ACADIA SQUAD REPORTED STRONG PLAYS SATURDAY

Degree Men Evidently Going to be Used on Team — Dougan Trying Out for Back.

Wolfville, Oct. 5.—The end of the first week of football practice here found forty or more Acadia candidates battling hard for positions on the varsity squad. Not for many years has the red and blue been so well supplied with first string material, and although many of the men are newcomers, everything indicates that Acadia will be represented by a team above the average this season.

Four varsity letter men, Blair Elderkin, Davidson, Estey and Captain Bartheaux have been hard at work during the last few days, and the opening whistle should find them in the best of form. With them will be Jim Wilson and Lane, two big boys who played every game last year. Brady, White, Creelman, Munro and Gil Titus, members of last year's squad are by no means sure of catching a berth, having plenty of opposition from new men. Dougan, former Fredericton High star, is considered the most promising candidate to fill ex-Captain J. Elderkin's shoes at three-quarter. Matthews, a Sydney Academy man, looks good in the back field. Among the new men out for practice are Steve Titus, a freshman from St. John; Ted Taylor, a junior from Boston with some experience at the American game; Hubley, a Bear River man, and Dutchie MacLean from New Glasgow. The first three are 200 pounders, while MacLean is a fast heavy man who played in the champion New Glasgow outfit.

For coaches Acadia has Professor Havelock, a Cambridge University man, and Ron. Kierstead, a former star back field man from the University of Toronto. Scrimmages have already started in preparation for a stiff schedule, which includes United Services of Halifax, as an opener here on Saturday next.

(With Acadia possessing so good prospects and abundant material it is all the more regretted that the Blue and Garnet withdrew from the Inter-collegiate.)

COLORED CAPT. OF FOOTBALL TEAM AT BATES UNIV.

Charles D. Ray, colored, has been elected captain of the Bates College football team of Lewiston, Me. Bates is one of the more prominent of the second-string, so to speak, college teams of the Eastern States. Negroes have been prominent on white college teams, but none has been elected to the captaincy until the honor was conferred on Ray. Thomason, colored, of Rutgers, was considered for the mythical All-American eleven. There was no quibbling over the color line at Bates. Not only was Ray the logical man for the place, but he was also the popular choice of his team-mates. Scholastic attainments are on a par with his football playing, and there is said to be no student at the college held in higher esteem by the faculty and student body.

(More than twenty years ago Acadia had a colored player now Rev. George White.)

MAY BATHE AND SKATE IN TORONTO IN BRIEF TIME

Toronto, Oct. 7.—With many people in Toronto still swimming with tennis, baseball, golf, soccer and various summer sports still in full swing here, hockey players and skaters were gliding over the keen surface in a local arena. The skating season has become so far advanced through the boon of artificial ice that one may swim in the heated pool at Sunnyside, change from bathing suit to hockey clothes and skates within a few minutes.

"Emotions Rule the World," says a headline. But some credit ought to be given to notions.

Yanks Won the Third Game 3 to 2; Tenth Inning Told the Tale

Pennock Pitched for the Winners Winning His Second of Series — Sherdel Pitched Great Ball for St. Louis — Play Again on Saturday.

St. Louis, Oct. 7.—The Yankees snatched victory from the Cardinals today just as the Red Birds were about to fly away with it.

Battled for eight innings, by Willie Sherdel and his slow curves, the American League champions rallied to tie the score in the ninth and win in the tenth inning of a game that alternately had another record crowd chilled and thrilled. It was the fifth game of this spectacular world's series battle and the Yankee victory, gained by the score of 3 to 2, put the New Yorkers in the lead; 3 to 2, as the contending clans left tonight to resume the struggle in the Yankee Stadium Saturday.

One more triumph will clinch the world's title for the Yanks, while the Cardinals face the necessity of capturing two straight if they are to realize their dream of championship glory for the first time.

Pennock Repeats Win.

Herb Pennock, the lanky Yankee southpaw, twirled his second victory of the series, repeating his opening game triumph, also gained over Sherdel, but he had more trouble winning today than he did the first time. For eight innings it was a stirring duel, with Sherdel having the better of it, but the Cardinals' southpaw, with triumph seemingly in his grasp, weakened, lost control, and went down to defeat as the Yanks came on with a rush at the close.

Ben Paschal, a pinch hitter, brought over the tying run in the ninth with a Texas leaguer to left, while Tony Lazzeri, the Italian second sacker, scored the winning run in the first extra inning with a towering sacrifice fly to Hafey.

It was a decisive finish but it was gained only by capitalizing every advantage, for Sherdel, although weakening, fought desperately and courageously to hold the 2-1 lead which the Cardinals had gained by bunching hits off Pennock in the fourth and seventh.

DECISIVE HIGH SCHOOL GAME HERE SATURDAY

Fredericton High Must Win to Remain in the Running — Rothesay Collegiate Reported to be Strong.

The rugby football match here on Saturday afternoon at the race track between Fredericton High and Rothesay Collegiate will be decisive in the N. B. Interscholastic League as Rothesay opened its season by beating Saint John High at Saint John on Saturday last. If the Blue and White should come through here with a win only home games will remain for the rest of the season.

Saint John High so far has not shown great strength and has a new team with the exception of a few players. The Garnet and Grey however has a fashion of improving wonderfully as the season advances.

Fredericton High has a team largely new but is playing good football. The test will come against Rothesay. The backers of the Yellow and Black think the local school will come through. Fredericton High has played twice against the Dawson Club of Marysville the first to a tie and the second to an easy victory. The team which will go on against Rothesay will be largely the same as that which beat Dawson Club.

AGING PLAYERS NOT UNMIXED AS BLESSING

Toronto Globe—Mistaken zeal has often brought about disastrous results, and in this connection it may be said that the practice indulged in by many United States university alumni societies whereby the expenses of players were paid so that said players could secure an education brought about many abuses, and a world of criticism. The question naturally arises why alumni societies single out football players and sidetrack those without athletic ability, Canadian Intercollegiate Union officials would be shocked and deeply grieved if this undesirable condition ever crept into the union's sports. Amateurism of unblemished standard must prevail in the college union.

HERBELYN WON BIG EVENT AT BROCKTON

Tiptle Volo won the first colt division, The Canadian gelding, Ormonde Burns, got the decision in the 2.13 pace after Milly W., who was disqualified in what would have been her winning heat for foul driving.

SHAUGHNESSY RETIRING AS M'GILL COACH

American Football Expert Engaged in Many Other Lines of Sport—Discovered Urban Shocker.

Montreal, Oct. 7.—While all of Frank Shaughnessy's contemporaries did not agree with his coaching methods at McGill University, it must be admitted that his effort at the Montreal institution did much to bring about radical changes in the Canadian gridiron game. Shaughnessy has notified McGill that he will not sign again when his contract expires, but will embark in a commercial pursuit. Originally "Shag" went to McGill as a football coach, but latterly took up hockey and other activities. He took his degree in law at Holy Cross, and was a member of the varsity eleven and the baseball team there. Before going to McGill he was manager of the Ottawa ball team of the Canadian League, and won two pennants there. He it was who brought out Urban Shocker, New York pitcher, who came to the Leafs from the Ottawa team. Afterward he managed the Hamilton team in the Michigan-Ontario League, and the Syracuse, Providence and Reading teams in the International League. For a time he was a scout for the St. Louis Cardinals and Detroit Tigers.

WANT GORMAN TO TURN PRO

Saint John, Oct. 8.—Charlie Gorman amateur speed-skating champion, received a telegram yesterday from New York advising that Joe Moore, indoor king, and Charlie Jewtraw, former international champion, would turn professional if Gorman came with them on a circuit under the management of a well-known New York promoter. Gorman would make no comment on the wire.

New York, Oct. 7.—It was recently reported here that C. C. Pyle, professional sports promoter, was trying to sign up a string of amateur speed skaters, and Joe Moore, of New York, was mentioned as a prospect. Pyle has contracts with athletes in various lines of athletic endeavor including Red Grange, Suzanne Lenglen, Vincent Richards and others.

FASHION CENTRE IS HIT BY THE TAILORS STRIKE

New York, Oct. 7.—Fifth Avenue's fashion tailors went out on strike today for higher pay and shorter hours, but most of the women and girls employed in the exclusive apparel shops remained at work. All in all, about 600 tailors obeyed the strike order of their union.

These men are considered to be the aristocrats of tailordom—who fashion the gowns and suits and coats which society women wear. The result of their walk-out will be that production of tailored apparel will be curtailed or stopped altogether.

There was no violence on the first day of the strike. Forty picketing strikers were arrested. Two received suspended sentences for distributing circulars in front of the home of Mrs. William K. Vanderbilt at Fifth avenue and Fifty-seventh street. Additional policemen on duty were the only outward indication that an industrial dispute had hit the exclusive shopping district.

Jones—I see that you have got a new dog. What's his name.
Brown—Tonic.
Jones—Tonic? What a funny name for a dog!
Brown—Well, you see, I call him tonic because he's a mixture of bark and whine.

Rub—What does it mean when the driver in the car in front of you holds out his hand?
Dub—It means you don't know what he's going to do!
