

RED ROSE TEA

"is good tea"

You've been intending to try Red Rose sometime. Why not now?

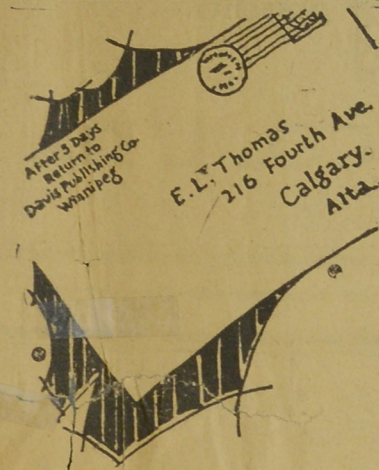

PURSUED.

Jack and Jill went up the hill
I fact they went on high
But a motor cop came right behind
and caught them by and by.

"So you couldn't tell your teacher
what a neighbor was eh?"
"Oh yes, I could—it's somebody
that uses Dad's lawnmower."

"I see by the paper" remarked
Mrs. Grouch, that they have meas-
ured the speed of a woman's hands."
"I'd like to see them measure the
speed of her tongue" growled her
husband.

BLUNDERS

WHY IS THIS WRONG?

Thousands of letters are delayed
in delivery from two to ten hours
in big cities because business men
do not place their return street ad-
dress on letterheads and envelopes.
Even though a company may be an
important one, all postal employees
do not have its address committed to
memory. Consequently its mail
will surely be delayed if persons
who must reply to its letters are
given no street address.

CZAR OF MOVIES.

New York, June 26—Will H.
Hays will remain as president of
the Motion Pictures Producers and
Distributors of America until 1936,
the board of directors announced
yesterday. His present term with a
salary reported at the time of his
election as \$150,000 was extended
for 10 years.

Bristol, England, June 26—Signs
of a desire by some countries to re-
turn to force as a means of settling
international disputes are seen by
Viscount Cecil.

In a letter of apology for his in-
ability to attend the annual confer-
ence of the League of Nations Union
here Lord Cecil wrote as follows:

Some features of the European
situation are disquieting. In various
places there are symptoms of reac-
tion against the League itself. The
governments and peoples of some
States appear to be more or less
under the influence of a returning
belief in force as the only interna-
tional remedy.

Her Liver Was Bad And She Felt Tired and Depressed

Mrs. M. Siefert, Grosswerder, Sask.,
writes:—"I was greatly disturbed
with pains in my liver, and felt tired
and depressed most of the time.
One day I read about

Milburn's

LAXA-LIVER PILLS

and the next time I went to town I
bought four vials of them.

I have used them regularly, and
after two months' use I feel like an
entirely different woman.

Now, I always recommend them to
any of my friends who are troubled
as I was."

There's only one "Laxa-Liver
Pill", and that's the one put up, for
the past 32 years, by The T. Milburn

Of Interest to the Women

THE CHIFFON FROCK LEADS ALL OTHERS.

The flowered, chiffon frock is the
one for which all women are search-
ing these days. It is the ideal frock
for afternoon occasions, for dinner
wear and for informal dancing.

Last year's flowered frock with
its cabbage roses and wild coloring
on dark backgrounds is quite passe.
In its place we find softly blended
pastel designs on neutral or harmoniz-
ing backgrounds. Floral designs are
subdued and do not stand out as
they did last season and scream,
"Behold! I am a lily!"

Among the favorite color combina-
tions are shades of soft yellow, gold
and green, yellow, white and reddish
brown, rose tones in various shad-
ings and a few black backgrounds
with mauve or rose floral designs.
In almost every instance the flower
design is smaller than it was last
year.

FRUIT AT BREAKFAST IS GOOD AS A TONIC.

Fruit is gold in the morning.
Thus starts an old proverb, the
rest of which I do not quote be-
cause I don't believe that fruit is
ever lead. On the contrary it is
one of the most precious tonic foods
that we have.

There is no gainsaying the fact
however, that at no time is it more
appropriate than in the morning. It
is the best possible beginning for
breakfast; indeed it can well make
the entire meal.

If you awaken with a heavy dis-
agreeable feeling no particular
energy either of mind or of body
the probability is that your blood
has been piling up acid during the
night. You need an antidote and the
best antidote lies in the sour citrus
fruits.

Let orange or grapefruit juice be
your morning cocktail. The oft pre-
scribed juice of half a lemon in hot
or cold water taken immediately
upon arising is excellent and need
not interfere with other fruit at
breakfast time. For breakfast it is
well to pass by the heavier fruits
such as bananas, in favor of the
citrus fruits. The latter start the
gastric juices and then the stomach
demands the surplus acid from the
blood to aid digestion. If you tire
of orange juice try a drink made of
equal parts of orange, grapefruit
and lime juice. And of course,
nothing has yet superseded "half a
grapefruit, please" as the classic
breakfast dish.

CUTTING FLOWERS.

The best time to cut flowers is
the early morning while they are
still refreshed by the night's cool-
ness and the best thing to do it
with is an old pair of stout scissors.
Breaking them loose from the main
stem is harmful and so is the use of
a knife unless you're very careful
not to pull them when making the
cut. The proper way is to snip them
off cleanly with no disturbance of
those parts of the plants which re-
main.

As soon as the blossoms are cut
the butts of their stems should be
poked into a pail of water else air
will enter their cells and act as a
very efficient barrier to the subse-
quent absorption of the life sus-
taining liquid. After the harvest
has been gathered set the pail in a
dark cool room for a couple of hours
and then distribute its contents
among the various vases and bowls.
Any given lot of flowers should
have an inch or two taken off its
stems every day while in the house

YELLOW DAHLIAS.

Nine balls of gold on a stately
swinging stalk;
Nine golden flowers down my
humble garden walk;
Purest, palest gold, like sunshine
twice distilled;
Rounded balls of bloom like satin
nicely quilted!

Oh, I'm very short of cash and I'm
all unknown to fame,
But the butterflies and bees, could
they learn my human name,
Would bow when they heard it and
curtsey in the air,
For they know that flower wealth
makes a true millionaire.

And these dahlias all are mine from
the brown bulb underground—
Nine balls of gold—why, it makes
the head go round!

Sure, I needn't hunt the rainbow's
end in quest of—
I can find some in the garden where
I planted it myself.

And if you call me poor while this
yellow wealth I hold,
I shall laugh with happy scorn from
my mint of garden gold.

QUEBEC HAS BIG SURPLUS

Quebec, June 25—Premier L. A.
Taschereau, who returned from Mont-
real yesterday, stated to the Cana-
dian Press tonight that his Govern-
ment expected to have a surplus of
over \$1,000,000 for the fiscal year
ending June 30.

"The Provincial Treasurer, Hon.
Mr. Nicol" said the Premier
intends to pay \$1,000,000 of the
debt of the province from his
revenues and he will still have a
surplus over the expenditures."

2 Years' Backache Subdued by "Nerviline"

"Backache was the bane of my life,
and for two years I was so lame as to
be unfit for work," writes E. S. Stoen-
er, from Georgetown. "While in Smith
Bros.' Drug Store, I heard of Nerviline
being a wonderful pain-destroyer, so I
decided to try Nerviline. Thanks to
Nerviline, my two-years' backache was
rubbed away, and today I am perfectly
well."

All those who suffer from weak,
aching backs, those whose muscles
are stiff, whose joints are swollen, let
them try Nerviline—the liniment that
never fails. 35c. at all dealers.
