WANDERERS BEAT BERMUDA BY BIG MARGIN

Score 38 to 0 at Halifax
—Good Game Before
Small Crowd—Home
Team Strong.

Halifax, Oct. 17—The touring Bermuda English rugby players went down to defeat yesterday for the second time on the Maritime tour, when the Wanderers defeated them in an exhibition game, 38 to 0.

One-sided in the score, the game nevertheless offered a fine exhibition of rugby and pleased 1,000 persons who braved a cold wind to watch the game. Captain Pantry, leader of the Bermuda team, declared the game to have been the most enjoyable of any his team has engaged in on the tour and congratulated the locals on the fine brand of rugby played.

The Bermuda visitors threatened often but failed to score, while the superiority of the Wanderers was seldom in doubt. The large score was due to the effective work of the Wanderers three-quarter line which worked with clock-work precision, their efficiency increasing as the game progressed. Their scrum heeled out regularly again and again, giving the line an excellent chance.

The Bermuda three-quarter line failed to get going and never had control of the ball. The score at half time was eleven to nothing.

Lieut. Commander Murray refereed.

MOUNT A. HAS NOT ACCEPTED DATES NAMED

The dates for the matches between Mt. Allison University and the University of New Brunswick in the Western Section of the Maritime Intercollegiate Rugby Football League are still undecided. Thursday, October 21st, proposed by U. N. B. for a match in Fredericton has been declined by Mount A. because it is Founders' Day at Mt. Allison. The following Saturday has been proposed by U. N. B. with the 28th at Sackville.

MONCTON LOST 18 TO 3 TO MOUNT A. AT SACKVILLE

Sackville, Oct. 17—By a score of 18 to 3 Mount Allison defeated the Moncton football team on the college field yesterday afternoon in the first game of the New Brunswick Football League.

The Mount Allison boys won on superior passing and running, the visitors seldom being able to get away with the ball. Mount Allison scored six tries, none being converted, while Moncton's tally came shortly after the opening of the second period.

"It isn't so easy for a girl to find a husband these days."

"Nonsense! Why, a girl like you could make her choice from four out of every five men she meets."

"That's it. It's the fifth she wants."

"London Market Quiet for Few Days Due to Settlement." Not surprising. Any settlement usually has the effect of keeping at least one of the parties quiet and contemplative for a few days.

Fredericton High Practically Sure of Interscholastic Title

Played a Drawn Game
with Rothesay Collegiate at Rothesay Saturday — Saint John High to Finish Schedule Here on 30th.

***** INTERSCHOLASTIC RUGBY *****				
	W.	T.	L.	
Fredericton High	2	1	0	
Rothesay Coll.	1	1	1	
Saint John High	0	0	2	

The playing of a drawn game between Rothesay Collegiate and Fredericton High at Rothesay on Saturday practically assures the local team of the title of the N. B. Interscholastic League for 1926. Rothesay's one chance was to win Saturday. The only setback Fredericton High can receive is to lose to Saint John High here on the 30th and as Saint John High already has lost 14 to 0 at Saint John it is a remote possibility.

If Fredericton High goes through the season without losing a league game the Yellow and Black will be ready to go after the New Brunswick and the Maritime titles. The Westmorland County League is not decided but it is expected to lie between Moncton High and Mt. Allison Academy.

HARD FOUGHT GAME.

Rothesay Over Fredericton Line Once
But no Try Allowed—Visitors
Defended Stubbornly.

Saint John, Oct. 18—The third game of the Interscholastic Rugby League played at Rothesay on Saturday between Fredericton High and Rothesay Collegiate teams ended in a scoreless tie. The game started away slowly. Referee Bennett awarded several free kicks to both teams. Play during the first half was mostly in centre field with Rothesay having a slight advantage.

Rothesay succeeded in reaching their opponents' goal line but were unable to score. Throughout the second period Rothesay had the better of the play. This period was more exciting and was featured by several good half-line runs by the Rothesay boys.

About the middle of the period McIntosh, of the collegiate team, succeeded in going over but the try was not awarded. Puddington, who displayed a masterful exhibition of kicking missed a drop-over by inches. The tackling and running of Captain Richards, of the Rothesay team, also featured this half. Dunham, Montgomery and Douglas played well for Rothesay, while Captain Clarkson and Jones starred for Fredericton High School.

The teams were:—
Rothesay Collegiate, forwards, Ellis, Montgomery, Douglas, Anderson, McIntosh, Fisher, Nason; halves, Terris, Puddington, Currie; three-quarters Richards, Hibbert, Dunham, McCurdy; fullback, Schofield.

Fredericton High, forwards, Todd, Hanson, Gunter, Whitman, Atkinson, Bull, Clements; halves, Malloy, Waterhouse, Clarkson; three-quarters, Clark, Fowler, K. Watson, J. Watson; fullback, Jones.

Referee, Bennett, Saint John.

DON'TS FOR THE RUGBY FAN AND PLAYER

DON'T read an account of American or Canadian football and try to apply the account to a game of rugby. It can't be done. The games are much too unlike.

DON'T use the phrases "bucking the line," "running interference," "rouge," "safety-touch" or similar terms in connection with rugby. None of them applies.

DON'T speak of any position in a rugby team as "quarter" or "quarter-back". There is no such position. The error arises from confusion with the corresponding position in American and Canadian football. In rugby the proper term is "half" or "half-back".

DON'T use the term "touch-line" for goal-line or "side-line" for touch-line. This confusion also is borrowed from the American and Canadian games. The goal-line is the line at the end of the field across which the ball must go for any score. The touch-line bounds the field-of-play at the side. It probably took its name from an early rule by which the ball was put back into the field-of-play by touching it on the ground.

DON'T use the phrase "scored a touch-down". A touch-down cannot be scored in rugby for the reason that it is made by the defending side through an error or misplay of the attacking side, and is not a score of any kind. Similarly the phrase "forced to make a touch-down" is not correct as no side can be forced to do something which is for its own benefit and to the injury of the opposing side.

DON'T use the names of positions in a rugby team incorrectly. Naming from the front of a team to its rear the players are classed in the following divisions,—forwards, half-backs, three-quarter-backs, full-back. In naming a team they should come in that order or the reverse, but not interchanged.

DON'T refer to a try as a "touch-down." A try has the value of three points for the side making it. A touch-down has no scoring value to anyone.

DON'T refer to a rugby field as a "gridiron". It is not a gridiron. The latter term is applied figuratively to the field in the American and Canadian games because lines run across five yards apart to indicate distance made by a team with possession of the ball. The rugby field has but three lines across it—mid-field and two twenty-five yard lines. Broken lines are placed ten yards from mid-field and five yards from each goal-line.

DON'T use the term "safety" or "safety touch". The proper term in rugby is "touch-down".

DON'T use the term "half-back" when "three-quarter-back" is meant.

DON'T belittle or knock the rugby game or compare it to similar games to its disadvantage. It is the most widespread of all football games with the one exception of "soccer".

HUGE SCORE RUN UP BY U. N. B. AT SAINT JOHN

Trojans Beaten 40 to 0—
Jack Babbitt Out of
Game for the Season
Through Injury.

The result of Saturday's exhibition game at Saint John showed that the University of New Brunswick has all the scoring power necessary. The score of 40 to 0 is the largest ever run up by a U. N. B. team here or elsewhere. The remarkable feature was that the scoring was done after Jack Babbitt was disabled and the team rearranged by Lockhart going in at full-back, Donohoe to the three-quarter line, Hickson to scrum half and Chestnut to Babbitt's position at stand-off half.

The Halifax Wanderers at the same time were beating Bermuda 38 to 0 showing strong offensive powers. If U. N. B. and the Wanderers should meet the scores may have some significance. Just what it is does not seem clear. Bermuda certainly must have been more knocked about by the time they reached Halifax than they were here.

Babbitt Out of Game.

Jack Babbitt is expected to be laid up for some time but the displaced knee-cap is not a permanent injury. Several years ago he sustained a similar injury to his other knee. U. N. B. however will lose his services on the football team. His loss will be keenly felt because of his kicking ability. He is a four-sport man playing rugby and basketball at college, baseball with the Imperials and tennis with the Fredericton Tennis Club. His many friends hope for a speedy recovery.

Saint John Account.

Saint John, Oct. 18—U. N. B. came down on Saturday met the Trojans and sent them home talking to themselves after a one sided struggle on a field that was anything but ideal.

Trojans went out on the field with a very light team. U. N. B. fresh from a one-sided shut-out scored against the Bermuda team were chock full of confidence. So were the Trojans, but after the first ten minutes it was all taken out of them. The final count was 40 to 0.

Referee Carl Fraser sent the teams away at 3.30 o'clock and the first ten minutes was a real battle without either team having any appreciable advantage. Then when U. N. B. got their second wind they started. But the "Trojans," and they were "trojans," stuck to their guns and managed to hold the fast collegians to 18 points for the first half.

Regrettable Accident.

One of the regrettable features of the game was an unfortunate accident to Babbitt, the fast half of the college team. Early in the game shortly after play had commenced Babbitt was laid low with a dislocated knee and suffered intense pain while it was being attended to. Dr. Bridges was summoned to the club house and succeeded in setting the knee.

The Second Half.

U. N. B. kept right on in the second half and by a succession of touch-downs ran the score up to 40. It was impossible to follow all the plays so rapidly did the score mount up. U. N. B. were good, in fact they had to be exceptionally good to administer such a trimming to Trojans, who held Bermuda 11-3, after the Wanderers, of Halifax, on Saturday pinned a 38-0 defeat on them. A team will have a large score run up against them but it does not necessarily mean that they were outclassed. Trojans will meet U. N. B. again this season and it is a safe bet to say that the score will be considerably smaller next time.

The teams were:—
Trojans, forwards, Angevine, Brown, McDaid, Britt, Keith, Howard, Styles, Noble; halves, Wilson, Peters; three-quarters, Shortt, Hollies, Daley, Humphrey; fullback, Bayly.

University of N. B., forwards, Woods, McLennan, MacMurray, Dalzell, Macaulay, Fowler, Petrie; halves, Donohue (capt.), Currie, Babbitt; three-quarters, McCaffrey, Chestnut, Steen, Goodspeed; fullback, Hickson.

Referee, Carl Fraser.
Scoring, 1st period, U. N. B. 18, Trojans 0; second period, U. N. B. 22, Trojans 0. Total, U. N. B. 40, Trojans, 0.
