"Our Wedding Rings are Lucky"

The Groom's Present
to the bride was an Imperial Life Insurance Policy
for \$5,000.00

There, sir, was a man's gift—a practical fulfilment of his promise to provide for his wife until "death do us part" and beyond.

If you have recently married, or if you are about to be married, you should write for particulars of The Imperial Life's Home Protection Policy. Send for it NOW—it's very interesting, and it's free.

It might just happen that tomorrow would be too late.
