Of Interest to the Women

READING THE FUTURE FOR DAME FASHION.

A sports coat which is becoming popular at Palm Beach is of two shades of cloth and decorated with crocheted edges. The large patch pockets are put on with crocheted stitch and the collar and cuffs are similarly trimmed.

Fringes of silk and beads are popular on evening gowns.

White and flesh color predominated among the evening dresses at a recent dinner dance in Miami.

The hip length jacket is being worn very frequently.

Bathing suits on the resort beaches feature green.

The widened skirt is favored for dancing.

Many of the shops are showing hats and shoes in matching bright colors.

One of the shops is showing a jersey for spring which combines worsted and rayon to give a changeable effect. It is fifty-four inches wide.

OTHER WOMAN'S WAY OF DOING THINGS.

Very good oatmeal muffins are made by soaking overnight two cupfuls of sour milk. In the morning a teaspoonful each of salt and soda should be added, with one-quarter cupful of molasses, two well beaten eggs and a cupful of flour. Beat thoroughly and bake in well greased muffin pans in a hot oven.

A slate, with a pencil and sponge attached by strings will be found a great convenience to have on the kitchen wall.

Soft and pretty tones in bedroom decoration can be achieved by using double window curtains, one color over another. Often a standing lamp has a shade made of the same two colors, and it can be repeated in a sofa cushion with good results.

Bound button holes are just as easy to make as ordinary ones and frequently prove neater and more satisfactory on heavier materials, and they are less stiff for the child to manage.

CANDY RECIPES FOR LOVERS OF SWEETS.

To make candy successfully one must know how to cook different types of sugar mixtures; particularly how long to cook them or how to tell when they are done.

Cook fondant, fudge, pinoche and other soft sandies to 238 degrees Fahrenheit. This is known as the "soft ball" stage. To use the "cold water" test for this, take a small portion of the boiling sugar on the tip of a spoon and lower it carefully into a cup of cold water. Draw the spoon away from the candy and if it forms into a soft ball the candy is done.

Cook nougat, divinity and candies in which egg white is used to 248 degrees Fahrenheit. This is the "hard ball" stage. Test in the same manner as for soft ball, withdrawing it from the fire when the syrup forms a ball that will keep its shape if held between the fingers.

Cook peanut brittle and other brittle candies to 290 degrees Fahrenheit. This is the "crack" stage. It is reached when the candy hardens at once when it touches the water and makes a distinct clink when it touches the glass.

A good plain cake recipe may make many kinds of cake. Very the recipe by adding coconut, chopped nuts, raisins and citron, spices or dates to the batter before baking.

Croup at Night

Can be checked in 15 minutes by rubbing throat and chest with Vicks. Used at bedtime this treatment usually averts a night attack.

VICKS VAPORUB

And Now It May Be "Morning Tea"!

IN Australia "Morning Tea" is as great an institution as "Afternoon Tea." This is a fashionable way of entertaining in the large cities.

And why not! A cup of tea in mid-morning, whether you are engaged in social or household duties, gives you new energy.

Australians are the greatest tea drinkers, using over 10 lbs. per person each year. They like fine tea—tea of vibrant flavor and spritely taste!

For over 30 years we have been buying and blending just such tea—RED ROSE—putting in the best we knew—improving by experience. Now, our friends say RED ROSE ORANGE PEKOE is the finest tea they've ever tasted. It costs only a little more than ordinary teas.

It certainly is good tea—how good you can best tell

by ordering some for a "morning" cup to-morrow. Ask for it by the full name—RED ROSE ORANGE PEKOE TEA. There are many Orange Pekoes but only one RED ROSE. It is sold by the best grocers in sealed packages only. The name is the guarantee of its quality—

And our personal guarantee is that if a package of RED ROSE ever fails to please you the price you paid will be refunded. Will you try it? Please!
