RESIDENCE RULE TO MAKE TROUBLE IN O.H.A.

Tourist Hockey Players Will be Bowled Out by Association Although Letter of Rule Met.

Toronto, May 20—According to Windsor despatches a very strong senior hockey team will represent that city next winter. A number of players from various distant points are said to have met with all of the requirements of the O. H. A. in so far as the residence clause is concerned. They are there from Fort William to the Ottawa Valley. Farrell, Westworth and Brown are the only members of last season's team counted upon for the 1926-27 combination. The despatch adds: On June 15 the dignified and in many cases, corpulent executive of the Ontario Hockey Association will meet at Toronto to pass upon the certificates and change of residence forms accumulated in the office of Secretary W. A. Hewitt. There is a sound basis to the opinion that the O. H. A. will follow the lead of the O. B. A. A. and refuse playing permits to a host of stars even although the latter have fulfilled all the requirements of the O. H. A. regulations. Then the fun will start. The O. H. A. issued its warning some time ago. No exceptions will be made in favor of Windsor or any other club. No fish and fish tactics will be adopted, as Windsor and other clubs will learn in due course.

Players Come Back.

Kitchener, May 20—Few changes will be noticed in the personnel of the three Kitchener hockey teams next year. Three new faces will be with the seniors and one good junior has located in town. Jack McKay has gone to Hamilton to take an electrical course. The seniors had counted on him for the defense. To offset this Walter Molson and Harold Gross have returned home after two years in Niagara Falls and Stratford, respectively. Gordon Smith is the other new senior. He hails from New Liskeard and was here last winter, but came too late to play in the O. H. A. series.

Gordon McMillan of the Guelph juniors is now located in Kitchener and will be a welcome addition to the locals.

EASTERN LEAGUE PRESIDENT DEAD

Holyoke, May 20—Dan O'Neill, president of the Eastern Baseball League and a member of the national board of arbitration died here.

Diabetes is the reported cause of his death. He had been president of the Eastern League since 1916 and also had been prominent in local political circles for many years. He rose from the player ranks to the presidency of the league. He leaves a wife, two daughters and five sons.

Mr. O'Neill was about 66 years old. Born in Ireland O'Neill came to this country with his parents at the age of 7, settling in Unionville, Conn. The family moved to Holyoke about 1870, and he had since made his home here. He broke into semi-professional ball in his home city in the early '80s.

BIG PRIZE FOR PRO GOLFER

St. Andrews, Scotland, May 20—Aubrey Boomer of St. Cloud today won the Daily Mail's £1,200 gold tournament with an aggregate score of 297. He turned in a 73 for his last round.

If you convince a man against his will you may have to do it over again the next day.

"No. I got a job."

PADDOCK TO GO AFTER HIS RECORD

Will Have Three Chances in Next Month to Lower Mark 9.5 Seconds for Hundred.

Los Angeles, May 20—Three attempts will be made by Charles Paddock, sensational sprinter within the next 30 days to cut further the time of 9.5 seconds for the 100-yard dash that he sets here recently on the Southern Pacific A. A. U. meet. Plans for a series of dashes on a specially constructed track on the property of the Breakfast Club, an organization of local sportsmen, were announced today, calling for appearance of the blond-haired flier May 23 and June 4 and 11.

Paddock will be paced by a field of Southern Pacific dash men, including Charles Borah, brilliant University of Southern California freshman to whom some of the honors of Paddock's race go. He led the record-smashing sprinter almost to Paddock's spectacular finishing leap.

As a member of the Los Angeles Athletic Club's track and field aggregation, Paddock will participate in the National A. A. U. meet at Philadelphia in July.

BLUNDERS

WHY IS THIS WRONG?

When mail is allowed to accumulate in offices until closing time, it not only places an additional burden on the postal service, but is apt to miss important early afternoon train dispatches. This often causes a whole day's delay in delivery. Mail should be posted as soon as it is ready, and at frequent periods of the day.

THREATS OF OPPOSITION TO THE N. H. L.

Bierer of Detroit Says Purchased Victoria and Saskatoon Clubs Will be Nucleus of New League.

Montreal, May 20—There is more trouble in store for the N. H. L. Certain Detroit parties headed by P. B. Bierer are dissatisfied and Bierer is supposed to have made the following statements:

"We received a scurvy deal from the National League on Saturday," Bierer declared today. "Six club owners signed an agreement that they would vote us a franchise in the National League."

"On that assurance we went out and bought Victoria and some other players for \$100,000. We paid \$25,000 down on Victoria and the other \$75,000 isn't due yet."

"We are in this matter of hockey and an arena to the extent of \$50,000. We aren't going to hold the bag. We aren't going to have a hockey team and not have a league to play in. Victoria, perhaps the best pro team in the world, is going to play for us in Detroit and not for anybody else."

"Paddy Harmon of Chicago has purchased the Saskatoon team of the defunct Western League. With Victoria and Saskatoon we have a nucleus for a new league. There are several large cities anxious to join in a new pro hockey loop."

"Harmon is with my group. And so are some others very high up in the hockey world. We'll have some surprises for the National as well as a league that will be as good, if not better, than theirs if present plans don't miscarry."

Hockey Exodus.

Montreal, May 20—It is announced that this section will have to do without four well-known amateur hockey players next season "Babe" Morrison, Archie Wilcox, Rene Fournier and Touhie. They will all play in Ontario. The limit for making residence transfers expired May 15th.

New York, May 20—Miss Celeste J. Miller, an eighty-year-old traveler, returned from her thirty-first world tour today with a travel record of 900,000 miles since she was thirteen years old. Shaking her brown bobbed hair as she talked to reporters on the Leviathan, Miss Miller said she would return to her home in Chicago, whence years ago her father, Harry F. Miller, "was driven out by Mohawk Indians." Miss Miller said she has traveled by train, motor, ship, camel and elephant and goes unaccompanied everywhere.

ICEBERG SPLIT IN TWO WHEN HIT BY STEAMER

Londonderry, Ireland, May 20—Passengers on the steamship California, which arrived here today, reported that the ship had struck an iceberg off the Newfoundland Banks at noon on May 12. The passengers said that the California was steaming slowly through a fog and that the blow was slanting. Although the impact shook the ship, she was not damaged. The berg broke in two.

AMERICAN GOLF STARS ARE DEFEATED

Showing of British Club Against Invaders Cheers Up the Old Country Golf-players Greatly.

Working, England May 20—The victory of the British golfers known as "the Moles" over the American Walker Cup stars, six matches to three has strengthened British hopes of winning the international trophy at St. Andrews, in June.

The Americans lost five foursome matches in the morning but came back in the afternoon play with three victories, one defeat and a tie.

Bobby Jones, the American amateur champion, Jesse Gullford of Boston, Francis Ouimet, former amateur and open champion also of Boston and George von Elm, the young star of Los Angeles, played sterling golf in the afternoon.

Their British opponents are Walker Cup nominees and consequently the Americans' defeat over the whole day's play had encouraged British golfing fans.

ATHLETIC DIRECTOR IS INSURED

Subscribers to Mountaineer Field Stadium of West Virginia University have insured the life of H. A. Stansbury, university athletic director for \$100,000 according to The Associated Press. The West Virginia University Stadium Corporation said the policy was taken out "to provide against any loss of income to the organization due to the premature death of the individual who has thus far carried out the work of the corporation."

A Severe Illness Caused Constipation

Mrs. Wm. Hill, Wapella, Sask., writes: "Three years ago I had a very severe illness, and ever since I have suffered with constipation. A few months ago a friend advised me to use

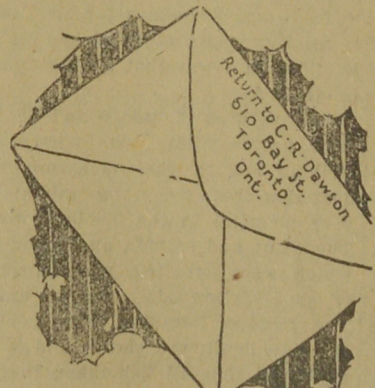

Milburn's

LAXA-LIVER PILLS

which I did, although not expecting any results, but I am pleased to say that since using them I have had perfect use of my bowels without any trouble or pain, and have never had bleeding piles since. Now, I never fail to recommend 'Laxa-Liver Pills' to all my friends."

The return address should be placed in the upper left hand corner of the address side of all mail matter. This facilitates its prompt return to the sender, if it is found to be undeliverable. Postal employees are glad that the habit of writing return addresses on the back of envelopes is becoming less prevalent.
