saint John is to referee the match.

The Acadia team is largely the same as last year's when U. N. B. had a one-goal edge at Wolfville. Barteaux plays with Wolfville in the Valley League of the Southern Section of the M. A. H. A. Steen, Lynch and Gagnon are new players with U. N. B.

Athletic Authorities Peevish.

Last night W. E. Stirling issued a bulletin at Saint John to the effect that the U. N. B. hockey team was suspended and all amateurs were warned not to compete against them. Captain Carten of the Red and Black team when asked about the matter said that he knew of the difficulty and that it would be adjusted today the game taking place tonight as scheduled.

The trouble was caused by failure of U. N. B. to pay for a number of sanctions in basketball and football exhibition games.

## STRACHAN SAYS SALARY STORIES ARE ALL BUNK

Montreal, Feb. 3.—President James Strachan characterized as "all bunk" the statement from Toronto published in yesterday's Night Edition of The Star to the effect that his Montreal Hockey Club had paid Frank Carson a salary of \$6,000 to finish the season.

"As for the charge that we are overstepping our \$35,000 it is absolutely untrue," Mr. Strachan said. "We have all our contracts filed with President Frank Calder and they show that we are sticking to the rule laid down by the league."

## BROOKLYN GETS JACOBSON

New York, N. Y., Feb. 3.—Merwin Jacobson, hard-hitting outfielder of the Jersey City Internationals, was obtained today by Brooklyn in a deal by which the Dodgers will give two and probably three players in exchange, these to be picked later. No cash was involved.

## JOE LAMB HAS SCORED ONE GOAL IN BANK LEAGUE

**Former Sussex Player with Royal Bank at Montreal — Has Been Shifted About Somewhat.**

Montreal, Feb. 3.—J. C. Pedneault, centre player of Canadienne Nationale and Louis Valois, right wing player of Bank of Montreal are out in front in the scoring of the Bankers League with four goals each to their credit. L. Gaudreault, "Sig" Slater, Bourgoin and Brunet are next in line with 3 markers apiece.

The following is a list of the goal scorers in the circuit:

Pedneault, Canadienne	4
Valois, Montreal	4
Slater, Montreal	3
Gaudreault, Canadienne	3
Bourgoin, Canadienne	3
Brunet, Canadienne	3
Robinson, Royal	2
Shirriff, Commerce	2
Baril, Royal	2
Parram, Montreal	2
Thomson, Commerce	2

Players with 1 goal are: Devenny, Montreal; Jessop, Montreal; Cormier, Canadienne; Carroll, Royal; Lamb, Royal; Copeland, Commerce; Campbell, Royal; Savard, Montreal; Hamel, Canadienne.

Joe Lamb formerly of Sussex first was defence with the Royal later wing and now relief forward. He has scored once.

## GROUND HOG SAYS WINTER WON'T RETURN

(Halifax Chronicle.)

The vain groundhog coming out to look for his shadow Tuesday undoubtedly looked in vain. Shadows are but the reflection of opaque objects cast by the sun. There was no sun at noon Tuesday to cast a shadow so the groundhog will stay up and wait until the spring comes—a comparatively short time. The old rhyme has it thus:—

"If Candlemas be fair and bright,  
Winter will have another flight.  
If Candlemas be clouds and rain,  
Winter will not return again."

Of course science disputes the groundhog's claim to superior knowledge, so the Weather Bureau investigated Mr. Groundhog's claims to accuracy as a forecaster. Unfortunately, it appears that the cloudiness or clearness of Feb. 2nd shows no constant relation to the weather of the following six weeks. Mr. F. W. Saward also compiled some statistics. He chose the average departure of temperature Feb. 2 to March 15. Of the 15 years, studied according to the proverb, 9 years should have been cold during the six weeks after Candlemas. Only four of those specified were cold, the other five were warm. Of the six that were to have been warm, only two were correctly "indicated." So Mr. Groundhog is denounced as a false prophet as well as a pest.

## YARN FROM NEW YORK THAT UNION OF PLAYERS COMES

**N. H. L. Protected by Contracts Over Period of Years—Big Salary Talk Starts Rumor.**

New York, Feb. 3.—Players on the New York Hockey Club are not likely to join any proposed players' union, it was said by New York officials. It has been reported that members of the Canadian clubs in the leagues soon would band together to get salary increases and compel club owners to meet the salaries paid by the New York club.

The New York players said they were satisfied with conditions and could see no reason why they should join a union.

"All our players signed contracts for three years before we introduced big league hockey in New York," club announced.

The basis for the proposed demands it is said is the growing popularity of the sport.

## SNOWSHOED FROM LEWISTON TO QUEBEC CITY

Quebec, Feb. 3.—Mushing 240 miles in nine days, Wilfrid Blais of the Lewiston, Me. Snowshoe Club reached Quebec having covered the entire distance on his webbed footwear.

Blais reported no untoward incidents on the trip, with the exception of going a little lame after four days out. But a rest up last Friday, when he was at Jackman, Me, about 150 miles from this city, gave relief to the injured foot after treatment. It was not the foot trouble that prevented him from travelling on Friday, however, but the biting cold, for Blais said tonight that when he was in Jackman it was 28 below zero and he found it impossible to stand the cold and wind, although he tried it for 15 minutes.

Blais, who is tall and rangy, said that some days he covered as much as 45 miles, while on others he dropped down to 25 but in general an average of 30 miles a day was maintained.

This is the first instance of a man hiking between Lewiston and Quebec and is thought to establish a record as an endurance test.

Blais covered the last 20 miles fast, for late this morning he was reported at St. Marie de Beauce, a score of miles from this city while he reported at Quebec at 4.15 this afternoon.

The Lewiston snowshoer will rest up for the international snowshoe races here next Saturday afternoon when Canadian and American snowshoers will compete for world and Canadian titles. Blais hopes to be able to return to the United States with a least one title hanging from his belt.

## MONCTON LOST TO SUSSEX BUT IN FIRST PLACE

Sussex, Feb. 3.—In a league game played at the Royal Arena tonight the Sussex Colts defeated the Moncton Athletics by the score of 7 to 5 and by so doing tied Saint John for second place in the Southern Section both of these teams having won four and lost six games.

Moncton evidently is going into the inter-league playoff for the Section title.

An Englishman took an American to see "Hamlet."  
"You are sure behind the times," commented the American. "Why, I saw 'Hamlet' in New York four years ago."

## NEW YORK AND ST. PATRICK'S IN TIED GAME 1 TO 1

**American Team Showed Marked Improvement—Bellefleur and Burch Were the Two Scorers.**

New York, Feb. 3.—Toronto St. Pats and the New York Americans put on a one-goal draw battle for 7,000 professional hockey followers here tonight in a game that showed the locals brandishing a machine-like combination attack against a bulldog defensive wall thrown up by the Irish.

The Toronto Six, apparently weary after their clash against Boston Tuesday, were clearly outplayed by the Madisons in the opening two frames. Billy Burch and his men hit off from the beginning of hostilities in a pretty short passing game that threw the St. Pats back to the defense of their citadel.

Both goals were registered in the middle period, the Irish tally going to Bellefleur about mid-session. Burch tied the count near the end of the frame with a driving shot on an arrested pass from Bouchard.

Summary:  
First period: No score.  
Second period: 1—Bellefleur, St. Pats, 8.02; 2—Burch, New York, 19.21.  
Third period: No score.  
First overtime period: No score.  
Second overtime period: No score.  
Final: New York 1, St. Pats 1.

## HOCKEY TEAMS IN TORONTO ARE IN HUNDREDS

Toronto, Feb. 3.—According to figures furnished by the Toronto Parks Dept., there are 1,192 hockey teams playing on the public rinks. The Dept. issues the permits to the teams and a fairly accurate account is therefore available. In addition to that army of approximately eight thousand players, there are other teams in the covered rinks and elsewhere which will swell the total considerably.

Of men that I might have married  
Mercy! How fat and bald, they've grown;  
Lucky for me I married.

## She Could Never Do The Things Other Girls Did

Miss L. J. Ross, Scollard, Alta., writes:—"I am only twenty years old, but have suffered from heart palpitation and nerve trouble for several years."

I could never do the things other girls did, that is, in the line of sports, skating, etc., and could never depend on myself at work.

About six months ago I began taking

and am just twice the girl I was, and can enjoy everything in general life so much more. I am very grateful for what your Pills have done for me."
