NEW SUPERINTENDENT OF **EDUCATION FOR NOVA SCOTIA**

(Halifax Chronicle.)

he Department of Government and ment's action yesterday. made by this paper on Thursday he will accept.

While it could not be substantiated from Government sources, Professor Munro himself informed The Morning Chronicle that he had the matter under advisement, but before he would personally announce his acceptance, preferred to inform the Board of Governors of Dalhousie University. His decision, Professor Munro said, would be given within a very

Professor D. G. Davis, former Principal of Colchester County Academy, at Truro, and Professor of Education at Acadia University, is to be the new Principal of the Normal College, Truro. This again could not be confirmed by The Morning Chronicle from Government sources, but from other, as reliable sources, the information was givent hat Professor Davis will be the new head of the Truro in stitution in place of Dr. David Soloan.

These appointments, while in the offing for sometime, especially that of new Superinentend of Education to replace Dr. A. H. Mackay, whose superannuation and retirement had already been provided for by Act of the Legislature two years ago, were brought rapidly to a head by the the promse you made me. somewhat sensational developments Truro, when Principal Soloan turned down the twenty-one college students on their matriculation for the short Don't Squeeze Blackadvanced teachers' course, early last week. It was one of the first matters, and the most important with which Premier Rhodes had to deal immediately on his return from Great Britain.

The Government, which is the Council of Public Instruction, was in ses sion most of the whole day yesterday. When you've bought rakes and hoes The Premier's private secretary gave out at noon that no decision had beer reached, although it was known that the various names for the position had been placed before the Government. Late last evening it had become little commonly accepted that The Morning Chronicle's announcement of Thursday, to the effect that Professor Mun- al condition
