GOVERNMENT CHALLENGED IN THE HOUSE

Had a Majority of Six on Early Morning Division.

MOTION OF NON-CONFIDENCE

Failure to Implement Promises in Throne Speech Charged.

Ottawa, June 15—On the eve almost of prorogation the Government was challenged in the House today by a Conservative motion of non-confidence.

The motion came unexpectedly and found several Government supporters absent unpaired. Although couched in general terms the motion raises the issue of Alberta's natural resources. There is doubt, on this account how Alberta Progressives will vote. In the debate so far, two, Messrs. Lucas, of Camrose and Boutillier, of Vegreville, have announced that they will vote for the motion and against the Government.

Late tonight there is prospect of the debate going well into the morning hours. One Liberal is still away unpaired and reported to be rushing to Ottawa. Prospects are that, if the motion is defeated, it will be by a slight majority. The general feeling is that the voting will be close.

The straight vote of non-confidence in the Government was moved by Fred Davis (Conservative, Calgary, East), on a motion to go into committee of supply.

Mr. Davis moved: "That Mr. Speaker do not now leave the chair, but that it be resolved that this House, because of the failure to implement promises contained in the Speech from the Throne and for other causes has no longer confidence in the present government."

Majority of Six.

Ottawa, June 16—After a debate lasting throughout the day and well into the morning, the House at 2.10 a. m. rejected a Conservative motion of non-confidence by a majority of six. The vote on the motion of non-confidence was:

Against, 113; for, 107. Government majority, 6.

In the division, two Alberta Progressives voted with the Opposition. They were W. T. Lucas, of Camrose, and A. M. Boutillier, of Vegreville.

Other Progressives, Independents and Labor present voted with the Government against the motion.

ARISTRIDE BRIAND MAY BE REQUESTED TO FORM A NEW CABINET

In Case of His Refusal the Post May be Offered to Former Premier Herriot, Who Took Office After the Downfall of the Poincare Ministry—Was Accused of Permitting an Illegal Inflation of the Currency.

(Special to the Daily Mail by the British United Press)

PARIS, June 16—It was believed today that Aristride Briand will be requested to form a new cabinet to succeed that which resigned with him yesterday. If Briand refuses to resume the premiership the post may be offered to former Premier Edouard Herriot, president of chamber.

Herriot was premier of the left coalition Government which succeeded Raymond Poincare's nationalists two years ago. He went out of office after disclosures that the government had permitted illegal inflation of the currency.

The impression which prevails is that M. Briand may, now that the way has been cleared, form a national union cabinet representing all the parties in parliament.
