CINCINNATI REDS TAKE TOP OF NATIONAL

Beat Brooklyn 5 to 1 — Pittsburgh Won Another — Hack Wilson Injured by a Pitched Ball.

New York, Sept. 14—Cincinnati defeated the Robins, 5 to 1, today at Brooklyn and moved into the league leadership, while St. Louis was idle. Carl Mays won his nineteenth game of the season after volunteering his services to Manager Hendricks. The Reds eased into first place with a half game margin over the cardinals.

Twelve hits off McGraw, the Robins' reliance, gave the Reds their tallies. Brooklyn could do little against Mays, hitting for but five scattered safeties.

Champs Trim New York

The world's champions played championship ball today at the Polo Grounds, shutting out New York, 5 to 0. Ray Kremer made it his eighteenth win of the season, allowing no hits until the seventh inning when Frisch beat out a slow one to Grantham.

The Phillies took the final game they will play with the Chicago Cubs this season by a score of 5 to 4.

Wilson Injured

"Hack" Wilson, star outfielder, and leading home run hitter of the National League, sustained a possible fracture of the mastoid bone when Carlson hit him behind the left ear with a pitched ball in the sixth inning.

No American League games were played today. Only one game was scheduled, Philadelphia at Chicago, but that was postponed owing to rain.

Chicago, Sept. 14—The Illinois Athletic Commission today disqualified and suspended for life Charley (Phil) Rosenberg, of New York, the bantamweight champion of the world, and handed his crown to Bud Taylor, of Terre Haute, Ind., his challenger for the title bout, scheduled here Thursday night. The bout is off. Suspended with Rosenberg were Harry Segal, his manager and all the boxers who have trained with him for the final match. The commission's formal notice of expulsion said that the action was demanded "in order to protect boxing."

Most of the Grand Circuit horses are idle this week, laying up at Lexington, Ky.

Belle McKillo looks to be about the best of the 1927 pacing stake candidates.

Ed Sunderlin has made more than a fair pacer out of the converted trotter, Probable.

May W., 2.10 winner of two races at Indianapolis is a sister to Hilda Fletcher, 2.07 1/4.

Capt. H. M. Stanford has bought a highly regarded pacer in You Bet, a son of Wy Dryad.

Brockton continues its practice of giving \$10 in gold to the first five drivers in each race.

Sumatra, 2.02 1/4 pulled up lame at Indianapolis and is hardly likely to start again this season.

Benny Sturgeon raced Jeanette Royal without hoppers at Charter Oak, and 2.08 1/4 was just a jog for her.

Logical 2.04 has for his second dam Princess of Monaco, the daughter of imported Meddler and Nancy Hanks.

Hal Erwin piloted the Standish Stables trotter Brandywine to a sparkling win in the \$5000 purse at Hartford.

Walter Cox is sending Great Scott 2.08 1/4, East for racing over New England tracks the balance of the season.

Some excellent judges who have seen Bert Abbe in most of his races count him one of the first-flight pacers.

Minnie Cochato second in 2.07 1/4 at Indianapolis is through racing as the result of being struck by an auto last Saturday.

Marvin Childs considers the two-year-old Lucille June 2.11 1/4 one of

the greatest pacing prospects he has ever trained.

Walter Garrison and Vic Fleming are having a close race for the honor of topping the season's race-winning drivers' list.

Fred Tobey has bought Clover Guy 2.07 1/4, which means that a splendid young stallion is going into the stud in New Hampshire.

Silver Weather, 2.06 1/4 looked in prime condition last week at Hartford, but the little gamecock was shy of his extreme speed.

The Transylvania has only 10 eligibles and three of them Rose Scott, Pearl Benboe and Sumatra are believed to be through racing.

Sanford Small has presented Greyworthy 2.04 1/4 to Thomas D. Taggart, French Lick Springs, Ind., insuring the gallant grey a life-long home of comfort.

Will Snow has what looks to be a real trotter in the making in Helter Skelter, 2 year old son of Peter Volo, 2.02 and Bronze Silk 2.15 1/2; second dam Silver Silk, 2.08 1/4.

David Guy, 2.05 1/4 looms as a great producing son of Guy Axworthy 2.08 1/4. His oldest colts are now three year olds and last week two of them were winners, Guy Hall 2.08 1/4 at Detroit and Mel Rea, 2.10 1/4 at Indianapolis.

Lyle Sterling whose name will ever be linked with that of that popular race horse of a generation ago, Woodshed, drove James Hennessey's trotter, Bonnie Gift, to a six-heat win at Lewiston.

Anna Bradford's Girl, 1.56 1/4 has started in 26 races. She has won 23, second money twice and third once. The new two-minute pacer has a trotting record of 2.08 3/4 made in her 2 year old form.

Grand Circuit followers believe Ruth M. Chenault, 2.07 1/4 will go into Winter quarters an unbeaten two-year-old but expect her to have to be right on edge to handle Nescopee in the junior race of the Kentucky Futurity.

Townsend Ackerman plans to train Chestnut Pluto as a pacer next year. The colt which is out of Fair Virginia, 2.07 1/4, dam of the half-mile track pacing bear, Berry the Great, 2.09 1/4 should go into Winter quarters a 2.10 trotter.

Brockton railbirds are generous in their praise of several of the colts in Gene Hayes' school. They pick Shirley Marston's Nelson Dillon and L. W. Kenney's Navoleon Direct as the 2 year old tops, both of whom have trained around 2.15 very comfortably.

Will Flemming could not get Guesswork 2.04 1/4 to Presque Isle without laying over in Boston two days so had to pass up some easy money while Aroostook County folks missed seeing a free-for-all they would like to call their own.

INJUNCTION SERVED ON JACK DEMPSEY

Trying to Force Him to Fight Wills—Indiana Injunction Will Have No Effect.

Chicago, Sept. 14—Two certified copies of an injunction issued yesterday in Indianapolis forbidding Jack Dempsey to box any other opponent before fulfilling a contract to meet Harry Wills will go forward at once to Philadelphia by air mail and special messenger, John M. Whiteside, attorney for the Chicago Coliseum Club, said today.

The writ will be filed with the State Court, Whiteside said, and will be served tomorrow on Dempsey by Philadelphia attorneys.

Lacks Legal Effect

Philadelphia, Sept. 14—"The injunction obtained in Indiana to prevent the Dempsey-Tunney fight is merely a matter of news in the Pennsylvania courts it has no legal effect," said Attorney-General George Woodruff today.

"The Indiana courts," said the attorney-general, "did not issue an order against the Sesqui-Centennial Association or the Pennsylvania Boxing Commission which authorized the bout. This seems to be a matter between Dempsey and the Indiana courts. If Dempsey violates the injunction he will be subject to punishment in Indiana."

"It would be necessary for the plaintiffs to appeal to the federal courts or to bring proceedings in this state if they want to make their injunction effective."

Arrangements Go On

Philadelphia, Sept. 14—Arrangements for the Dempsey-Tunney heavy-weight championship bout in the Sesqui-Centennial stadium next week went forward today without interruption.

The injunction issued by the Indiana court last night restraining Jack Dempsey the world's champion from tract of the Chicago Coliseum Club to fighting before he carries out the contract Harry Wills, is not effective in Pennsylvania unless action is taken in this state, said Attorney-General George W. Woodruff today.

PER DIEM.

The waters sing a witching song
To you and her
As on the beach you stroll along
At so much per.
Your hotel bill climbs to the skies
The while you swoon deep in her eyes
And softly whisper foolishwise
At so much per.

But not only in playing time
Does this occur;
Our whole existence is a rime
At so much per.
Though we may sigh or laugh or weep,
Though we may sin or toil or sleep
We pay the price—oft-times quite steep—
At so much per.

BLUNDERS

WHY IS THIS WRONG?

One of the many annoyances that the postal service has to contend with is the receipt of bundles of carelessly sealed letters, many of which are stuck together. Since letters can be run through the cancelling machines only one at a time, all those stuck together must first be pulled apart by some postal employee. This may result in mutilation of the addresses or in placing the letters to one side until other mail has been handled.
