CANADIAN RUGBY TINKERED WITH TOO MUCH

Percy Roberts of Montreal Expresses That Opinion at a Complimentary Dinner to Ottawa Team.

Ottawa, Jan. 18—More than 300 prominent citizens paid tribute to the Ottawa Rugby team and executive at the complimentary banquet given to the holders of the Grey Cup. As a tangible expression of Ottawa's pleasure over the honors won by Dave McCann's players, each member of the team, the coach and assistants, trainers and manager were presented with a gold watch and a splendid coat sweater. Fastened to the sweater is the civic crest, which has been awarded to an Ottawa championship team for the first time.

Too Much Change. Among the congratulations were those expressed by Percy Roberts, of M.A.A.A. His was a brief speech, but a salient point was his protest that rugby rules have been changed too often. He aptly showed that rules in England had not been amended in 100 years and the game had benefitted greatly.

Hon. Charles Murphy, Postmaster-General, who has taken a deep interest in athletics in Ottawa, was among the orators. Speaking of rugby as played in 1885, Senator Murphy made some interesting comparisons with the game as of today.

"It was one of these students, Faragh Brogan, by name, from the County of Mayo, Ireland, who was the first to introduce the low tackle into the Canadian game," said Mr. Murphy "and it was in the game between Ottawa College and Harvard University, which was played on the Rideau Hall grounds on November 8, 1884, that the long pass, as perfected by the American college teams, was first seen on a Canadian football field."

"I mention these incidents tonight because it will, I think, be of interest to the present, and to the future champions who are seated at these tables, to know where the low tackle and the long pass came from."

"I have alluded to the championship games in which the Ottawas took part in 1883 and 1885 and I have mentioned the names of some, if not all, of the surviving players. In somewhat the same connection let me tell you of one week's doing on the part of the Ottawa College team in 1886."

"On October 30 of that year they played the Toronto University team on the 'varsity' campus in Toronto. That was the longest football game on record. After one and one half hours of actual play the score stood 1-0. The time was extended for 30 minutes. At the time of that time the score was 1-1. Again the time was extended for 20 minutes. At the end of that time, darkness had set in and after 2 hours and 20 minutes of actual play the score was still a tie, 2-2."

"The tie was played off in Toronto on the Rosedale grounds on the following Thursday, November 4, the Ottawa College won by a score of 12 to 1."

"Two days later, namely, on November 6, 1886, the college team defeated the Toronto Football Club on the Metropolitan grounds here in Ottawa and again won the Ontario championship by a score of 10 to 0."

"Just think of three such games in one week and two or them played in Toronto the 'Good.'"

"And it is also well to bear in mind that in those days no substitutes were allowed and that the players didn't wear any padding or head gear."

SAINT JOHN LOST TO MONCTON

Moncton, Jan. 18—Winning by a score of 5 to 1 the Moncton Athletics defeated the Saint John team in tonight's hockey game at the Arena here. The game, however, was not so one-sided as the score indicates. It was a hard-fought contest throughout particularly in the first period when Lane scored for Saint John.

Teams Tonight Fight For Chance to Start Second Half Well

The Winning Team Will Have Chance to Chase Bathurst and Campbellton—Chatham Comes Determined to Win—Fredericton Has Recovered From Trip and Will Fight Hard.

NORTHERN N. B. LEAGUE		
	Won	Lost
Campbellton	4	2
Bathurst	3	3
Fredericton	2	3
Chatham	2	3

The winner of tonight's game at the Arctic Rink between Fredericton and Chatham will be the team in best position to chase Campbellton and Bathurst in the second half of the schedule. By winning last night Campbellton took a grip on first place which will be hard to break.

Chatham has been travelling fast lately and is out to drop Fredericton into the cellar position. The Green and White has no thought of dropping into last place. The effects of the hard games at Campbellton and Bathurst are over and the squad will go on at full strength.

The Teams.

The two teams are expected to be as follows:—

Chatham—Carvell, goal; T. Fallon, R. Keoughan, defence; Kerr, centre; McMahon, left wing; Duncan, right wing; J. Keoughan, Keating, Fieger, reliefs; McEachern, spare goal.

Fredericton—Hickson, goal; Steen, Clark, defence; J. Sterling, centre; Keene, left wing; Keenan, right wing; E. Wade, defence; A. Sterling, forward; Lynch, forward.

May Change Around.

There is a chance that Fredericton may shift the players. Edgar Wade has proved his value on defence. Alden Clark hurt one of his feet last week but is now better and may play up as a forward part of the game as well as defence.

The Fredericton team made a great showing at Campbellton holding the leaders to a one-goal margin and making good with the Campbellton fans. The strain of the game told the next night at Bathurst.

The game of the season is the one expected tonight.

SKATING AFTER THE GAME

GREAT GAME LAST NIGHT AT CAMPBELLTON

Home Team Beat Bathurst 3 to 2—Great Work by Both Goalkeepers—Fast Game.

Campbellton, Jan. 18—In a hockey battle of surpassing speed replete with spine-tickling thrills, Campbellton regained top seat in the northern section of the M. A. H. A. here tonight by defeating Bathurst all-star aggregation by a score of 3 to 2.

The game far eclipsed any engagement in this section of the league so far this season in its amazing speed and brilliant team work. The visitors vociferously cheered by 350 fans from the town they represent, put up a brilliant fight but the locals seemed invincible.

Big Crowd There.

Seldom in its history was the Campbellton arena taxed to such capacity. The engagement saw no quiet moments and between a few rare lulls the speed of the encounter was terrific.

The first face-off uncoiled a burst of speed to which both teams contributed an equal share. The rubber first visited the vicinity of the home net and then made the acquaintance of Bathurst's end of the ice. From then on territory play was about evenly divided. Bathurst opened the scoring when Fallon found the local goal after three minutes of play with a tricky shot from centre ice.

Four minutes later Williams for the locals retaliated with a neat shot from the wing. With six minutes to go McLean made a get-away and his speedy rush through a maze of sticks was triumphantly completed when Thomas caught his pass and returned it to Pete, who found the twine without a moment's hesitation. The period ended 2 to 1 in the locals' favor.

Second Period.

In spite of the ice, which was growing heavy, the second period was equally as fast as the opening stanza. With Campbellton in the lead the visitors put forth their best in an effort to tie the score. Lawlor accomplished this after 12 minutes of battling on a speedy end to end rush. This period was crowded with terrific rushes and team play, which added to the frenzy of the fans. Both goals were in danger many times but LeBlanc for the locals and Finnegan in the Bathurst net kept down the score.

The third period was another scene of fast hockey. After eight minutes of hard gruelling work on heavy ice, Thomas shot at Finnegan but it was stopped by the Bathurst net guardian but Howard was right behind and plugged the net for the third and last goal for the locals.

When about 16 minutes of the last period had elapsed a scramble for the puck took place in front of the Campbellton net but LeBlanc saved in a spectacular manner. The period ended with Bathurst trying to tie the score and Campbellton playing a purely defensive game.

Goalies Good.

Both Finnegan and LeBlanc turned in stellar performances.

The Line up:

Bathurst—Goal, Finnegan; defence, Crosby and Fallon; forwards, R. Cripps and I. Lawlor; centre, K. Carroll; substitutes, McKeeman, Gammon and Cribbs.

Campbellton—Goal, LeBlanc; defence, Sharpe, McLean; forwards, Thomas, Wilkins; centre, Howard; substitutes, Ferguson, Shannon and Lavolette.

Referee, Buzz McLeod.

According to Dr. Hornell Hart of Bryn Hawr, the span of life will have been increased to 100 years within the next 75 years. Somehow or other something seems to take the immediate kick out of it.

MONCTON HIGH HANDED SHUTOUT TO SACKVILLE

Moncton Paper Refers to Team as Holding New Brunswick Interscholastic Hockey Title.

The Moncton Transcript believes that Moncton High is on the way to a New Brunswick Interscholastic Hockey title. Of Saturday's defeat of Sackville High on Saturday it says:—The Aberdeen High School hockey team defeated Sackville High this afternoon at the Brae ring 3 to 0.

In the first period neither team scored play being quite even. The locals came through however in the last two sessions, displaying the form that won the New Brunswick title for them last year. Crowhurst and Smith played a nice game for the locals on the forward line while Hutchinson and Gaudet put up a stonewall defense.

For Sackville the Wry boys and Dixon were the stars.

The line-up was as follows:—

Goal	
Brown	Lawrence
Defence	
Gaudet	A. Wry
Hutchinson	Dixon
Forwards	
Smith	D. Wry
Crowhurst	Fullerton
N. Gaudet	Crossman
McBeath	

As a matter of fact the M. P. B. authorities did not award the 1925 New Brunswick title to Moncton High but to Moncton Schools the team which defeated Fredericton High at Moncton not qualifying as a High School team.

CARPENTIER'S REAL REMARKS ARE PUBLISHED

New York, Jan. 18—A more accurate version of Georges Carpentier's interview with newspapermen given after his arrival from France, comes to light—all because one of the interviewers understood French and gathered the import of remarks supposedly interpreted for newspapermen by Jack Curley, the boxer's American manager.

This is the translated version of the interview:

Curley to Carpentier: What do you want to give the boys, Georges?

Carpentier to Curley: Tell these "birds" anything you want.

Curley to newspapermen: Georges says he is very happy to be back in this scoundry again and enjoys above all his association with the writers.

Carpentier to Curley: Get rid of this gang as soon as possible. I've got a date at 7.30.

Curley to newspapermen: He says he would like to fight Paul Berlenbach for the lightweight title and wishes you boys a Happy New Year.

She Could Never Do The Things Other Girls Did

Miss I. J. Ross, Scollard, Alta., writes:—"I am only twenty years old, but have suffered from heart palpitation and nerve trouble for several years."

I could never do the things other girls did, that is, in the line of sports, skating, etc., and could never depend on myself at work.

About six months ago I began taking

and am just twice the girl I was, and can enjoy everything in general life so much more. I am very grateful for what your Pills have done for me."
