## 4 POINT 4 HAD TOO MUCH OF A KICK

Toronto, March 15—Cancellation by the Ontario License Commission of the brewing license of the Lake Ontario Brewing Company, Kingston resulted, it has been learned from the distribution of 4.4 beer, which because of a chilling process, had not ceased fermentation and which as a consequence increased in strength while in the possession of the purchaser. Sworn evidence of certain hotel-keepers in Smith's Falls that the beverage had been purchased by them as 4.4 beer, led it is understood to the cancellation procedure.

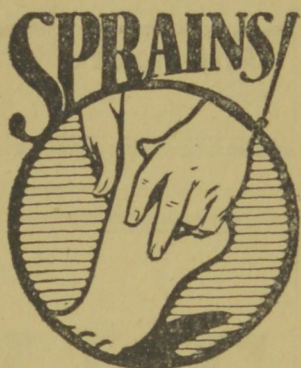

The brewery is now installing a new manufacturing process and according to Attorney-General Nickle, will likely get its license back if it can turn out a product in which fermentation ceases prior to shipping.

The rumor spread about that a woman of uncertain age, whose chances of matrimony were rather remote was going to be married. Meeting a friend she was asked was it really true.

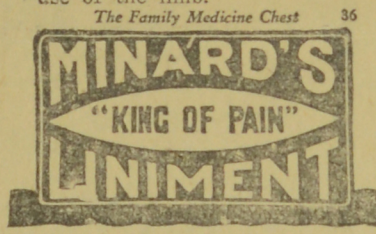

"Well, not exactly," she replied, "but thank heaven for the rumor!"

She—Are mine the only lips you have kissed?

He—Yes, hon, and the nicest.

Soothe the sore ligaments by rubbing in Minard's Liniment. It penetrates, soothes and heals. It eases inflammation and rapidly brings back the use of the limb.

(From The London Spectator)

Barely twenty sail,  
And a lawless crew, at that,  
(Might have graced a yardarm at the Nore)  
Chanced it in a gale,  
And they laid the Dons out flat,  
Made a fine old shambles of some thirty Ships or more.

Men with ready lips  
For a bottle or a wench,  
Swift to strike and follow up the blow;  
Big or little ships,  
To the Spanish or the French  
Hell could not have bettered them a Hundred years ago.

What a mint of stuff  
You can press from any street  
Fit and fresh for any brawl or breeze.

Battle-bred and tough  
For the making of a fleet,  
Such a fleet as Jervis took to tidy up  
The seas!

GOB HUMOR.

The captain making inspection, noticed Private Brown had no tooth brush.

"Where's your tooth brush?" he demanded.

"Here, sir," said Private Brown, producing a large scrubbing brush.

"You don't mean to tell me you can get that thing in your mouth?" shouted the captain angrily.

"No, sir," replied Brown, without changing his expression, "I take my teeth out."

Last night she and her husband left for Indiana Harbor, Ind., to claim the legacy.

## Sometimes Grey Granite is Preferred for a Memorial

IF SO, our Native Granite has no superior when particularly Selected Stock is used. But selection is of the Greatest Importance, for considerable of our native grey is defective in color for Monuments. In buying a Monument of New Brunswick Grey Granite see it first or buy from a firm using only selected stock.

The above design is polished on both sides. The top is hammered to a fine smooth finish with the edges nicely turned. The sides are rustic; that is rough broken surface with the edges carefully chamfered in hammered finish. The ornamentation on the corners is cut in light relief not just traced. The Initial of the family name can be cut in the apex instead of the little design shown. The prices quoted below are for the Monument completely erected on a concrete foundation in Fredericton or vicinity. The sizes are for the diepiece or top stone and the bases are in proportion.

|             |           |
|-------------|-----------|
| 2-6x1-0x3-0 | \$200.00. |
| 2-4x1-0x2-9 | \$175.00. |
| 2-2x1-0x2-6 | \$150.00. |

This Monument can be made in smaller sizes with 8 inch diepiece at proportionately lower prices; but for the difference in cost, the larger sizes are recommended for a family lot. The best workmanship is put on all the above, and it is not claimed they cannot be made cheaper from inferior stock and with less careful mechanical precision. 50 per cent cash with the order is required and the balance is payable on completion of the order. Place your order now for May 1st delivery.
