BERLENBACH-DELANEY FIGHT PICTURES SHOWN

Drew Big Crowd at The Capitol at Late Hour Monday Night—Great Battle.

The showing of the fifteen rounds of the Delaney-Berlenbach set-to in motion pictures at the Capitol Theatre Monday night attracted a big crowd of fight fans with ladies well represented. The lateness of the hour did not affect the attendance.

The pictures gave an excellent idea of the fighting styles of the two boxers—the American champion who failed to hold his crown and the Canadian to whom it went. The audience was well satisfied and the Capitol management deserves congratulation.

The pictures themselves were clear showing the two men before and after the bout. Berlenbach was shown in training but by statement flashed on the screen Delaney had declined to permit motion pictures to be taken of his training methods preferring to keep them secret.

There was a good hand for Ovila Chapdelaine—to give Delaney his real name—after the picture, and everybody seemed ready to give every support to Canada's light heavyweight champion and aspirant to the heavyweight title.

Another Tie Game in York County League, Devon Pulling up on Imperials

Score Was 2 to 2 After Five Innings—Devon Played Errorless Ball—Imp Errors Kept Them From Winning.

The York County Amateur Baseball League added another to the already long list of tie games for this season when Fredericton and Devon played five innings to a tied score at Devon, Monday night. The score was two-all and Fredericton errors let Devon escape a defeat. "Tot" Wheeler was on the mound for the Imperials but Devon took to him very kindly although not hitting in streaks. The Imperials bunched their hits against Keene and made their runs in that way.

In the field Devon turned in an errorless game. The first Fredericton misplay was Myshrrall's when he dropped a called third strike on E. Miles and his throw to first went through Hall. The latter then slipped up on his throw to second to which the base-runner was heading and the ball went wide. Keene scored in the excitement and the score was tie.

Keene was big noise of the game with the stick hitting for two bases and three respectively on his two trips to the plate. Hersey led the Imperial batters with two singles in three chances. He also fielded perfectly accepting three chances.

SAW SUZANNE IN ACTION IN THE PICTURES

Those who attended the special bill at the Capitol Theatre, Monday night saw a fine presentation of Mlle. Suzanne Lenglen in action on the tennis courts. The great French star who now is professional was shown arriving at Willesden Park Courts and later playing a set. Still later, she was shown demonstrating various plays. A very interesting portion was the slow action pictures which analyzed her methods.

"My wife has gone on a vacation. I know the place won't suit her." "Where has she gone?" "As a matter of fact, I don't know."

Mopsy—I thought you were going to marry Dick. Flopsy—I would have if he hadn't asked me.—Life.

"So Binks went to north pole?" "Yes, he's a go-getter. Started a hotel and lunch counter for explorers."
