Of Interest to the Women

BRACELETS WORN OVER LONG SLEEVE.

It was the opinion of many wise-acres that so long as women chose to burden their arms with jeweled bracelets, so long would sleeves remain short. But women became weary of short sleeves and jewelers continued to bring out wonderfully attractive bracelets, so all one could do was to wear her bracelets and the jeweled wristwatch, too, over her sleeve. This is now the mode in Paris and other European style centres.

Some of the loveliest bracelets have cabochon jewels, set between large golden links, and for these carnelian and jade are preferred, while blood-stones and moss agate are sometimes seen. The newer diamond bracelets have lost their flexibility and are a wide band of closely set diamonds in a delicate tracery of colored stones.

It is a mistake to think smart women have given up their pearls, or rather the imitations which they usually wear. Now instead of one several strands of pearls are worn. They are frequently knotted at front or back.

Large lobe earrings are also much the rage in Paris, though in Madrid one finds Spanish women, much given, of course to earrings clinging to the pendant types which are so flattering to them, large loops either of plain gold, or a narrow rim of diamonds and onyx. Hat most attractive and are modeled after the designs used for brooches. While there are some chatelaine watches suspended on a black ribbon from one's chest, the wrist-watch is by no means passe; the newest being set with diamonds and colored stones.

Peanut Ham With Vegetables.

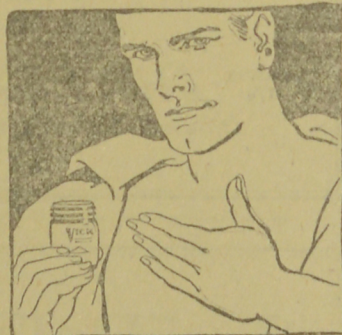

Method—Spread peanut butter on both sides of one or two inch slice of smoked ham, place in cooker and cover with milk and three tablespoons of solid shortening. Allow twenty minutes for first pound and fifteen minutes for every pound thereafter. Add drained canned vegetables to meat half an hour before cooking is completed. If fresh vegetables are used they will require a longer time for cooking, the time depending upon the kind and size of vegetables.

Jello Pimento Salad.

Method—Dissolve a package of lemon jello in a pint of boiling water. When it begins to thicken add one cup finely chopped celery one cup shredded cabbage, half green pepper, two slices pimento, half teaspoonful salt, half teaspoonful mustard, quarter teaspoonful paprika, two tablespoonfuls vinegar or lemon juice. Mix thoroughly. Set to harden. Serve with the following dressing: One cup whipped cream to which three tablespoons of French dressing has been added.

Fruit Mousse Layer Cake.

2 egg whites
1 cake
1-2 pint double cream
Any fruit desired
1 teaspoon jello

Treat Colds Externally

For sore throat, bronchitis or deep chest colds, rub Vicks VapoRub briskly over throat and chest and cover with warm flannel.

Vicks acts in two ways—both direct: absorbed like a liniment and inhaled as a vapor. A quick relief for the cold troubles of all the family.

PREMIER KING SWORN IN M. P. FOR PRINCE ALBERT

Ottawa, March 5—Premier W. L. Mackenzie King was sworn in late today as member for Prince Albert, Sask.

The oath was administered in the Prime Minister's office by the chief of the House of Commons upon receipt of official notification from the chief electoral officer of Premier King's election.

The Prime Minister will be "introduced" when the House of Commons reassembles in the afternoon of March 15, following the present adjournment. The honor of introducing Premier King as the newly elected member for Prince Albert will likely, it is stated, fall to Hon. Ernest Lapointe who was acting Government leader in the House since the convening of Parliament, and Hon. W. R. Motherwell, Minister of Agriculture, whose native province is Saskatchewan.

This formality is performed for the reason that the Prime Minister was elected at a by-election after Parliament had convened.

C. N. R. EARNINGS SHOW INCREASE

Montreal, March 6—The gross earnings of the Canadian National Railways for the period February 28, 1926 were \$4,559,922 as compared with \$4,186,509 for the same period of 1925, an increase of \$403,413 or ten per cent.

Chauffeur—Can you tell me where I can get some gas?
Farmer (slightly deaf)—Hey?
Chauffeur—No, gas. The horse.

HEARD IN PASSING.

That this is Dollar Day and the stores are offering lots of bargains but you cannot buy a Radio Set for a dollar.

That with the opening of the Legislature social events will begin to hum.

That it is a shame to move the Board of Health Office when its so near the Customs House.

That each succeeding City Council has some pet scheme for spending a lot of money.

That the weather man is generous with snow storms.

That the smell of oil in the air in the West End is not enjoyable.

That Sunday Concerts attract large crowds.

That a popular doctor has fallen a victim to cupid's darts.

That uneasy lies the head with a permanent wave.

That te loafers will have a new place to hang out in next week when the Legislature opens.

Notice of Legislation.

Notice is hereby given that application will be made at the next Session of the Legislative Assembly of the Province of New Brunswick for the passing of an Act to revive, continue, consolidate and amend the Act of Assembly 44 Victoria (1881), Chapter 69, entitled "An Act to Incorporate the Southwest River Driving Company," and Amendments thereto; to re-enact and continue, subject to change and amendment, the rights, privileges, powers, franchises, responsibilities and liabilities granted to or imposed upon the said Company and its stockholders by the said Act and Amendments thereto, and to make provision for the driving of pulpwood and other logs and lumber, and the fixing of the tolls therefor.

Dated at Fredericton this 25th day of January A. D. 1926.

Sometimes Grey Granite is Preferred for a Memorial

IF SO, our Native Granite has no superior when particularly Selected Stock is used. But selection is of the Greatest Importance, for considerable of our native grey is defective in color for Monuments. In buying a Monument of New Brunswick Grey Granite see it first or buy from a firm using only selected stock.

The above design is polished on both sides. The top is hammered to a fine smooth finish with the edges nicely turned. The sides are rustic; that is rough broken surface with the edges carefully chamfered in hammered finish. The ornamentation on the corners is cut in light relief not just traced. The Initial of the family name can be cut in the apex instead of the little design shown. The prices quoted below are for the Monument Completely erected on a concrete foundation in Fredericton or vicinity. The sizes are for the diepiece or top stone and the bases are in proportion.

2-6x1-0x3-0 \$200.00.
2-4x1-0x2-9 \$175.00.
2-2x1-0x2-6 \$150.00.

This Monument can be made in smaller sizes with 8 inch diepiece at proportionately lower prices; but for the difference in cost, the larger sizes are recommended for a family lot. The best workmanship is put on all the above, and it is not claimed they cannot be made cheaper from inferior stock and with less careful mechanical precision. 50 per cent cash with the order is required and the balance is payable on completion of the order. Place your order now for May 1st delivery.
