HON. MR. BAXTER
IS ON A VISIT
TO MONTREALHis Visit is a Personal
One — Has Not Been
Offered Place in the
Cabinet.

Montreal, July 8—The presence in Montreal of the Prime Minister, Rt. Hon. Arthur Meighen this afternoon has in the absence of definite news bearing on the political situation, stimulated speculation and local leaders profess to see in Mr. Meighen's visit a circumstance of outstanding importance with regard to the Quebec representation in the new cabinet.

In the eastern metropolis also are Hon. J. B. M. Baxter, Premier of New Brunswick and Hon. E. N. Rhodes, Premier of Nova Scotia. This afternoon Dr. Baxter declared that his trip to Montreal had no political significance, intimating that it was purely coincidental that he should be here at the same time as the Federal Prime Minister.

There was no announcement by the prime minister here. His visit came as a surprise to all except those few who are in the inner circles of governmental affairs.

Baxter's Visit Personal.

"My visit to Montreal is a purely personal one and has no political significance whatever," said Premier Baxter as he stepped from a train in the Windsor station today.

"I have not heard any rumors of my being asked to join the new Federal Cabinet and think it most unlikely. I have no ambition to go to Ottawa. In a big city like this I am sure to meet some of the politicians on the streets, but I did not come with the intention of meeting anyone except officials of the Canadian Pacific Railway and the members of the legal firm who represent my law firm in Saint John. This is a purely private business trip."

Not Offered Portfolio.

"Would you refuse a place in the Cabinet?" asked a reporter.

"I have not been asked and I have no ambitions in that direction. My work lies among my people in New Brunswick."

"What would be the provincial situation were you to join forces with Hon. Mr. Meighen?"

"The reply to that pre-supposes an invitation to me to join the cabinet—and my acceptance—you see I cannot reply to anything based on an impossibility."

United Press)

New York, N. Y., July 9—A hearse is a pleasure vehicle, according to a decision made in traffic court Brooklyn yesterday. The case was that of John Fitzpatrick of number 539 Eightieth street, Brooklyn, hearse driver for Herbert FitzPatrick, number 5409 Fifth Avenue, Brooklyn. John FitzPatrick on his way back from a funeral in New York last Tuesday was arrested at Manhattan bridge by motorcycle patrolman, Kenneth Brown when he refused to move into the lane taken by commercial vehicles.

J. D. Bernard Brophy, president of the New York State undertakers, reminded the court that, under a ruling of the state motor vehicle commissioner the first of this year hearses were authorized to move in the lanes reserved for pleasure vehicles.

CLAIM RECORD
SALMON OF FORKS
OF SOUTHWESTGeorge Patterson of
Fredericton Junction
Landed Fish, 20 lbs., 7
oz.—Others in Party.

Proudly displaying what they claim to be the record salmon to be taken at The Forks of the Southwest Miramichi with rod and line, David Wood of Woodside, Angus R. Nason and George Patterson of Fredericton Junction, arrived here Thursday afternoon by motor from Juniper, Carleton County. They registered at the Lorne Hotel during their stay in Fredericton.

The record salmon which they had carefully packed in ice was hooked and landed by Mr. Patterson. Its weight was 20 pounds 7 ounces. In addition Mr. Wood had a ten-pound salmon also as a witness of his prowess and Mr. Nason had a fine grilse. In addition the party had sea-trout in large numbers although many had been eaten and given to friends.

The big salmon was said by the residents of The Forks to be the largest ever taken in those waters. W. C. Craig and Harry Craig of The Forks were guides to the party and proved most efficient. The fly used by the party was the Miramichi No. 6 recommended by R. T. Mack of Fredericton and proved most effective.

The water in the Southwest was high and the bulk of the salmon-run is still to come.

MUNICIPAL COUNCIL ON
DIVISION VOTES GRANT TO
U. N. B. ENDOWMENT FUNDGrant is \$775 for Two Years on Belief That Suc-
ceeding Councils Will Do Likewise Making
Aggregate \$25,000 in Twenty Years — Dr.
Ross Heard on Behalf of Hospital—No Definite
Result From Conference Between County
and City Committees on Claim of City.

The Municipal Council of York County this morning by a vote of 18 to 11 voted a grant of \$775 a year for two years to the Half-Million Dollar Endowment Fund of the University of New Brunswick. There was an amendment to defer action until January but it was defeated. The belief is that succeeding councils will vote similar grants which at the expiration of the twenty-year period will aggregate \$25,000.

The Council also devoted some time to hearing a presentation of the case of Victoria Hospital by Dr. D. W. Ross, president of the Trustee Board, who requested additional financial assistance.

Conference on City's Claim. Adjournment was made to permit committees to meet. The committee on the City of Fredericton claim together with the County Solicitor, Hon. C. D. Richards, met a special committee of the City Council with the City Solicitor, P. J. Hughes, K. C. There was no conclusive result from the conference.

U. N. B. Endowment Fund.

The council on reassembling this morning took up consideration of the application of the University of New Brunswick Endowment Fund Committee for assistance from the county in the form of a contribution to the fund on an annual basis.

Coun. Whipple moved that a grant of \$775 a year be made for two years, 1926 and 1927. He explained that the present Council could not control finances over a longer period. Succeeding councils might see fit to make similar grants and if that were done the aggregate at the end of twenty-five years with compound interest would be \$25,000.

Coun. Lister moved in amendment that consideration be deferred until the January session.

The amendment was defeated on the following vote,—

Yea—Christie, Morrison, Nason, T. Bird, Williams, Ebbett, Manuel, Lister, Dorcus, Lister, Kirk—11.

Nay—Sanford Pond, Fisher, W. G.

PICNIC AT GRAND LAKE.

Staff of J. S. Neill & Sons, Limited,
Guests of J. Stewart Neill Thurs-
day Afternoon.

The firm of James S. Neill & Sons, Ltd., took their whole staff, on a picnic, to Robertson's Point Thursday afternoon, where a very enjoyable time was spent. The "married" and "singles" played a game of Soft Ball, which was very exciting, but reached no decision as one of the outfielders broadcasted the announcement "The girls are in bathing" when a mad rush was made for the beach, the only one left on the diamond being umpire Chip Smith. In this race the married men won. For half an hour the picnicers enjoyed themselves in the waters of Grand Lake when another call "Dress for Supper" reached our ears and brought the bathers to terra firma. The firm provided a sumptuous picnic supper to which ample justice was done by all except Guy Burden and Bob VanWart who were not in their usual good form for enjoying such repasts. The evening was spent in dancing and singing, led by Arthur Bailey with Bessie Plee and Douglas Pickard accompanying on their ukeleles. Before leaving for home a hearty vote of thanks and three rousing cheers were given for the host, J. Stewart Neill, and all joined in singing "He's a jolly good fellow." This morning's Roll Call showed all at their posts ready to give better service than ever.
