Local School Now Heads Basketball League -Losers Met Provincial Normal School This Afternoon.

Fredericton High took a position at the top of the Interscholastic Basketball League by beating Rothesay Collegiate at the High School gym Friday night 50 to 24. The game was witnessed by a small attendance the Northern League Hockey match evidently being too great a counter-at-

In Clark Rothesay possessed a dan gerous scorer but the home team was able to keep him pretty well covered and to break up the passing which was to feed him. On the other hand Rothesay was weaker in defence paration. Had the Yellow and Black had better luck with their shots the score would have been much larger, but in the second half particularly their shots failed to find the basket

Rothesay was high scorer for Rothe say. Dougan had similar honors for bound, all piled into the net and the Fredericton High shading the Rothesay man a little. Hashey and Andy Douglass also scored heavily.
